AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT

This AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of \_\_\_\_\_, 2005 (as amended, supplemented or otherwise modified from time to time, the "Intellectual Property Security Agreement"), is made by each of the signatories hereto (collectively, the "Grantors") in favor of US Bank National Association, as collateral agent (in such capacity, the "Collateral Agent") for the Secured Parties (as defined in the Amended and Restated Guarantee and Collateral Agreement referred to below).

WHEREAS, IGN Entertainment, Inc., a Delaware corporation ("IGN"), US Bank National Association, as Collateral Agent, and the purchasers listed on the signature pages thereto (the "Purchasers") entered into a Note Purchase Agreement dated as of March 3, 2004 (as amended, supplemented, replaced or otherwise modified from time to time, the "Note Purchase Agreement") according to which the Purchasers purchased IGN's Senior Secured Notes due March 31, 2009 (the "Notes") from IGN upon the terms and subject to the conditions set forth therein;

WHEREAS IGN, US Bank National Association, as Collateral Agent, and the lenders listed on the signature pages thereto (the "Lenders") have entered into a Credit Agreement, dated as of \_\_\_\_\_, 2005 (as amended, supplemented, replaced or otherwise modified from time to time, the "Credit Agreement"). Capitalized terms used and not defined herein have the meanings given such terms in the Note Purchase Agreement unless those terms are also defined in the Credit Agreement, in which case they shall have the meanings given them in the Credit Agreement.

WHEREAS, it was a condition precedent to the obligation of the Purchasers to purchase Notes under the Note Purchase Agreement that the Grantors shall have executed and delivered that certain Guarantee and Collateral Agreement, dated as of March 3, 2004, in favor of the Collateral Agent (the "Old Guarantee and Collateral Agreement") providing for the guarantee of, and the grant of a lien securing obligations under the Notes;

WHEREAS, it is a condition precedent to the obligations of the Lenders to make their respective extensions of credit to IGN under the Credit Agreement that Grantors shall have executed that certain Amended and Restated Guarantee and Collateral Agreement, dated as of \_\_\_\_\_, 2005, in favor of the Collateral Agent (as amended, supplemented, replaced or otherwise modified from time to time, the "Guarantee and Collateral Agreement");

WHEREAS, the Grantors are currently in default under the Note Purchase Agreement and contemporaneously with the execution of this Agreement the Grantors, the Collateral Agent and the Holders are executing Amendment and Waiver No. 4 (the "NPA Waiver") pursuant to which such defaults will be waived by the Holders, provided that the Grantors have executed the Amended and Restated Guarantee and Collateral Agreement, which amends and restates the Old Guarantee and Collateral Agreement;

WHEREAS, under the terms of the Amended and Restated Guarantee and Collateral Agreement, the Grantors have granted a security interest in certain Property, including certain Intellectual Property of the Grantors to the Collateral Agent for the ratable benefit of the

Secured Parties, and have agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office, and other applicable Governmental Authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties a security interest in and to all of such Grantor's right, title and interest in and to the following (the "Intellectual Property Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations:

(a) (i) all trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos, or other indicia of origin or source identification, trademark and service mark registrations, and applications for trademark or service mark registrations and any new renewals thereof, including each registration and application identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above (collectively, the "Trademarks");

(b) (i) all patents, patent applications and patentable inventions, including each issued patent and patent application identified in Schedule 1, (ii) all inventions and improvements described and claimed therein, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto (collectively, the "Patents");

(c) (i) all copyrights, whether or not the underlying works of authorship have been published, including, but not limited to copyrights in software and databases all Mask Works (as defined in 17 U.S.C. § 901 of the Copyright Act) and all works of authorship and other intellectual property rights therein, all copyrights of works based on, incorporated in, derived from or relating to works covered by such copyrights, all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations and copyright applications, mask works and mask work applications, and any renewals or extensions thereof, including each registration and application identified in Schedule 1, (ii) the rights to print, publish and distribute any of the foregoing, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and

hereafter due and/or payable with respect thereto (including payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto ("Copyrights");

(d) (i) all trade secrets and all confidential and proprietary information, including know-how, manufacturing and production processes and techniques, inventions, research and development information, technical data, financial, marketing and business data, pricing and cost information, business and marketing plans, and customer and supplier lists and information, including, any of the foregoing identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto (collectively, the "Trade Secrets");

(e) (i) all licenses or agreements, whether written or oral, providing for the grant by or to any Grantor of: (A) any right to use any Trademark or Trade Secret, (B) any right to manufacture, use, import, export, distribute, offer for sale or sell any invention covered in whole or in part by a Patent, and (C) any right under any Copyright including, without limitation, the grant of rights to manufacture, distribute, exploit and sell materials derived from any Copyright including any of the foregoing identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto; and

(f) any and all proceeds of the foregoing.

SECTION 2. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Intellectual Property Security Agreement.

SECTION 3. Execution in Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Governing Law. This Intellectual Property Security Agreement (including any claim or controversy arising out of or relating to this Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York without regard to conflict of law principles that would result in the application of any law other than the law of the State of New York.

SECTION 5. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Amended and Restated Guarantee and Collateral Agreement, Note Purchase Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Amended and Restated Guarantee and Collateral Agreement, Note Purchase Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Amended and Restated Guarantee and Collateral Agreement, Note Purchase Agreement or the Credit Agreement, the provisions of the Amended and Restated Guarantee and Collateral Agreement, Note Purchase Agreement or the Credit Agreement shall govern.

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.

## COPYRIGHTS

Consistent with applicable federal and international copyright laws, Grantors claim copyright protection in each original work of authorship it, its licensors or assignors has created and faxed in a tangible medium of expression.

The entire historical database of articles, reviews and other content on the IGN Site (exclusive of third party components) has been registered with the United States Copyright Office under the Group Registration provisions. The Database registration is continually updated on a quarterly basis. The registration is current through the Second quarter of 2003. The application for the updated Q3 and Q4 2003 registration has been submitted and is pending.

Grantors also hold unregistered copyrights in its proprietary "Network In A Box" publishing system, in various software code files developed by Grantors for purposes of running its online services and in the compilation/database of Registered IGN users.

Grantors also hold unregistered copyrights in its proprietary GameSpy "Tool Kit" PC game management system, in various software code files developed by Grantors for purposes of improving PC game functionalities including Matchmaking, Community, Administrative, and Networking functionality running its online services and in the compilation/database of Registered IGN users.
