TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT ("Agreement"), dated as of March 30, 2005, is entered into by and between each Grantor listed on the signature pages hereto (collectively, the "Grantors") and Wells Fargo Bank, National Association, a national banking association located at 100 West Washington Street, Phoenix, Arizona 85003 (the "Assignee"), as Collateral Agent pursuant to that certain Pledge and Security Agreement, dated as of March 30, 2005, between the Assignee and each of the Grantors (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), and pursuant to that certain Credit and Guaranty Agreement, dated as of March 30, 2005, among Fender Musical Instruments Corporation, the Guarantors party thereto, certain Lenders and agents party thereto (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement").

Capitalized terms not otherwise defined herein have the respective meanings ascribed to them in the Security Agreement or the Credit Agreement, as applicable.

WHEREAS, pursuant to the Security Agreement, each Grantor is granting a security interest to the Assignee in certain Collateral, including the Trademarks set forth on Schedule A hereto.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each of the Grantors and the Assignee hereby agree as follows:

1. Grant of Security Interest

(a) Each Grantor hereby grants to Assignee a security interest and continuing lien on all of such Grantor's right, title and interest in, to and under the Trademarks, whether now owned or existing or hereafter acquired or arising and wherever located, as collateral security for the prompt and complete payment or performance in full when due, whether at the stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a) (and any successor provision thereof)), of all of the Secured Obligations with respect to each Grantor.

(b) Schedule A hereto contains a true and accurate list of all of each Grantor's United States Trademark applications and registrations.

(c) The security interest granted hereby is granted in conjunction with the security interest granted to the Assignee under the Security Agreement. The rights and remedies of the Assignee with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement (which is deemed incorporated by reference herein) and those which are now or hereafter available to the Assignee as a matter of law or equity. The exercise by the Assignee of any one or more of the rights, powers or remedies provided for in this Agreement, in the Security Agreement, or now or hereafter existing at law or in equity shall not preclude the simultaneous or later exercise by any person, including the Assignee, of any or all other rights, powers or remedies.

2. Modifications

This Agreement or any provision hereof may not be changed, waived, or terminated except in accordance with the amendment provisions of the Credit Agreement. Notwithstanding the foregoing, each Grantor authorizes the Assignee, upon notice to such Grantor, to modify this Agreement in the name of and on behalf of such Grantor without obtaining such Grantor's signature to such modification, to the extent that such modification constitutes an amendment of Schedule A, to add any right, title or interest in any Trademark owned or subsequently acquired by such Grantor. Each Grantor additionally agrees to execute any additional agreement or amendment hereto as may be required by the Assignee from time to time, to subject any such owned or subsequently acquired right, title or interest in any Trademark to the liens and perfection created or contemplated hereby or by the Security Agreement.

3. Applicable Law

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PROVISIONS.

4. Counterparts

This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[SIGNATURE PAGE FOLLOWS]
