4. Representations, Warranties and Covenants. Grantors, and each of them, represent, warrant and agree that:

(a) All of the existing Collateral is valid and subsisting in full force and effect, and each Grantor owns the sole, full, and clear title to its respective portion of the existing Collateral, and the right and power to grant the security interests granted hereunder. Grantors will, at their expense, perform all acts and execute all documents necessary to maintain the existence of the Collateral as valid, subsisting, and registered trademarks, including, without limitation, the filing of any renewal affidavits and applications. The Collateral is not subject to any Liens, claims, mortgages, assignments or licenses of any nature whatsoever, whether recorded or unrecorded, except as permitted by the Loan Agreement or Note Purchase Agreements.

(b) As of the date hereof, none of Grantors has any Trademarks registered, or subject to pending applications, in the USPTO, or any similar office or agency in the United States or Canada other than those described in Schedule 1.

(c) Except as listed on Schedule 2, to the best of Grantors' knowledge, there are no actions, suits, proceedings or investigations pending or threatened in writing against any Grantor before any Governmental Agency which, if determined adversely to such Grantor, would cause the Collateral, or any portion thereof, to be adjudged invalid or unenforceable, in whole or in part.

(d) No Grantor shall assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or Lien upon, encumber, grant an exclusive or nonexclusive license or sublicense relating thereto, except as permitted herein or in the Loan Agreement or Note Purchase Agreements, or otherwise dispose of, any of the Collateral without the prior written consent of Secured Party. Nothing in this Agreement shall be deemed a consent by Secured Party to any such action, except as such action is expressly permitted hereunder.

(e) No Grantor shall file any application for the registration of a trademark with the USPTO or any similar office or agency in the United States, or any State therein, or Canada or any Province thereof, unless such Grantor has, by thirty (30) days' prior written notice, informed Secured Party of such action. Upon request of Secured Party, Grantors shall execute and deliver to Secured Party any and all assignments, agreements, instruments, documents, and such other papers as may be requested by Secured Party to evidence the grant of a security interest in such trademark to Secured Party. Each Grantor authorizes Secured Party to modify this Agreement by amending Schedule 1 to include any new trademark or service mark, and any trademark or service mark renewal of any Grantor applied for and obtained hereafter.

(f) No Grantor has abandoned any of the Trademarks, and no Grantor will do any act, or omit to do any act, whereby the Trademarks may become abandoned, canceled, invalidated, unenforceable, avoided, or avoidable. Each Grantor shall notify Secured Party

immediately if it knows, or has reason to know, of any reason why any application, registration, or recording may become abandoned, canceled, invalidated, or unenforceable.

(g) Grantors will render any assistance, as Secured Party may reasonably determine is necessary, to Secured Party in any proceeding before the USPTO, any federal or state court, or any similar office or agency in the United States, or any State therein, to maintain the Trademarks and to protect Secured Party's security interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability, and opposition, interference, and cancellation proceedings.

(h) Each Grantor will promptly notify Secured Party if such Grantor (or any Affiliate or Subsidiary thereof) learns of any material use by any Person of any term or design likely to cause confusion with any of the Trademarks, or of any material use by any Person of any other process or product which infringes upon any of the Trademarks. If requested by Secured Party, Grantors, at their expense, shall join with Secured Party in such action as Secured Party in Secured Party's discretion, may reasonably deem advisable for the protection of Secured Party's interest in and to the Trademarks.

(i) Grantors assume all responsibility and liability arising from the use of the Trademarks, and each Grantor hereby indemnifies and holds Secured Party harmless from and against any claim, suit, loss, damage, or expense (including reasonable attorneys' fees) arising out of any alleged defect in any product manufactured, promoted, or sold by any Grantor (or any Affiliate or Subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale, or advertisement of any such product by any Grantor or any Affiliate or Subsidiary thereof; provided that Secured Party shall not be entitled to indemnification for any loss caused by its own gross negligence or willful misconduct or for any loss arising out of any alleged defect in any product manufactured by Secured Party in connection with any Trademark.

