BRIDGE LOAN AND SECURITY AGREEMENT, dated as of March 14, 2005, between Identrus, LLC, a Delaware limited liability company (the "Borrower"), and Zions Bancorporation ("Zions") and any other Lenders that may be added to Attachment 1 hereto (together with Zions, each a "Lender" and collectively the "Lenders").

WHEREAS, subject to the limitations set forth herein and assuming there is more than one Lender hereunder, the Lenders wish to make available to the Borrower a line of credit in an aggregate amount of up to \$2,000,000 (the "Line of Credit"), on the terms set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants set forth herein, the parties agree as follows:

1. The Line of Credit.

(a) Subject to the terms and conditions herein, the Lenders will make the Line of Credit available to the Borrower. On the date hereof, the Borrower shall borrow \$500,000 (the "Initial Funding Amount") under the Line of Credit directly from Zions, with the result that \$1,500,000 may be available for future borrowing, allocated among the Lenders in accordance with the future lending percentages set forth opposite their respective names on Attachment 1 hereto, as such percentages and Attachment 1 hereto may be amended from time to time by agreement of the Lenders (each a "Proportionate Percentage"), or in accordance with such other allocation as the Lenders may from time to time prescribe. The total amount lent by all of the Lenders to the Borrower under the Line of Credit is referred to herein as the "Loan."

(b) To make any future borrowings under the Line of Credit, the Borrower shall deliver a written request to the Lenders, not less than two business days before the desired borrowing date (the "Disbursement Date") and not later than ten business days before the Maturity Date (defined below), specifying the amount requested to be borrowed. No such request may be made at any time following the occurrence of an Event of Default. After the date of such request, the Borrower shall furnish the Lenders with such documents and materials as the Lenders may reasonably request in evaluating the business and condition of the Borrower. If the Lenders desire to advance the requested amount, in their sole discretion, as determined by Lenders that have advanced a majority of the Loan then outstanding (a "majority in interest of the Lenders"), then on the Disbursement Date, each Lender shall loan to the Borrower such Lender's Proportionate Percentage of the amount requested by the Borrower, by wire transfer to the Borrower's account. The total amount outstanding with respect to each Lender shall not exceed such Lender's "Maximum Amount" as set forth opposite such Lender's name on Attachment 1, as such amount and Attachment 1 may be amended from time to time by agreement of the Lenders. Any amendment to any such Lender's Maximum Amount as previously agreed shall require the prior written consent of each Lender so affected.

2. Maturity. Unless maturity is accelerated as provided herein, the Loan shall be repaid in full upon the earliest to occur of: (i) one hundred twenty (120) days after the date hereof; (ii) any consolidation, merger, combination, reorganization or other similar transaction, or a series of related transactions, in which the Borrower is not the surviving entity

or as a result of which capital stock or membership interests, as the case may be, of the Borrower constituting in excess of 50% of the voting power of the Borrower are owned beneficially by persons or entities that were not stockholders or members, as the case may be, of the Borrower immediately prior to such transaction; (iii) any sale or other disposition of all or substantially all of the assets of the Borrower, in one transaction or a series of related transactions; or (iv) completion of a "Qualified Financing" (as defined in Section 14) (the date of the earliest of the foregoing being referred to as the "Maturity Date").

3. Note. The indebtedness outstanding under the Line of Credit to the Lenders shall be evidenced by promissory notes (the "Notes") payable to (i) Zions, with respect to the Initial Funding Amount, in the aggregate principal amount of \$500,000, and (ii) each of the Lenders, with respect to any future borrowings, in the aggregate principal amount of the Loan advanced by such Lender, each Note substantially in the form of Attachment 2 hereto.

4. Interest. The Borrower shall pay interest on the outstanding principal amount of the Loan, from and including the date on which the Loan or portion thereof is made until the date on which the Loan is paid in full at a rate equal to 7.5% per annum. Interest may be payable in cash or, at the option of a majority in interest of the Lenders following a Qualified Financing, in an amount of New Round Stock (as defined in Section 14) equal to the aggregate amount of accrued interest divided by the New Round Price (as defined in Section 14).

5. Prepayment. The Borrower may not prepay any or all amounts outstanding under the Loan without the prior written consent of a majority in interest of the Lenders.

6. Warrants. In consideration of the Lenders making each advance of the Loan to the Borrower, the Borrower shall issue to the Lenders five-year warrants (collectively, the "Warrants"), substantially in the form of Attachment 3 hereto, to purchase a number of shares of common stock (in the event of a Qualified Financing) or Preferred Interests (as defined in Section 14) (if no Qualified Financing shall have taken place) of the Borrower equal to (x) the aggregate principal amount of the Loan advance divided by (y) the New Round Price. The exercise price per share of each such Warrant shall be equal to the New Round Price. The Warrants shall not be exercisable until after the Maturity Date.

