WHEREAS, Debtor, InterDent, Inc., a Delaware corporation ("Parent"), IDI Acquisition Corp., a Delaware corporation ("IDI"), Wells Fargo Bank, National Association, a national banking association, as trustee ("Trustee"), and as Collateral Agent have entered into an indenture, dated as of the date hereof (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Indenture"), pursuant to which IDI issued \$80,000,000 in aggregate principal amount of 10¾% Senior Secured Notes due 2011 (together with any notes issued in replacement thereof or in exchange or substitution therefore, including, without limitation, pursuant to the transactions contemplated by the registration rights agreement, dated as of the date hereof, among Debtor, Parent, IDI and Jefferies & Company, Inc., the "Notes");

WHEREAS, pursuant to an agreement and plan of merger, dated as of the date hereof, IDI has merged with and into Debtor and Debtor has assumed the Notes and succeeded to all of the rights, obligations and restrictions of the Indenture;

WHEREAS, Debtor beneficially owns the specified Trademark Collateral (as herein defined); and

WHEREAS, Debtor has agreed to execute and deliver this Agreement to Collateral Agent for filing with the PTO (as herein defined) and with any other relevant recording systems in any domestic or foreign jurisdiction, and as further evidence of and to effectuate Collateral Agent's existing security interests in the trademarks and other general intangibles described herein.

exercise of its discretion deems necessary or advisable in order to perfect or continue the perfection of, maintain the priority or enforceability of or provide notice of Collateral Agent's security interest in the Trademark Collateral held by Collateral Agent for the benefit of the holders of the Notes, and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of Debtor, that Collateral Agent, in the exercise of its discretion, deems necessary or advisable to maintain, preserve and protect the Trademark Collateral and to accomplish the purposes of this Agreement, including (A) to defend, settle, adjust or institute any action, suit or proceeding with respect to the Trademark Collateral, (B) to assert or retain any rights under any license agreement for any of the Trademark Collateral, and (C) to execute any and all applications, documents, papers and instruments for Collateral Agent to use the Trademark Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Trademark Collateral, and to assign, convey or otherwise transfer title in or dispose of the Trademark Collateral. The power of attorney set forth in Section 3, being coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 17; provided that the foregoing power of attorney shall terminate when all of the Secured Obligations have been fully and finally repaid and performed and the Collateral Agent has no further obligations under the Indenture or any of the other Note Documents.

4. Representations and Warranties. Debtor represents and warrants to the Collateral Agent and each of the holders of the Notes as follows:

(a) No Other Trademarks. Schedule A sets forth a true and correct list of all of Debtor's existing Trademarks that are registered, or for which any application for registration has been filed with the PTO or any corresponding or similar trademark office of any other U.S. jurisdiction, and that are owned or held (whether pursuant to a license or otherwise) and used by Debtor.

(b) Trademarks Subsisting. Each of Debtor's Trademarks listed in Schedule A is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and, to the best of Debtor's knowledge, each of the Trademarks set forth on Schedule A is valid and enforceable.

(c) Ownership of Trademark Collateral; No Violation. (i) Debtor has rights in and good and defensible title to the Trademark Collateral in respect of the Trademarks that they own, (ii) Debtor is the sole and exclusive owner of such Trademark Collateral, free and clear of any Liens and rights of others (other than Permitted Liens and the Priority Liens), including licenses (other than implied licenses granted to Dental PCs or its Affiliates in the ordinary course of Debtor's business), registered user agreements and covenants by Debtor not to sue third persons, and (iii) with respect to any Trademarks for which Debtor is either a licensor or a licensee pursuant to a license or licensing agreement regarding such Trademark, each such license or licensing agreement is in full force and effect, Debtor is not in material default of any of its obligations thereunder and no other Person has any rights in or to any of such Trademark Collateral, other than (A) the parties to such licenses or licensing agreements, or (B) in the case of any non-exclusive license or license agreement entered into by Debtor or any such licensor regarding such Trademark, the parties to any other such non-exclusive licenses or license agreements entered into by Debtor or any such licensor with any other Person.

(d) No Infringement. To the best of Debtor's knowledge, (i) no material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person, and (ii) the past, present, and contemplated future use of the Trademark Collateral by Debtor has not, does not and will not infringe upon or violate any right, privilege, or license agreement of or with any other Person or give such Person the right to terminate any such license agreement.

