TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (as amended, restated or otherwise modified from time to time, this "Agreement") is entered into as of April 29, 2005 by and between BIRCH TELECOM FINANCE, INC., a Delaware corporation (the "Borrower"), BIRCH TELECOM, INC. (the "Company") the Grantors named on the signature pages hereof (together with the Borrower and the Company, the "Grantors") and BANK OF AMERICA, N.A., as contractual representative (the "Administrative Agent") on behalf of itself and on behalf of the Lenders (as such term is defined in the below described Credit Agreement).

WITNESSETH:

WHEREAS, the Borrower, Company, the Administrative Agent and certain financial institutions (the "Lenders") are parties to that certain Liquidity Credit Agreement dated as of the date hereof (as the same may hereafter be modified, amended, restated or supplemented from time to time, the "Credit Agreement"), pursuant to which the Lenders may, from time to time, make loans, advances, and other financial accommodations to or for the benefit of the Borrower;

WHEREAS, the Grantors and the Administrative Agent have entered into a certain Guarantee and Collateral Agreement dated as of the date hereof (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement"), pursuant to which such Grantors have agreed to guarantee all of the Obligations (as defined therein) upon the terms and conditions set forth therein and pursuant to which each Grantor has granted a security interest in substantially all of its assets to the Administrative Agent for the benefit of the Administrative Agent and the Lenders; and

WHEREAS, the Lenders have required the Grantors to execute and deliver this Agreement in order to secure the prompt and complete payment, observance and performance of all of the Obligations;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

1. Defined Terms.

(i) Unless otherwise defined herein, each capitalized term used herein that is defined in the Credit Agreement shall have the meaning specified for such term in the Credit Agreement. Unless otherwise defined herein or in the Credit Agreement, each capitalized term used herein that is defined in the Credit Agreement shall have the meaning specified for such term in the Credit Agreement, or, if not defined therein, the meaning specified for such term in the Guarantee and Collateral Agreement.

(ii) The words “hereof,” “herein” and “hereunder” and words of like import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section references are to this Agreement unless otherwise specified.

(iii) All terms defined in this Agreement in the singular shall have comparable meanings when used in the plural, and vice versa, unless otherwise specified.

2. Incorporation of Premises. The premises set forth above are incorporated into this Agreement by this reference thereto and are made a part hereof. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Administrative Agent, on behalf of itself and the Lenders, pursuant to the Guarantee and Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark, Licenses and other collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

3. Security Interest in Trademarks. To secure the complete and timely payment, performance and satisfaction of all of the Obligations, each Grantor hereby grants, assigns, conveys, mortgages, pledges, hypothecates and transfers to the Administrative Agent, for itself and for the ratable benefit of the Lenders, a security interest in, to and under the following property now owned by or owning to, or at any time hereafter acquired by or arising in favor of such Grantor (including under any trade names, styles or derivations thereof) and whether consigned by or to, or leased from or to, such Grantor, and regardless of where located, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor’s Obligations:

(i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or, acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to in Schedule A attached hereto, and (ii) the right to obtain all renewals thereof (collectively referred to as the “Trademarks”); and

(ii) any agreement, whether written or oral, providing for the grant by or to any Grantor of any right to use any Trademark, including, without limitation, any of the foregoing referred to in Schedule B (collectively referred to as the “Licenses”).

Notwithstanding the foregoing or anything herein or in any other Credit Document to the contrary, nothing hereunder or thereunder constitutes or shall be deemed to constitute the grant of a security interest in favor of the Administrative Agent or any Lender with respect to such Grantor’s interest in any Trademark or License, contract

right, license agreement, or any other general intangible (each such Trademark, License, contract right, license agreement and other general intangible being hereinafter referred to as "Excluded Property"), if the granting of a security interest therein by such Grantor to the Administrative Agent or any Lender is prohibited by the terms and provisions of the agreement, document or instrument creating, evidencing or granting a security interest in such Excluded Property or rights related thereto, or would otherwise result in the abandonment, invalidation or unenforceability of the Trademark or License constituting such Excluded Property; provided, however, that if and when the prohibition which prevents the granting by such Grantor to the Administrative Agent of a security interest in any Excluded Property is removed or otherwise terminated, the Administrative Agent will be deemed to have, and at all times to have had, a security interest in such Excluded Property.

4. Nature and Continuation of the Administrative Agent's Security Interest; Termination of the Administrative Agent's Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks and Licenses and shall terminate only when the Obligations have been paid in full and the Credit Agreement and the other Credit Documents have been terminated. When this Agreement has terminated, the Administrative Agent shall promptly execute and deliver to each Grantor, at such Grantor's expense, all termination statements and other instruments and take such other actions as may be necessary or proper to terminate the Administrative Agent's security interest in the Trademarks and the Licenses, subject to any disposition thereof which may have been made by the Administrative Agent pursuant to this Agreement or the Guarantee and-Collateral Agreement.

5. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable. If any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

6. Modification. This Agreement cannot be altered, amended or modified in any way, except in accordance with Section 9.1 of the Credit Agreement.

7. Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Grantor (including any debtor-in-possession on behalf of such Grantor) and shall bind all persons who become bound as a debtor to this Agreement and shall inure to the benefit of the Administrative Agent and the Lenders and their successors and assigns; *provided however* that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent.

8. Governing Law. This Agreement shall be construed in accordance with the internal laws of the State of New York.

9. Notices. All notices or other communications hereunder shall be given in the manner and to the addresses set forth in the Credit Agreement and the Guarantee and Collateral Agreement.

10. Section Titles. The section titles herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

11. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

12. Merger. This Agreement represents the final agreement of each Grantor and the Administrative Agent with respect to the matters contained herein and may not be contradicted by evidence of prior or contemporaneous agreements, or subsequent oral agreements, between any Grantor and the Administrative Agent or any Lender.

The remainder of this page is intentionally blank.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