7. Payments and Notices.

(a) All payments of principal, interest and other amounts payable hereunder or under the Notes shall be made in United States dollars, in immediately available funds to the Lenders at the addresses referred to in subsection (c) below (or at such other place or in such other manner as the Lenders may specify from time to time), without set-off, recoupment, counterclaim or deduction of any kind.

(b) If any payment becomes due hereunder or under the Notes on a day which is not a Business Day, then such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of interest due.

(c) All notices and other communications hereunder shall be sent to:

(i) The Borrower at: Identrus LLC, 795 Folsom Street, First Floor, San Francisco, CA 94107, Attention: Chief Financial Officer, or at such other address or addresses as may have been furnished in writing by the Borrower to the Lender, with a copy to Sonnenschein Nath & Rosenthal LLP, 1221 Avenue of the Americas, New York, New York 10020, Attention Michael R. Flynn; or

(ii) The Lenders at the addresses set forth on Attachment 1, or at such other address or addresses as may have been furnished in writing by the Lenders to the Borrower.

8. Use of Proceeds. Unless otherwise approved by a majority in interest of the Lenders, all proceeds from the Loan are to be used for working capital. Without limiting the foregoing, no proceeds of the Loan will be used to acquire any security in any transaction which is subject to Sections 13 and 14 of the Securities Exchange Act of 1934, and no proceeds of the Loan will be used to purchase or carry any margin stock (as defined in Regulation U of the Board of Governors of the Federal Reserve System) or to extend credit to others for the purpose of purchasing or carrying any margin stock.

9. Conversion on Qualified Financing.

(a) In the case of a Qualified Financing, then, at the option of a majority in interest of the Lenders, either:

(i) The Loan shall be converted into a number of shares of New Round Stock equal to the aggregate principal and accrued interest on the Loan divided by the New Round Price, with such shares of New Round Stock being issued to the Lenders in accordance with the outstanding amounts of the Loan owing to each Lender or other applicable allocation; or

(ii) The Loan, together with any accrued interest, shall be repaid in cash by the Borrower in full upon the closing of the Qualified Financing.

(b) The amount of accrued interest shall be calculated as of the date the Qualified Financing closes. The Borrower shall give the Lenders reasonable written notice prior to the anticipated closing of a Qualified Financing.

(c) As a condition to receiving New Round Stock under this Section 9, the Lenders (or each Permitted Assignee) shall execute and deliver substantially the same documents as are executed and delivered by the investor(s) in the Qualified Financing.

10. Security Interest.

(a) General. As security for the payment and performance of the Loan, the Borrower hereby grants to the Lenders a Lien (defined in Section 14) and continuing security interest in, and pledges and assigns to the Lenders, all of its rights in the Collateral (defined in Section 14). The Lenders' security interest shall continually exist until (i) all Loans and other amounts owing to the Lenders in connection with the Loan and this Agreement have been paid in

full, and (ii) there exists no provision hereunder which could give rise to any Loans, whether or not all Loans shall at any time or from time to time be reduced to zero.

(b) Covenants and Representations Concerning Collateral. With respect to all of the Collateral, the Borrower covenants, warrants and represents that:

(i) No financing statement covering any of the Collateral is or will be on file in any public office or land or financing records except for financing statements in favor of the Lenders and the Borrower is the legal and beneficial owner of all of the Collateral, free and clear of all Liens other than Permitted Liens.

(ii) The security interest granted the Lenders hereunder shall at all times constitute a first priority Lien upon the Collateral other than Permitted Liens. The Borrower will not permit any Lien to be created or remain on any of the Collateral except for Permitted Liens.

(iii) The Borrower will maintain the Collateral in good order and condition, ordinary wear and tear excepted, and will use, operate and maintain the Collateral in compliance with all laws, regulations and ordinances and in compliance with all applicable insurance requirements and regulations. The Borrower will promptly notify the Lenders in writing of any litigation involving or affecting the Collateral which the Borrower knows or has reason to believe is pending or threatened. The Borrower will promptly pay when due all taxes and all transportation, storage, warehousing and other such charges and fees affecting or arising out of or relating to the Collateral and shall defend the Collateral, at the Borrower's expense, against all claims and demands of any persons claiming any interest in the Collateral adverse to the Borrower or the Lenders (other than the holders of Permitted Liens).

(iv) At all reasonable times the Lenders and their agents and designees may enter the business premises and any other premises of the Borrower (the "Business Premises") and inspect the Collateral and all books and records of the Borrower (in whatever form).

