INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS AGREEMENT is made on October 29, 2003, by and between I.P., Inc., a Barbados corporation, and I.P. International, Inc., a Cayman Islands corporation, which corporations are herein collectively referred to as "Assignors," and Stern and Associates, a Michigan co-partnership ("Assignee").

WHEREAS, either or both Assignors together, separately, or between themselves, hold legal title to all of the intellectual property listed on Schedule A attached hereto (the "Intellectual Property"), including the trademarks, service marks, trade names, domain names, whether registered or unregistered, and all registrations and applications for registration for the foregoing.

WHEREAS, Assignors now desire to assign, and Assignee desires to receive an assignment of, the Intellectual Property.

WHEREAS, a portion of the trademarks, service marks and trade names comprising the Intellectual Property have been filed with the United States Patent and Trademark Office as intent-to-use applications and are not assignable, unless (a) the assignment is to a successor to the applicant's business, or portion of the business to which that mark pertains, if that business is ongoing and existing, or (b) the applicant has filed an amendment to allege use of the mark in commerce.

WHEREAS, only Assignee has at any time owned and only Assignee currently owns at any time the business capable of using the Intellectual Property in commerce, and Assignee has hereto used such trademarks and trade names in the conduct of Assignee's business with such use being authorized without payment therefor in consideration of Assignors having devised such trademarks and trade names in the first instance.

NOW THEREFORE, in consideration of the promises and covenants contained herein and for other good and valuable consideration, the parties agree as follows:

1. ASSIGNMENT OF RIGHTS.

Assignors hereby sell, convey, transfer, assign and deliver unto Assignee, its successors and assigns, Assignors' entire right, title, and interest in and to the Intellectual Property, including

(a) all trademarks and service marks together with the goodwill of the business symbolized thereby and the right to bring suit and collect damages for past infringements thereof, and

(b) all domain names and all common-law trademark or service-mark rights derived from the domain name as well as all copyright and other intellectual property or other proprietary rights based on or related to the domain names.

2. FURTHER ASSISTANCE.

(a) Assignors hereby covenant and agree that the Assignors will at any time upon the request of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the rights, titles, and interests conveyed to Assignee herein and Assignee's successors and assigns and to permit Assignee and Assignee's successors and assigns to record this Agreement against the Intellectual Property with any government office or with any ICANN-Accredited Registrars.

(b) Assignors hereby constitute and appoint each officer of each corporation holding any equity interest in Assignee as their true and lawful attorneys in fact in connection with the transactions contemplated by this instrument, with full power of substitution to demand and receive, in the name and stead of Assignors but on behalf of and for the benefit of Assignee and its successors and assigns, any and all of the Intellectual Property hereby conveyed, assigned, and transferred or intended so to be, and to give receipt and releases for and in respect of the same and any part therefor, and from time to time to institute and prosecute, in the name of Assignors or otherwise, for the benefit of Assignee or its successors and assigns, proceedings at law, in equity, or otherwise, that the Assignee or its successors or assigns deem proper in order to collect or reduce to possession or endorse any of the Intellectual Property, and to do all acts and things in relation to the Intellectual Property which Assignee or its successors or assigns reasonably deem desirable.

3. TRANSFER OF DOMAIN NAMES

Assignors shall make available all account information, administrative contact information, and any other information necessary to effect the transfer of the domain names listed in Schedule A attached hereto. Assignors herein grant power of attorney to each of each member of Dykema Gossett PLLC, and each of Kenneth A. Stern and Lawrence D. (c) Except as indicated on Schedule A, the Intellectual Property is valid and subsisting, in full force and effect, and has not been cancelled, expired, or abandoned. No written or, to Assignors' knowledge, oral claim has been made, asserted, or threatened, or is