(j) Grantors shall promptly notify Secured Party in writing of any adverse determination in any proceeding in the USPTO or any other foreign or domestic Governmental Agency, court or body, regarding any Grantor's claim of ownership in any of the Trademarks. In the event of any material infringement of any of the Trademarks by a third party, Grantors shall promptly notify Secured Party of such infringement and sue for and diligently pursue damages for such infringement. If any Grantor shall fail to take such action within one (1) month after such notice is given to Secured Party, Secured Party may, but shall not be required to, itself take such action in the name of any or all Grantors, and each Grantor hereby appoints Secured Party the true and lawful attorney of Grantors, for them and in their name, place and stead, on behalf of Grantors, to commence judicial proceedings in any court or before any other tribunal to enjoin and recover damages for such infringement, any such damages due to Grantors, net of costs and reasonable attorneys' fees, to be applied to the Secured Obligations.

(k) Each Grantor shall, at its sole expense, do, make, execute and deliver all such additional and further acts, things, deeds, assurances, and instruments, in each case in form and substance satisfactory to Secured Party, relating to the creation, validity, or perfection of the security interests provided for in this Agreement under 35 U.S.C. Section 261, 15 U.S.C. Section 1051 et seq., the Uniform Commercial Code or other Law of the United States, the State of California, or other States as Secured Party may from time to time reasonably request, and

shall take all such other action as the Secured Party may reasonably require to perfect Secured Party's security interest in any of the Collateral and to completely vest in and assure to Secured Party its rights hereunder or in any of the Collateral, and each Grantor hereby irrevocably authorizes Secured Party or its designee, at such Grantor's expense, upon such Grantor's failure to do so upon request therefor by Secured Party if no Default or Event of Default has occurred and is continuing, and at all times if a Default or Event of Default has occurred and is continuing, to execute such documents, and file such financing statements with respect thereto with or without such Grantor's signature, as Secured Party may reasonably deem appropriate. In the event that any recording or refile (or the filing of any statement of continuation or assignment of any financing statement) or any other action, is required at any time to protect and preserve such security interests, Grantors shall, at their sole cost and expense, cause the same to be done or taken at such time and in such manner as may be necessary and as may be reasonably requested by Secured Party. Each Grantor further authorizes Secured Party to have this or any other similar security agreement recorded or filed with the Commissioner of Patents and Trademarks or other appropriate federal, state or government office.

(l) Secured Party is hereby irrevocably appointed by each Grantor as its lawful attorney and agent, with full power of substitution to execute and deliver on behalf of and in the name of any or all Grantors, such financing statements, pledges and other documents and agreements, and to take such other action as Secured Party may deem necessary for the purpose of perfecting, protecting or effecting the security interests granted herein and effected hereby, and any mortgages or Liens necessary or desirable to implement or effectuate the same, under any applicable Law, and Secured Party is hereby authorized to file on behalf of and in the name of any or all Grantors, at Grantors' sole expense, such financing statements, documents, and agreements in any appropriate governmental office; provided, however, that (i) if no Default or Event of Default has occurred and is continuing, Secured Party shall only be entitled to exercise the rights set forth in this section as to each Grantor upon such Grantor's failure to perform the applicable action following request therefor by Secured Party, and (ii) Secured Party shall be entitled to exercise the rights set forth in this section as to each Grantor, without notice to, or request being made upon, such Grantor, at all times if a Default or Event of Default has occurred and is continuing.

(m) Secured Party may, in its sole discretion, pay any amount, or do any act which Grantors fail to pay or do as reasonably required hereunder or as requested by Secured Party to preserve, defend, protect, maintain, record, amend, or enforce the Secured Obligations, the Collateral, or the security interest granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, and reasonable attorneys' fees. Grantors will be liable to Secured Party for any such payment, which payment shall be payable on demand, together with interest at the rate(s) set forth in the Note Purchase Agreements, and shall be part of the Secured Obligations.

5. Retention of Rights. Unless and until there shall have occurred and be continuing an Event of Default, each Grantor shall retain the right to use such Grantor's portion of the Collateral in the ordinary course of such Grantor's business.