(v) The principal offices of the Borrower are located at 795 Folsom Street, 1st Floor, San Francisco, CA 94107 and 330 Fifth Avenue, 5th Floor, New York, NY 10001. The Borrower will not change its principal offices without the prior written consent of a majority in interest of the Lenders.

(vi) The Borrower agrees not to sell or assign its interest in, or grant any license under, any Collateral, without the prior written consent of a majority in interest of the Lenders, other than non-exclusive licenses of Intellectual Property and sales of Inventory in connection with the sale of Borrower's products and services to customers in the ordinary course consistent with past practice.

(vii) All books and records pertaining to the Collateral are located at the Business Premises and the Borrower will not change the location of such books and records without the prior written consent of a majority in interest of the Lenders.

(viii) Except for (A) any vehicles of the Borrower, (B) Collateral in transit to the Borrower or to customers of the Borrower, and (C) mobile goods of a type normally used in more than one jurisdiction, all of the Collateral is, and, unless a majority in interest of the Lenders shall consent otherwise in writing, shall remain located at the Business Premises.

(ix) The Borrower shall do, make, execute and deliver all such additional and further acts, things, deeds, assurances, instruments and documents as a majority in interest of the Lenders may request to vest in and assure to the Lenders their rights hereunder or in any of the Collateral, including, without limitation, (A) taking such actions as are necessary to perfect and create a first priority security interest in favor of the Lenders in all of the Collateral, (B) cooperating with the Lenders in obtaining control with respect to Collateral consisting of deposit accounts, investment property, letter-of-credit rights and electronic chattel paper, and (C) the execution and delivery of assignments of trademarks and powers of attorney in connection therewith, and the Borrower agrees to pay all taxes, fees and costs (including reasonable attorney's fees) paid or incurred by the Lenders in connection with the preparation and filing or recordation thereof. The Borrower hereby expressly authorizes the Lenders to file in such jurisdictions as a majority in interest of the Lenders shall determine any and all initial financing statements and amendments thereto which the Lenders may from time to time deem necessary or advisable to further evidence or perfect the Lenders' security interest in the Collateral. The Borrower shall not file any amendment, correction statement or termination statement with respect to any filed financing statement without the prior written consent of a majority in interest of the Lenders.

(x) A carbon, photographic or other reproduction of this Agreement or any financing statement signed by the Borrower in connection with this Agreement shall be sufficient as a financing statement.

(xi) The Borrower agrees that until the Loans shall have been satisfied in full and this Agreement shall have been terminated, the Borrower will not, without the prior written consent of a majority in interest of the Lenders, (A) consign any Collateral to any consignee, (B) store or place any Collateral with any warehouseman, artisan, processor, contractor or bailee, or (C) enter into any agreement (for example, a license agreement) which is inconsistent with the Borrower's obligations under this Agreement. The Borrower further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would materially adversely affect the validity or enforcement of the rights transferred to the Lenders under this Agreement.

11. Representations and Warranties. The Borrower represents and warrants to the Lenders as follows:

(a) Corporate Existence and Power. The Borrower is a limited liability company duly organized, validly existing and in good standing under the laws of the State of

Delaware, and has all limited liability company powers and all material governmental licenses, authorizations, consents and approvals required to carry on its business as now conducted.

(b) Corporate and Governmental Authorization: Contravention. The execution, delivery and performance by the Borrower of this Agreement and the Notes are within the Borrower's corporate powers, have been duly authorized by all necessary corporate action, require no action by or in respect of, or filing with, any governmental body, agency or official and do not contravene, or constitute a default under, any provision of applicable law or regulation or of the certificate of incorporation or by-laws of the Borrower or of any agreement, judgment, injunction, order, decree or other instrument binding upon the Borrower or result in the creation or imposition of any Lien on any asset of the Borrower (other than Liens in favor of the Lender).

(c) Binding Effect. This Agreement has been duly executed and delivered and constitutes, and the Notes, when executed and delivered in accordance with this Agreement, will constitute, legal, valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their respective terms.

(d) Intellectual Property. All of the patents, patent applications, registered trademarks, trademark applications, registered service marks, service mark applications, registered copyrights or copyright applications, owned by Buyer, are listed on the attached Schedule A.

12. Covenants. The Borrower agrees that, so long as the Line of Credit remains outstanding or any amount payable hereunder or under the Notes remains unpaid:

(a) The Borrower shall remain duly organized and in good standing under the laws of the State of Delaware.

(b) The Borrower shall not incur or suffer to exist any indebtedness for money borrowed except as consented to in writing by a majority in interest of the Lenders.