(e) Powers. Debtor has the unqualified right, power and authority to pledge and to grant to Collateral Agent, for the benefit of the holders of the Notes, security interests in all right, title, and interest of Debtor in and to the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. Debtor covenants that so long as this Agreement shall be in effect, Debtor shall:

(a) Promptly give Collateral Agent written notice of the occurrence of any event that could reasonably be expected to have a material adverse effect on any of the Trademarks or the Trademark Collateral which is material to its business, including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which Debtor is a licensee;

(b) On a continuing basis, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, including appropriate financing and continuation statements and security agreements, and take all such action as may be necessary or advisable or may be requested by Collateral Agent in its Permitted Discretion to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interests granted or purported to be granted hereby, to ensure Debtor's compliance with this Agreement or to enable Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to the Trademark Collateral;

(c) Comply, in all material respects, with all applicable statutory and regulatory requirements in connection with any and all material Trademark Collateral and give such notice of Trademark, prosecute such material claims, and do all other acts and take all other measures which, in Debtor's reasonable business judgment, may be necessary or desirable to preserve, protect and maintain such material Trademark Collateral and all of Debtor's rights therein; and

(d) Not permit the inclusion in any contract to which Debtor becomes a party of any provision that could or might impair or prevent the creation of security interests in favor of Collateral Agent, for the benefit of the holders of the Notes, in Debtor's rights and interest in any property included within the definitions of the Trademarks, acquired under such contracts.

6. Future Rights. For so long as any of the Secured Obligations shall remain outstanding, or, if earlier, until Collateral Agent shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of this Agreement shall automatically apply thereto and if the foregoing is material to Debtor's business, Debtor shall give to Collateral Agent prompt notice thereof. Debtor shall do all things deemed necessary or expedient by Collateral Agent in the exercise of its Permitted Discretion to ensure the validity, perfection, priority and enforceability of the security interests of Collateral Agent in such future acquired Trademark Collateral.

7. Duties of Collateral Agent and the Holders of the Notes. Notwithstanding any provision contained in this Agreement, none of Collateral Agent or any holder of the Notes shall have any duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to Debtor or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Collateral Agent, none of Collateral Agent or any holder of the Notes shall have any duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Remedies. Subject to the terms of the Intercreditor Agreement, from and after the occurrence and during the continuance of an Event of Default, Collateral Agent shall have all rights and remedies available to it under the Indenture, the other Note Documents, and applicable law (which rights and remedies are cumulative) with respect to the security interests in any of the Trademark Collateral or any other Collateral. Debtor agrees that such rights and remedies include the right of Collateral Agent as a secured party to sell or otherwise dispose of its Collateral after default, pursuant to the Code. Debtor agrees that Collateral Agent shall at all times have such royalty-free licenses, to the extent permitted by law, for any Trademark Collateral that is reasonably necessary to permit the exercise of any of Collateral Agent's rights or remedies upon the occurrence and during the continuance of an Event of Default with respect to (among other things) any tangible asset of Debtor in which Collateral Agent has a security interest, including Collateral Agent's rights to sell inventory, tooling or packaging which is acquired by Debtor (or its successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Collateral Agent shall, subject to the terms of the Intercreditor Agreement, have the right to bring suit but shall in no way be obligated to bring suit, or to take such other action as Collateral Agent, in its discretion, deems necessary or advisable, in the name of Debtor or Collateral Agent, to enforce or protect any of the Trademark Collateral, in which event Debtor shall, at the request of Collateral Agent, do any and all lawful acts and execute any and all documents required by Collateral Agent in aid of such enforcement. To the extent that Collateral Agent shall elect not to bring suit to enforce such Trademark Collateral, Debtor shall, to the extent it deems appropriate in the exercise of its reasonable business judgment, use reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others, including maintaining any action, suit or proceeding against any Person that it deems necessary to prevent such infringement, misappropriation or violation.

9. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor and Collateral Agent for the benefit of the holders of the Notes and their respective successors and assigns.

10. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Indenture.

11. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York (including, Section 5-1401 of the General Obligations Law of the State of New York, but otherwise without regard to conflict of laws principles), except to the extent that the validity or perfection of the security interests hereunder in respect of the Trademark Collateral are governed by federal law, in which case such choice of New York law shall not be deemed to deprive Collateral Agent of such rights and remedies as may be available under federal law.

12. Entire Agreement; Amendment. This Agreement and the other Note Documents, together with the Schedules hereto and thereto, which are incorporated herein by this reference, contain the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties, as provided in the Indenture. Notwithstanding the foregoing, Collateral Agent may reexecute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6.

13. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

14. Counterparts; Telefacsimile Execution. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by telefacsimile shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

15. Note Documents. Debtor acknowledges that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Indenture and the other Note Documents and all such rights and remedies are cumulative.

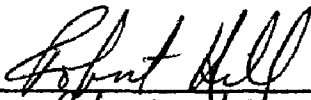

16. No Inconsistent Requirements. Debtor acknowledges that this Agreement and the other Note Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

17. Termination. Upon the payment and performance in full in cash of the Secured Obligations and as further provided in the Indenture and Intercreditor Agreement and the full and final termination of any commitment to extend any financial accommodations under the Indenture, this Agreement shall terminate, and Collateral Agent shall execute and deliver such documents and instruments and take such further action reasonably requested by Debtor, at Debtor's expense, as shall be necessary to evidence termination of the security interest granted by Debtor to Collateral Agent for the benefit of the holders of the Notes hereunder.
