TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (the "Agreement") is made and entered into as of June 22, 2005, by Acura Pharmaceuticals, Inc. a New York corporation ("Debtor"), in favor of Galen Partners III, L.P., a Delaware limited partnership, acting in its capacity as agent for the Lenders as defined below (the "Agent").

WITNESSETH:

WHEREAS, Debtor has entered into a Loan Agreement, of even date herewith with the lenders party thereto (the "Lenders") (as amended or otherwise modified from time to time, the "Loan Agreement"), providing for the extension of credit by the Lenders to Debtor; and

WHEREAS, the Lenders have required, as a condition to the extension of credit under the Loan Agreement, that Debtor grant to Agent a security interest in and to the Collateral (as defined herein). Capitalized terms appearing herein but not defined herein shall have the respective meanings ascribed thereto in the Loan Agreement.

AGREEMENT

NOW THEREFORE, for good and valuable consideration, the receipt of and adequacy of which are hereby acknowledged, Debtor hereby agrees with Agent as follows:

1. Security Interest. Debtor hereby grants to Agent a security interest in and to the Collateral described in Section 2 herein (the "Collateral") in order to secure the payment and performance of all Obligations.

2. Collateral. The Collateral is: all of Debtor's trademarks and trademark registrations, tradenames, and trademark applications which, in each case are now or hereafter filed with the United States Patent and Trademark Office, any similar office or agency of any state, territory or possession of the United States or any similar office or agency of any other countries or used in the United States, any state, territory or possession thereof or any other country, including, without limitation, the trademarks, tradenames trademark registrations and trademark applications listed on Schedule A attached hereto and made a part hereof and (i) all reissues, divisions, continuations, renewals, reexaminations, extensions and continuations-in-part of any of the foregoing, (ii) all income, royalties, damages and payments now and hereafter due or payable with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof, (iv) all rights corresponding thereto throughout the world, and (v) the goodwill of the Debtor's business associated therewith (all of the foregoing trademarks and trademark applications, together with the items described in clauses (i)-(v) above, are referred to herein, either individually or collectively, as the "Trademarks").

Debtor represents and warrants that, to the best of its knowledge, the Trademarks listed on Schedule A constitute all of the Trademarks and Trademark applications which are as of the date hereof owned by or are pending on behalf of Debtor in the United States or any state of the United States (as set forth on Schedule A) and that Debtor is not aware of any such Trademarks which are not registered in the United States or any state thereof.

3. Agent's Right to Sue. From and after the occurrence and during the continuance of an Event of Default, Agent shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks, and any licenses thereunder, and, if Agent shall commence any such suit, Debtor shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents required by Agent in aid of such enforcement and Debtor shall indemnify and shall, upon demand, promptly reimburse Agent for all damages, costs and expenses, including attorneys' and paralegal fees and expenses, incurred by Agent in the exercise of its rights under this Section 3.

4. Agent's Right to Maintain Quality. Debtor agrees that from and after the occurrence of an Event of Default, Agent shall have the right to establish such additional product quality controls as Agent, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by Debtor under the Trademarks. Debtor agrees (i) not to sell or assign its interest in, or grant any license under the Trademarks without prior written consent of Agent; (ii) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with the quality of such products as of the date hereof; (iii) not reduce the quality of such products without Agent's express written consent; and (iv) to provide Agent, upon request, with a certificate of an officer of Debtor certifying Debtor's compliance with the foregoing.

5. Remedies. If any Event of Default shall have occurred, then Agent shall be entitled to exercise in respect of the Collateral, in addition to other rights and remedies provided for herein, in the Loan Agreement and other Transaction Documents or otherwise available to it, all of the rights and remedies of a secured party under the Uniform Commercial Code in effect in the State of New York (the "UCC") whether or not the UCC applies to the affected Collateral, and also may (i) require Debtor, and Debtor hereby agrees that it will upon the request of Agent, forthwith, (A) execute and deliver an assignment, substantially in the form of Exhibit A hereto, of all right, title and interest in and to the Collateral, and (B) take such other action as Agent may request to effectuate the outright assignment of such Collateral or to exercise, register or further perfect and protect its rights and remedies with respect to such assigned Collateral, and (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such terms as Agent may deem commercially reasonable. Debtor agrees that at least ten (10) days notice to Debtor, given by Agent in accordance with the terms of the Loan Agreement, of the time and place of any public sale or the time which any private sale is to be made shall constitute reasonable notification. Agent shall not be obligated to make any sale of the Collateral regardless of notice of sale having been given. Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Agent may purchase all or any part of the Collateral at public or, if permitted by law, private sale

and, in lieu of actual payment of such purchase price, may setoff the amount of such price against the obligations of the Debtor to the Lenders and the Agent under the Loan Agreement and the other Transaction Documents (the "Obligations"). The proceeds realized from the sale of any Collateral shall be, applied first to the reasonable costs, expenses and attorneys and paralegal fees and expenses incurred by Agent and the Lenders for collection and for acquisition, protection, and sale of the Collateral; second to interest due upon any of the Obligations; and third to the principal of the Obligations. If any deficiency shall arise, Debtor shall remain liable to the Lenders and, if applicable, Agent therefor. The commencement of any action, legal or equitable, or the rendering of any judgment or decree for deficiency shall not affect Agent's security interest in the Collateral until the Obligations are fully paid. Debtor agrees that Agent has no obligation to preserve rights to Collateral against any other parties.

6. Cumulative Remedies: Power of Attorney: Effect on Loan Agreement. All of Agent's rights and remedies with respect to the Trademarks, whether established hereby, by the Loan Agreement, by any other Transaction Documents, or by law shall be cumulative and may be exercised singularly or concurrently. Debtor hereby authorizes Agent to make, constitute and appoint any officer or agent of Agent as Agent may select, in its sole discretion, as Debtor's true and lawful attorney-in-fact, with power, from and after the occurrence of an Event of Default to (a) endorse Debtor's name on all applications, documents, papers and instruments necessary or desirable for Agent in the use of the Trademarks, (b) take any other actions with respect to the Trademarks as Agent deems in the best interest of Agent, (c) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (d) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable until all Obligations shall have been paid in full and the Loan Agreement and the Transaction Documents have been terminated. Debtor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Agent under the Loan Agreement and the other Transaction Documents but rather is intended to facilitate the exercise of such rights and remedies.

7. Notices. Any notice, approval, consent or other communication to any party hereunder shall be in the form and manner, and to the addresses as set forth in the Loan Agreement.

8. Miscellaneous. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which shall together constitute one and the same agreement. This Agreement shall be governed by the laws of the State of New York. In connection with any dispute arising under this Agreement, the Debtor consents and agrees to be bound by the jurisdictions identified for dispute resolution in the Loan Agreement.
