~~CONFIDENTIAL~~

## 2. ASSET TRANSFER

On the terms and subject to the conditions set forth herein, the Seller shall, with effect from the Closing Date, sell, transfer, assign and deliver, or cause the Company to sell, transfer, assign and deliver, all of its right, title and interest in the Transferred Assets to the Buyer, and the Buyer shall purchase and acquire all the right, title and interest to the Transferred Assets, with all risk of loss and damage to pass with title, for a total of States Dollars (US\$ 1) (the "Purchase Price"). The Purchase Price shall be paid by the Buyer by wire transfer of immediately available funds to an account specified by the Seller on July 31, 2003 (unless the Buyer and Seller agree in writing to a different method of payment).

#### 4.2 THINK Brand and Trademarks

For purposes of this Section 4.2, Seller's knowledge shall mean the knowledge of the members of the trademark group of the Seller's wholly-owned subsidiary, Ford Global Technologies, Inc., located in Dearborn, Michigan and not otherwise.

To the best of Seller's knowledge, Seller represents that Schedule 1 is true and correct and is a complete and accurate list of all THINK Brand and Trademarks.

To the best of Seller's knowledge, Seller represents that Schedule 5 is true and correct and is a complete and accurate list of the pending conflicts relating to the THINK Brand and Trademarks. Except as disclosed on Schedule 5, to the best of Seller's knowledge, the THINK Brand and Trademarks have not been infringed by any Third Party.

All costs incurred in connection with the THINK Brand and Trademarks, including but not limited to costs for application, maintenance and defense of such, up until the Closing Date shall be borne and paid for by the Seller. All costs incurred in connection with the THINK Brand and Trademarks, including but not limited to costs for application, maintenance and defense of such, after the Closing Date shall be borne and paid for by the Buyer. Except for ordinary periodical registration fees to public registers, the Buyer is not responsible for any costs or fees for services ordered by Seller, unless the Seller in writing provides the Buyer with information on any such obligations and the Buyer does not within 7 days thereafter in writing reject to take over the obligation.

Upon Buyer's request, Seller will promptly execute any documents that Buyer determines are necessary to confirm Seller's interest in the THINK Brand and Trademarks and to cooperate with Buyer to do any lawful acts necessary to carry out the intent of the assignment of the THINK Brand and Trademarks to Buyer. All costs incurred in connection with the assignment and recording of the transfer of the THINK Brand and Trademarks to Buyer (which Buyer shall use its best efforts to accomplish within ninety (90) days after the Closing Date) shall be borne and paid for by the Buyer. The Buyer may cancel some of the THINK Brand and Trademarks, if the Buyer finds that the transfer fees do exceed the value of such brand or trademark. Seller shall have no obligation to notify Buyer with respect to any notices or correspondence received by Seller with respect to the THINK Brand and Trademarks after ninety (90) days from the Closing Date.

All costs incurred in connection with the pending conflicts relating to the THINK Brand and Trademarks up until the Closing Date shall be borne and paid for by the Seller. All costs incurred in connection with the pending conflicts relating to the THINK Brand and Trademarks after the Closing Date shall be borne and paid for by the Buyer. The Buyer is not responsible for any costs

or fees for services ordered by Seller unless the Seller in writing provides the Buyer with information on any such obligations and the Buyer does not within 7 days thereafter in writing reject to take over the obligation.

It is expressly agreed that Seller makes no other warranties with respect to the THINK Brand and Trademarks. By way of example (but not meant to be all inclusive) Seller does not warrant or represent that it is the exclusive owner of the THINK Brand and Trademarks, and Buyer waives any implied warranty to this effect.

The THINK Brand and Trademarks will not be further prosecuted, processed, developed, or modified by Seller in any way following the Closing Date, and is provided to Buyer on an "as is" basis without any warranties, expressed or implied (other than as expressly set forth in this Section 4.2). Without limitation on the preceding sentence, any implied warranty of merchantability or fitness for a particular purpose or use is expressly excluded by agreement of the Parties from this Agreement.

IN WITNESS WHEREOF, the Parties have entered into this Asset Transfer and License Agreement on the day and year first written above.