6. Events of Default. There shall be an Event of Default hereunder upon the occurrence and during the continuance of an Event of Default under the ACS Junior

Subordinated Note Purchase Agreement or the ACS Senior Subordinated Note Purchase Agreement.

7. Rights and Remedies. Upon the occurrence and during the continuance of any such Event of Default, and at any time thereafter, in addition to all other rights and remedies of Secured Party, whether provided under Law, the Note Purchase Agreements or otherwise, Secured Party shall have the following rights and remedies which may be exercised without notice to, or consent by, any Grantor, except as such notice or consent is expressly provided for hereunder.

(a) Secured Party may use any of the Trademarks for the sale of goods, completion of work in process, or rendering of services in connection with enforcing any security interest granted to Secured Party by Grantors.

(b) Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions and in such manner, as Secured Party shall, in its sole discretion, deem appropriate. Such license or licenses may be general, special, or otherwise, and may be granted on an exclusive or nonexclusive basis throughout all or part of the United States of America, its territories and possessions, and all foreign countries.

(c) Secured Party may assign, sell, or otherwise dispose of the Collateral, or any part thereof, either with or without special conditions or stipulations, except that Secured Party agrees to provide Grantors with seven (7) days' prior written notice of any proposed disposition of the Collateral. The requirement of sending notice conclusively shall be met if such notice is mailed, first class mail, postage prepaid, to the Company, on behalf of all Grantors. Each Grantor hereby irrevocably appoints the Company as its agent for the purpose of receiving notice of sale hereunder, and agrees that such Grantor conclusively shall be deemed to have received notice of sale when notice of sale has been given to the Company. Each Grantor expressly waives any right to receive notice of any public or private sale of any Collateral or other security for the Secured Obligations except as expressly provided in this Section 7(c). Secured Party shall have the power to buy the Collateral, or any part thereof, in accordance with applicable Law, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in Secured Party's sole discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, Grantors shall be liable for any deficiency in accordance with applicable Law.

(d) In addition to the foregoing, in order to implement the assignment, sale or other disposition of any of the Collateral pursuant to Section 7(c) hereof, Secured Party may, at any time, execute and deliver, on behalf of Grantors, and each of them, pursuant to the authority granted in powers of attorney, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Grantors agree to pay Secured Party, on demand, all costs incurred in any such transfer of the Collateral, including, but not limited to any taxes, fees, and reasonable attorneys' fees.

(e) Secured Party may apply the proceeds actually received from any such license, assignment, sale, or other disposition of Collateral first to the reasonable costs and

expenses thereof, including, without limitation, reasonable attorneys' fees and all legal, travel, and other expenses which may be incurred by Secured Party. Thereafter, Secured Party may apply any remaining proceeds to such of the Secured Obligations as provided in the Note Purchase Agreements. Grantors shall remain liable to Secured Party for any expenses or Secured Obligations remaining unpaid after the application of such proceeds, and Grantors will pay Secured Party, on demand, any such unpaid amount, together with interest at the rate(s) set forth in the Note Purchase Agreements.

(f) If any such license, assignment, sale, or other disposition of the Collateral (or any part thereof) is made, Grantors shall supply to Secured Party, or Secured Party's designee, Grantors' knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and Grantors' customer lists and other records relating to the Trademarks and the distribution thereof.

(g) Each Grantor hereby waives any and all rights that it may have to a judicial hearing, if any, in advance of the enforcement of any of Secured Party's rights hereunder, including, without limitation, its rights following any Event of Default to take immediate possession of the Collateral and exercise its rights with respect thereto.

Nothing contained herein shall be construed as requiring Secured Party to take any such action at any time. All of Secured Party's rights and remedies, whether provided under Law, the Note Purchase Agreements, this Agreement, or otherwise shall be cumulative, and none is exclusive of any right or remedy otherwise provided herein or in any of the other ACS Subordinated Documents, at Law or in equity. Such rights and remedies may be enforced alternatively, successively, or concurrently.