13. Events of Default. Upon the occurrence of any of the following events (each an "Event of Default"):

(i) Failure by the Borrower to make a payment when due of any principal or interest on the Loan;

(ii) Failure by the Borrower to perfect a first priority security interest in all of the Collateral in favor of Lenders promptly after the date of the first advance of the Loan hereunder, but in no event later than five business days from such date;

(iii) A default by the Borrower on any of its obligations or breach by the Borrower of any representations hereunder or under the Notes (other than payment obligations, which are governed by paragraph (i) above and certain obligations relative to the Collateral, which are governed by paragraph (ii) above), which default is not cured within five days after notice thereof is delivered to the Borrower;

(iv) The entry of any decree or order by a court having jurisdiction adjudging the Borrower a debtor or insolvent, or approving as properly filed a petition seeking reorganization of or in respect of the Borrower under the Bankruptcy Code or any other applicable federal or state law, the appointment of a receiver, liquidator, assignee, trustee or other similar official of the Borrower, or of any substantial part of the property of the Borrower, and the continuance of any such decree or order in effect for more than thirty (30) consecutive days;

(v) Institution by the Borrower of proceedings, under the Bankruptcy Code or any other applicable federal or state law, seeking an order for relief, or the consent of the Borrower to the institution of bankruptcy or insolvency proceedings against the Borrower, or the consent by the Borrower to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or other similar official of or for the Borrower or any substantial part of the property of the Borrower, or the making by the Borrower of any assignment for the benefit of creditors, or the admission by the Borrower of its inability to pay its debts generally as they become due, or the taking of any action by the Borrower in furtherance of any such action; or

(vi) The determination by a majority in interest of the Lenders (in good faith) that (A) the Borrower's business, assets, condition (financial or otherwise), operations or prospects are such that the Loan is subject to a significant risk of nonpayment or (B) there is a material diminution in or impairment of the value of the Collateral as of the date of the first advance hereunder, as determined by a majority in interest of the Lenders in good faith;

Borrower shall no longer be able to request further advances of the Loan hereunder and a majority in interest of the Lenders may declare the Loan, all interest thereon and all other amounts then outstanding hereunder or under the Notes to be, whereupon the same shall be immediately due and payable, without presentment, demand, protest or further notice of any kind, the same being hereby expressly waived by the Borrower; provided, that, in the case of an Event of Default specified in paragraph (iv) or (v) above, the foregoing acceleration and other actions shall occur automatically, without any notice by the Lenders. In any such case, a majority in interest of the Lenders may immediately exercise any remedies available to the Lenders under applicable law.

(vii) "Qualified Financing" means a transaction or series of transactions wherein the Borrower receives at least \$8,000,000 in immediately available funds from a sale of New Round Stock to one or more venture capital firms, other institutional or strategic investors, existing investors, or group of affiliated accredited investors.

15. Binding Effect. This Agreement and the Notes shall be binding upon and inure to the benefit of both parties hereto and their respective successors and assigns.

16. Assignment; Additional Lenders. This Agreement may not be assigned by the Borrower without the prior written consent of a majority in interest of the Lenders. Any Lender may assign its rights to repayment hereunder to any person or assign its right to make advances of the Loan hereunder to an affiliated entity or to another third party reasonably acceptable to a majority in interest of the other Lenders. At any time, the existing Lenders hereunder may, at the sole discretion of a majority in interest of the Lenders, permit one or more additional parties to advance Loans to the Borrower hereunder. In such case: (1) any such party shall sign a counterpart signature page to this Agreement, (2) such party shall thereupon be joined to this Agreement as though a Lender and an original signatory hereto, and (3) the

Lenders shall agree among themselves as to the revised amount of Proportionate Percentages and revised Maximum Amounts allocable to each of them, and Attachment 1 hereto shall be revised accordingly.

18. Amendments and Waivers. No provision of this Agreement or the Notes may be amended or waived without the prior written consent of a majority in interest of the Lenders and the Borrower.

19. Costs. The Borrower agrees to pay, on demand, the reasonable out of pocket fees and expenses incurred by the Lenders in connection with (1) the negotiation or execution of this Agreement, the Notes and the Warrants, (2) the preparation, execution or filing of any documents in connection with the perfection of the security interest granted hereunder and (3) the enforcement of their respective rights hereunder and under such other documents and agreements.

20. Governing Law. This Agreement and the Notes shall be governed by and construed in accordance with the law of the State of Delaware.

21. Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE NOTE OR THE TRANSACTIONS CONTEMPLATED HEREBY.

22. No Waivers. No failure or delay by the Lenders in exercising any right, power or privilege hereunder or under the Notes shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.
