The Company shall not abandon any right to file a trademark application which relates to the Collateral, or any pending trademark application or trademark which relates to the Collateral without the consent of Agent, unless the Company shall reasonably determine that such trademark or trademark application is in no way material to the conduct of the Company's business or its operations.

14. Notwithstanding anything to the contrary contained in paragraph 13 hereof, upon the occurrence and during the continuance of an Event of Default, Agent shall have the right, but shall in no way be obligated, to bring suit instead in its own name to enforce the Trademarks and any license thereunder, or to defend any suit or counterclaim in its own name to protect the Trademarks or any license thereunder, in either of which events the Company shall at the request of Agent do any and all lawful acts (including bringing suit) and execute any and all proper documents required by Agent to aid such enforcement or defense, and the Company shall promptly, **upon demand**, reimburse and indemnify Agent for all costs and expenses incurred in the exercise of Agent's rights under this paragraph 14. 17. All of Agent's rights and remedies with respect to the Trademark Collateral, whether established hereby or by the Loan Agreement or any of the other Loan Documents, or

by any other agreements or by applicable law shall be cumulative and may be exercised singularly or concurrently.

18. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.