8. Waivers and Consents. Each Grantor acknowledges that the Liens created or granted herein will or may secure ACS Subordinated Obligations of Persons other than such Grantor and, in full recognition of that fact, each Grantor consents and agrees that Secured Party may, at any time and from time to time, without notice or demand, and without affecting the enforceability or security hereof: (a) supplement, modify, amend, extend, renew, accelerate or otherwise change the time for payment or the terms of the Secured Obligations or any part thereof, including any increase or decrease of the rate(s) of interest thereon, in each case in accordance with the terms of the applicable ACS Subordinated Documents; (b) supplement, modify, amend or waive, or enter into or give any agreement, approval or consent with respect to, the Secured Obligations or any part thereof, or any of the ACS Subordinated Documents or any additional security or guaranties, or any condition, covenant, default, remedy, right, representation or term thereof or thereunder; (c) accept new or additional instruments, documents or agreements in exchange for or relative to any of the ACS Subordinated Documents or the Secured Obligations or any part thereof; (d) accept partial payments on the Secured Obligations; (e) receive and hold additional security or guaranties for the Secured Obligations or any part thereof; (f) release, reconvey, terminate, waive, abandon, fail to perfect, subordinate, exchange, substitute, transfer and/or enforce any security or guaranties, and apply any security and direct the order or manner of sale thereof as Secured Party in its sole and absolute discretion may determine; (g) release any Person from any personal liability with respect to the Secured Obligations or any part thereof; (h) settle, release on terms satisfactory to Secured Party or by operation of applicable Laws or otherwise liquidate or enforce any Secured Obligations and any

security or guaranty in any manner, consent to the transfer of any security and bid and purchase at any sale; and/or (i) consent to the merger, change or any other restructuring or termination of the corporate or other existence of any Grantor or any other Person, and correspondingly restructure the Secured Obligations, and any such merger, change, restructuring or termination shall not affect the liability of any Grantor or the continuing existence of any Lien hereunder, under any other ACS Subordinated Document to which any Grantor is a party or the enforceability hereof or thereof with respect to all or any part of the Secured Obligations.

Upon the occurrence and during the continuance of any Event of Default, Secured Party may enforce this Agreement independently as to each Grantor and independently of any other remedy or security Secured Party at any time may have or hold in connection with the Secured Obligations, and it shall not be necessary for Secured Party to marshal assets in favor of any Grantor or any other Person or to proceed upon or against and/or exhaust any other security or remedy before proceeding to enforce this Agreement. Each Grantor expressly waives any right to require Secured Party to marshal assets in favor of any Grantor or any other Person or to proceed against any other Grantor or other Party or any Collateral provided by any other Grantor or other Party, and agrees that Secured Party may proceed against Grantors and any other Party and/or the Collateral in such order as it shall determine in its sole and absolute discretion. Secured Party may file a separate action or actions against any Grantor, whether action is brought or prosecuted with respect to any other security or against any other Grantor or any other Person, or whether any other Person is joined in any such action or actions. Each Grantor agrees that Secured Party, Company and any Affiliate of Company or any other Party may deal with each other in connection with the Secured Obligations or otherwise, or alter any contracts or agreements now or hereafter existing between any of them, in any manner whatsoever, all without in any way altering or affecting the security of this Agreement. Secured Party's rights hereunder shall be reinstated and revived, and the enforceability of this Agreement shall continue, with respect to any amount at any time paid on account of the Secured Obligations which thereafter shall be required to be restored or returned by Secured Party upon the bankruptcy, insolvency or reorganization of any Grantor or other Party or otherwise, all as though such amount had not been paid. Each Grantor agrees that the Liens created or granted herein and the enforceability of this Agreement at all times shall remain effective, as to such Grantor, to secure the full amount of all the Secured Obligations even though the Secured Obligations, including any part thereof or any other security or guaranty therefor, may be or hereafter may become invalid or otherwise unenforceable as against any other Grantor or other Party and whether or not any other Grantor or other Party shall have any personal liability with respect thereto. Each Grantor expressly waives any and all defenses now or hereafter arising or asserted by reason of (a) any disability or other defense of Company or any other Grantor or other Party with respect to the Secured Obligations, (b) the unenforceability or invalidity of any security or guaranty for the Secured Obligations or the lack of perfection or continuing perfection or failure of priority of any security for the Secured Obligations (other than any security or guaranty given by such Grantor), (c) the cessation for any cause whatsoever of the liability of Company or any other Grantor or other Party (other than by reason of the full payment and performance of all Secured Obligations), (d) any failure of Secured Party to marshal assets in favor of any Grantor or any other Person, (e) except as otherwise provided in this Agreement, any failure of Secured Party to give notice of sale or other disposition of Collateral to any Grantor or any other Person or any defect in any notice that may be given in connection with any sale or disposition of Collateral, (f) any act or omission of Secured Party or

