CONFIRMATORY ASSIGNMENT OF TRADEMARKS

This CONFIRMATORY ASSIGNMENT OF TRADEMARKS (“this Assignment”) is made and entered into, effective as of the 24th day of March, 2005, by and between THE OXFORD INVESTMENT GROUP, INC., a Michigan corporation (“Assignor”), having an address at c/o Carson Fischer, P.L.C., Third Floor, 300 East Maple Road, Birmingham, MI 48009-6317, U.S.A., and OXFORD AUTOMOTIVE, INC., a Michigan corporation (“Co-Assignor”), having an address at 5750 New King Street, Suite 200, Troy, Michigan 48098, U.S.A., and OXFORD AUTOMOTIVE APS, a Danish-chartered company (“Assignee”), having an address at Kalvabed Brygge 39, DK-1560, Copenhagen V, DENMARK, in favor of Assignee.

WHEREAS, Assignor is a party to a certain Trademark and Tradename Transfer Agreement, effective as of November 4, 2003 between itself and Co-Assignor, that includes a listing of applications to register and registrations for certain trademarks, in various jurisdictions worldwide, identified and set forth in Schedule A thereto (the “Transfer Agreement”);

WHEREAS, pursuant to the Transfer Agreement, Assignor transferred to Co-Assignor all of Assignor’s right, title and interest to, and Assignor was granted a security interest in, the property listed in Schedule A thereto. The aforesaid Schedule A has been redacted of the then-current “Status” column and otherwise unaltered is attached to this Assignment as Schedule A;

WHEREAS, the aforesaid redaction was not intended to, and shall not, increase or modify the liabilities and obligations of the parties under the Transfer Agreement;

WHEREAS, Co-Assignor at all times pertinent to this Assignment was a debtor in possession, under the protection of the United States Bankruptcy laws, by reason of the

proceedings entitled, In re Oxford Automotive, Inc., et al., Case No. 04-74377, Chap. 11, jointly administered, U.S. Bkcty. Ct., E.D. Mich., S. Div.;

WHEREAS, the Bankruptcy Court entered an Order, dated March 9, 2005 (the "Confirmation Order"), confirming the Second Amended Non-Consolidated Chapter 11 Plan of OAI and certain of its subsidiaries, dated February 28, 2005 (the "Plan"), pursuant to which Assignor is required to "transfer to OAI [herein, Co-Assignor] or its designee all right, title and interest in the property" in which it was granted a security interest under the Transfer Agreement (the "Property"), namely, the items listed in Schedule A hereto. Confirmation Order, ¶ 30;

WHEREAS, also under the aforesaid Confirmation Order, any and all of Assignor's right, title and interest in the Property shall be transferred to Co-Assignor or its designee upon the payment of \$600,000.00 to Assignor by Co-Assignor;

WHEREAS, Assignor and Co-Assignor mutually represent that Assignor has unsecured claims asserted against Co-Assignor which remain to be resolved in the aforesaid bankruptcy proceedings, *provided, further*, that it is mutually understood that Co-Assignor's representation in this regard shall not adversely affect any "Preserved North American Causes of Action," as that term is defined in the Plan, which causes of action may only be pursued by way of right of offset;

WHEREAS, Assignor and Co-Assignor each represent that it has no claims, rights or causes of action against Assignee or its subsidiaries arising under or relating to the Transfer Agreement or the Property; and

WHEREAS, Co-Assignor has designated Assignee as the recipient of all of Assignor's rights, title and interest in the property covered by the Transfer Agreement, namely the items listed in Schedule A hereto.

NOW, THEREFORE, as of the date first above written, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties agree as follows:

1. Assignor hereby assigns, transfers and delivers to Assignee all of Assignor's right, title and interest in and to the Property, including any common law rights therein, together with any goodwill that the Property represents, the registrations and applications to register and renewals thereof, if any, and the right to sue and recover damages for past and future infringement thereon, if any there may be, and furthermore, Assignor warrants and represents that it has not assigned or transferred any of its rights under the Transfer Agreement to any person or entity other than Co-Assignor or Assignee and that it has no claims against the Assignee with respect to the Property.

2. Co-Assignor hereby assigns, transfers and delivers to Assignee, free and clear of all liens, claims and encumbrances, all right, title and interest of Co-Assignor in and to the Property, including any common law rights therein, together with any goodwill that the Property represents, the registrations and applications to register and renewals thereof, and the right to sue and recover damages for past and future infringement thereon, if any there may be.

3. Assignor and Co-Assignor, respectively, each only to the extent that it has the capacity to do so, hereby authorizes and requests the diverse registrars, commissioners and other official authorities charged with registration of trademarks in the various jurisdictions affected to record Assignee as the owner of the trademarks listed in Schedule A hereto and to issue to Assignee, in lieu of Assignor or Co-Assignor, in accordance with this instrument, all future certificates, notices and any other documents bearing on said trademarks.

4. Each of the parties to this Assignment agrees and warrants, one to the other, that the representations made by it at the beginning of this instrument shall be treated and construed, not as mere recitals, but rather as integral parts of their mutual undertakings.

5. This Assignment may be executed in counterparts, all of which taken together shall constitute one instrument.

6. Assignor and Co-Assignor agree, respectively, to cooperate with Assignee, at Assignee's expense, in order to carry out the intent of this Assignment and to take such further action and to execute such further documents and instruments as may be reasonably necessary to effectuate the provisions of this Assignment.
