Gentlemen:

Reference is made to the following agreements:

1. Trademark and Trademark Applications Security Agreement dated December 15, 2000 by High Falls Brewing Company, LLC (formerly Monroe Brewing Co., LLC), (the "**Borrower**") and Manufacturers & Traders Trust Company ("**Bank**") (as amended by the "**Amendment**" referred to below, the "**Trademark Security Agreement**"), pursuant to which Borrower granted to the Bank a security interest and collateral assignment of the trademarks and related assets described therein (the "**Marks**"). Except as otherwise set forth herein, terms defined in the Trademark Security Agreement are used herein as so defined.

2. Amendment to Trademark and Trademark Applications Security Agreement dated as of April 1, 2003 between Borrower and the Bank (the "**Amendment**").

All Obligations having been paid and satisfied, and any obligation of the Bank to provide loans or financial accommodations pursuant to the Credit Agreement having been terminated, this letter confirms that, as provided in the Trademark Security Agreement, (i) the Trademark Security Agreement has been terminated and is of no further force or effect; (ii) the security interest granted in favor of the Bank in the Marks, and the collateral assignment to the Bank of the Marks, pursuant to the Trademark Security Agreement have been released and discharged and are of no further force or effect; and (iii) all rights in the Marks, if any, including any goodwill, that the Bank has acquired during the term of the Trademark Security Agreement are hereby assigned and transferred to Borrower.

Borrower is authorized to file this letter with the United States Patent and Trademark Office, in order to evidence the termination of the Trademark Security Agreement and the release and termination of the security interest and collateral assignment provided for therein.

Very truly yours,

MANUFACTURERS & TRADERS
TRUST COMPANY