others that directly or indirectly results in or aids the discharge or release of Company or any other Grantor or other Party or the Secured Obligations or any other security or guaranty therefor by operation of Law or otherwise, other than through the gross negligence or willful misconduct of Secured Party, (g) any Law which provides that the obligation of a surety or guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal or which reduces a surety's or guarantor's obligation in proportion to the principal obligation, (h) any failure of Secured Party to file or enforce a claim in any bankruptcy or other proceeding with respect to any Person, (i) the election by Secured Party, in any bankruptcy proceeding of any Person, of the application or non-application of Section 1111(b)(2) of the United States Bankruptcy Code, (j) any extension of credit or the grant of any Lien under Section 364 of the United States Bankruptcy Code, (k) any use of cash collateral under Section 363 of the United States Bankruptcy Code, (l) any agreement or stipulation with respect to the provision of adequate protection in any bankruptcy proceeding of any Person, (m) the avoidance of any Lien in favor of Secured Party for any reason (other than, as to each Grantor, the avoidance of the Lien granted by such Grantor pursuant to this Agreement), (n) any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Person, including any discharge of, or bar or stay against collecting, all or any of the Secured Obligations (or any interest thereon) in or as a result of any such proceeding, (o) to the extent permitted, the benefits of any form of one-action rule under any applicable Law, or (p) any action taken by Secured Party that is authorized by this Section 8 or any other provision of any ACS Subordinated Document. Each Grantor waives all rights and defenses arising out of an election of remedies by Secured Party, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for the Obligations has destroyed such Grantor's rights of subrogation and reimbursement against the principal by the operation of Section 580d of the California Code of Civil Procedure or otherwise. Each Grantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Secured Obligations, and all notices of acceptance of this Agreement or of the existence, creation or incurring of new or additional Secured Obligations.

9. Condition of Company and Its Subsidiaries and Other Parties. Each Grantor represents and warrants to Secured Party that such Grantor has established adequate means of obtaining from Company, its Subsidiaries and the other Parties, on a continuing basis, financial and other information pertaining to the businesses, operations and condition (financial and otherwise) of Company and its Subsidiaries, and the other Parties, and their Properties, and such Grantor now is and hereafter will be completely familiar with the businesses, operations and condition (financial and otherwise) of Company and its Subsidiaries, and the other Parties, and their Properties. Each Grantor hereby expressly waives and relinquishes any duty on the part of Secured Party (should any such duty exist) to disclose to such Grantor any matter, fact or thing related to the businesses, operations or condition (financial or otherwise) of Company or its Subsidiaries, or any other Party, or their Properties, whether now known or hereafter known by Secured Party during the life of this Agreement. With respect to any of the Secured Obligations, Secured Party need not inquire into the powers of Company or any Subsidiaries thereof or any other Party or the officers or employees acting or purporting to act on their behalf, and all Secured Obligations made or created in good faith reliance upon the professed exercise of such powers shall be secured hereby.

