PATENT, TRADEMARK AND COPYRIGHT RELEASE

THIS PATENT, TRADEMARK AND COPYRIGHT RELEASE (collectively, this "Intellectual Property Release"), is made as of May 6, 2005 by TRANSAMERICA BUSINESS CAPITAL CORPORATION, a Delaware corporation, ("Lender"), with respect to that certain Intellectual Property Security Agreement, dated as of December 13, 2002 (the "Agreement"), executed by each of Flexitallic Investments, Inc., Flexitallic L.P., The Flexitallic Group, Inc., and Flexitallic Inc. (collectively referred to herein as "Grantors" and each individually as a "Grantor") in favor of Lender. Capitalized terms used herein without definition shall be defined in the manner set forth in the Agreement.

WITNESSETH:

WHEREAS, pursuant to the Agreement, Grantors granted a security interest to Lender in certain Intellectual Property Collateral (within the meaning given in the Agreement), as security for certain obligations owing by Grantors to Lender as described therein, including the Patents and Patent Licenses, Trademarks and Trademark Licenses, Copyrights and Copyright Licenses (as defined in the Agreement) set forth on Schedule I thereto and hereto (the "Intellectual Property Collateral");

WHEREAS, the Agreement was recorded by the United States Patent and Trademark Office on December 23, 2002 at Reel 013758, Frame 00696 (patents);

WHEREAS, the Agreement was recorded by the United States Patent and Trademark Office on December 26, 2002 at Reel 013821, Frame 00676 (patents);

WHEREAS, the Agreement was recorded by the United States Patent and Trademark Office on December 26, 2002 at Reel 002660, Frame 0921 (trademarks); and

WHEREAS, Grantors have requested that Lender release its security interest in the Intellectual Property Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged:

1. Lender hereby terminates, cancels and releases its security interest in all of the applicable Grantor's right, title and interest in and to all of the following, all rights in and to which shall immediately revert to Grantor:

(a) all Intellectual Property Collateral, including, without limitation, the Patents and Patent Licenses, Trademarks and Trademark Licenses, Copyrights and Copyright Licenses listed on Schedule I hereto, together with any reissues, reexaminations, divisions, continuations, renewals, extensions and continuations-in-part thereof and inventions disclosed therein, as well as all applications for industrial property protection, trademark protection, or copyright registration, including, without limitation, all applications for patents, utility models, inventor's certificates, designs, copyrights, and

trademark registrations that have been or may hereafter be filed for such inventions, marks, or works of authorship in any country or countries other than the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from any United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and well as any intellectual property protection issuing therefrom that may be granted for the invention, mark, or work of authorship in any country or countries foreign to the United States and all reissues, reexaminations, divisions, continuations, renewals and extensions thereof; and

(b) all products and proceeds of the foregoing, including, without limitation, any claim by any Grantor against third parties for past, present and future infringement of any Intellectual Property Collateral.

2. Lender hereby authorizes and requests the Director of the Patent & Trademark Office of the United States of America, the Registrar of Copyrights of the U.S. Copyright Office, and the appropriate officers of all other jurisdictions in which any of the Intellectual Property Collateral is in force, or for which application or registration has been made, to record this Intellectual Property Release to demonstrate the release by Lender of the security interest in the applicable Grantor's Intellectual Property Collateral, under the relevant laws of the United States or any other jurisdictions.

3. Lender will, at the expense and request of Grantors, execute and deliver, or cause to be executed and delivered, any other or additional releases, documents, certificates, powers or other writings, and take all additional actions, as may be necessary to record this Intellectual Property Release of the Intellectual Property Collateral, to effectuate and validate this Release.

IN WITNESS WHEREOF, Lender has caused this Intellectual Property Release to be executed as of the day and year first above written.