10. Waiver of Rights of Subrogation. Notwithstanding anything to the contrary elsewhere contained herein or in any other ACS Subordinated Document to which any Grantor is a party, until all of the Secured Obligations have been paid in full, Grantors hereby waive with respect to the other Parties and their successors and assigns (including any surety) and any other Person, any and all rights at Law or in equity to subrogation, to reimbursement, to exoneration, to contribution, to setoff or to any other rights that could accrue to a surety against a principal, to a guarantor against a maker or obligor, to an accommodation party against the party accommodated, or to a holder or transferee against a maker and which Grantors may have or hereafter acquire against any other Party or any other Person in connection with or as a result of Grantors' execution, delivery and/or performance of this Agreement or any other ACS Subordinated Document to which any Grantor is a party. Grantors agree that, until all of the Secured Obligations have been paid in full, they shall not have or assert any such rights against any other Party or its successors and assigns or any other Person (including any surety) which is directly or indirectly a creditor of any other Party or any surety for any other Party, either directly or as an attempted setoff to any action commenced against Grantors by any other Party or any other Person. Grantors hereby acknowledge and agree that this waiver is intended to benefit Secured Party and shall not limit or otherwise affect Grantors' liability hereunder, under any other ACS Subordinated Document to which any Grantor is a party, or the enforceability hereof or thereof. Until such time, if any, as all of the Secured Obligations have been paid and performed in full, each Grantor expressly waives any right to enforce any remedy that Secured Party now has or hereafter may have against any other Person and waives the benefit of, or any right to participate in, any Collateral now or hereafter held by Secured Party.

11. Waiver of Discharge. Without limiting the generality of the foregoing, each Grantor hereby waives discharge by waiving all defenses based on suretyship or impairment of collateral.

12. Understandings with Respect to Waivers and Consents. Grantors and each of them warrant and agree that each of the waivers and consents set forth herein is made after consultation with legal counsel and with full knowledge of its significance and consequences, with the understanding that events giving rise to any defense or right waived may diminish, destroy or otherwise adversely affect rights which Grantors otherwise may have against Company, Secured Party or others, or against Collateral, and that, under the circumstances, the waivers and consents herein given are reasonable and not contrary to public policy or Law. If any of the waivers or consents herein are determined to be contrary to any applicable Law or public policy, such waivers and consents shall be effective to the maximum extent permitted by Law.

13. Costs and Expenses.

(a) Grantors will pay any and all charges, costs and taxes incurred in implementing or subsequently amending this Agreement, including, without limitation, recording and filing fees, appraisal fees, stamp taxes, and reasonable fees and disbursements of Secured Party's counsel incurred by Secured Party, and the allocated cost of in-house counsel to Secured Party, in connection with this Agreement, and in the enforcement of this Agreement and in the enforcement or foreclosure of any Liens, security interests or other rights of Secured Party under

this Agreement, or under any other documentation heretofore, now, or hereafter given to Secured Party in furtherance of the transactions contemplated hereby.

(b) Grantors agree to reimburse Secured Party for and indemnify it against, any and all losses, expenses and liabilities (including liabilities for penalties) of whatever kind or nature sustained and reasonably incurred in connection with any claim, demand, suit or legal or arbitration proceeding relating to this Agreement, or the exercise of any rights or powers hereunder, including reasonable attorneys' fees and disbursements, and the allocated cost of in-house counsel to the Secured Party, except losses, expenses and liabilities arising out of Secured Party's own gross negligence or willful misconduct.

14. Miscellaneous.

(a) Grantors and Secured Party may from time to time agree in writing to the release of certain of the Collateral from the security interest created hereby.

(b) Any notice, request, demand or other communication required or permitted under this Agreement shall be in writing and shall be deemed to be properly given if done in accordance with Section 10.6 of the applicable Note Purchase Agreement.

(c) Except as otherwise set forth in the Note Purchase Agreements or this Agreement, the provisions of this Agreement may not be modified, amended, restated or supplemented, whether or not the modification, amendment, restatement or supplement is supported by new consideration, except by a written instrument duly executed and delivered by Secured Party and Grantors.

(d) Except as otherwise set forth in the Note Purchase Agreement or this Agreement, any waiver of the terms and conditions of this Agreement, or any Event of Default and its consequences hereunder or thereunder, and any consent or approval required or permitted by this Agreement to be given, may be made or given with, but only with, the written consent of Secured Party on such terms and conditions as specified in the written instrument granting such waiver, consent or approval.

(e) Any failure or delay by Secured Party to require strict performance by Grantors of any of the provisions, warranties, terms, and conditions contained herein, or in any other agreement, document, or instrument, shall not affect Secured Party's right to demand strict compliance and performance therewith, and any waiver of any default shall not waive or affect any other default, whether prior or subsequent thereto, and whether of the same or of a different type. None of the warranties, conditions, provisions, and terms contained herein, or in any other agreement, document, or instrument, shall be deemed to have been waived by any act or knowledge of Secured Party, its agents, officers, or employees, but only by an instrument in writing, signed by an officer of Secured Party and directed to Grantors, specifying such waiver.

(f) If any term or provision of this Agreement conflicts with any term or provision of the Note Purchase Agreements, the term or provision of the Note Purchase Agreements shall control.

(g) If any provision hereof shall be deemed to be invalid by any court, such invalidity shall not affect the remainder of this Agreement.

(h) This Agreement shall be binding upon, and for the benefit of, the parties hereto and their respective legal representatives, successors, and assigns.

15. Continuing Effect. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable Law, rescinded or reduced in amount, or must otherwise be restored or returned by ACS Agent or any ACS Noteholder, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

16. Additional Grantors. From time to time following the date hereof, Subsidiaries of Company may become parties hereto, as additional Grantors, by executing and delivering to ACS Agent an Instrument of Joinder substantially in the form of Exhibit A hereto, accompanied by such documentation as ACS Agent may reasonably require in connection therewith, wherein such additional Grantors agree to become a party hereto and to be bound hereby. Upon delivery of such Instrument of Joinder to and acceptance thereof by ACS Agent, notice of which acceptance is hereby waived by Grantors, each such additional Grantor shall be as fully a party, effective as of such delivery, but in all other respects, hereto as if such Grantor were an original signatory hereof. Each Grantor expressly agrees that its Secured Obligations and the Liens upon its Property granted herein shall not be affected or diminished by the addition or release of additional Grantors hereunder, nor by any election of Secured Party not to cause any Subsidiary of Company to become an additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor who is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

17. Release of Grantors. This Agreement and all Secured Obligations of Grantors hereunder shall be released when all Secured Obligations have been paid in full in cash or otherwise performed in full. Upon such release of Grantors' Secured Obligations hereunder, Secured Party shall return any Collateral to Grantors, or to the Person or Persons legally entitled thereto, and shall endorse, execute, deliver, record and file all instruments and documents, and do all other acts and things, reasonably required for the return of the Collateral to Grantors, or to the Person or Persons legally entitled thereto, and to evidence or document the release of Secured Party's interests arising under this Agreement, all as reasonably requested by, and at the sole expense of, Grantors.

18. Additional Powers and Authorization. Secured Party shall be entitled to the benefits accruing to it as (i) Senior Subordinated Agent under the ACS Senior Subordinated Note Purchase Agreement and the other ACS Senior Subordinated Documents and (ii) Junior

Subordinated Agent under the ACS Junior Subordinated Note Purchase Agreement and the other ACS Junior Subordinated Documents. Notwithstanding anything contained herein to the contrary, Secured Party may employ agents, trustees, or attorneys-in-fact and may vest any of them with any Property (including, without limitation, any Collateral in which a security interest is granted hereunder), title, right or power deemed necessary for the purposes of such appointment.

19. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same agreement.

**20. GOVERNING LAW. THIS AGREEMENT SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH AND GOVERNED BY THE FEDERAL LAWS OF THE UNITED STATES OF AMERICA AND THE LAWS OF THE STATE OF CALIFORNIA.**

21. WAIVER OF JURY TRIAL. EACH GRANTOR AND SECURED PARTY EXPRESSLY WAIVES THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED OR INCIDENTAL TO THIS AGREEMENT, THE NOTE PURCHASE AGREEMENTS, THE OTHER ACS SUBORDINATED DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY OF THE PARTIES AGAINST ANY OTHER PARTY OR PARTIES, WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS, OR OTHERWISE. EACH GRANTOR AND SECURED PARTY AGREES THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY ARE WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT, THE NOTE PURCHASE AGREEMENTS OR THE OTHER ACS SUBORDINATED DOCUMENTS OR ANY PROVISION HEREOF OR THEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT, THE NOTE PURCHASE AGREEMENTS AND THE OTHER ACS SUBORDINATED DOCUMENTS. ANY PARTY HERETO MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.
