TRADEMARK
REEL: 003119 FRAME: 0217

TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of February 4, 2005, is between **AIR GUARD CONTROL CORPORATION**, a Delaware corporation (the "Grantor"), and **ANTARES CAPITAL CORPORATION**, a Delaware corporation, as Agent (in such capacity, the "Grantee") for the benefit of itself and all financial institutions that from time to time become lenders (the "Lenders") under the Credit Agreement (as such terms are hereinafter defined).

RECITALS

WHEREAS, Grantor owns the Trademarks, Trademark registrations, and Trademark applications listed on Schedule 1 annexed hereto, and is a party to the Trademark licenses listed on Schedule 1 annexed hereto; and

WHEREAS, Grantor, Waterbury Companies, Inc., a Delaware corporation ("Waterbury") and P + L Systems Corporation, a Delaware corporation ("P&L Corp.;" Grantor, Waterbury and P&L Corp. are referred to herein each individually as a "Borrower" and collectively as the "Borrowers"), have entered into that certain Credit Agreement dated of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), with Waterbury, as Funds Administrator, the Agent and the Lenders, providing for extensions of credit and other financial accommodations to be made to the Borrowers by Lenders; and

WHEREAS, pursuant to the terms of that certain Borrower Security Agreement dated of even date herewith among Grantor, each other Borrower and Grantee (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement" capitalized terms used but not defined herein have the meanings given such terms in the Security Agreement), Grantor has granted to Grantee for the benefit of Agent and Lenders a security interest in substantially all the assets of Grantor including, without limitation, all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), Trademark registrations, Trademark applications (other than Trademark applications based on an "Intent-to-Use" the marks) and Trademark licenses, together with the goodwill of the business symbolized by Grantor's Trademarks, and all proceeds thereof, to secure the payment of the "Liabilities" (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

- (1) each Trademark, Trademark registration and Trademark application (other than Trademark applications based on an "Intent-to-Use" the marks), including, without limitation, the Trademarks, Trademark registrations (together with any reissues, continuations or extensions thereof) and Trademark applications referred to in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark registration and Trademark application (but

excluding any application to register any trademark, service mark or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark, service mark or other mark to the extent the creation of a security interest therein or the grant of a mortgage thereon would void or invalidate such trademark, service mark or other mark);

(2) each Trademark license and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark license; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark or Trademark registration including, without limitation, the Trademarks and Trademark registrations referred to in Schedule 1 annexed hereto, the Trademark registrations issued with respect to the Trademark applications referred in Schedule 1 and the Trademarks licensed under any Trademark license, or (b) injury to the goodwill associated with any Trademark, Trademark registration or Trademark licensed under any Trademark license.

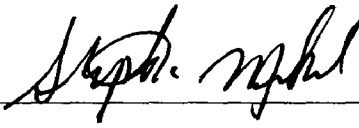

Notwithstanding anything to the contrary contained herein or in the Security Agreement, to the extent unnecessary or otherwise undesirably in the ordinary course of Grantor's business, in the reasonable business judgment of Grantor, Grantor shall not have any duty to (i) prosecute any Trademark or servicemark applications pending as of the date hereof or after; (ii) preserve or maintain any Trademarks; or (iii) ensure that the Trademarks are and remain enforceable.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement and is not intended to increase the rights of Grantee or the obligations of Grantor beyond the rights and obligations contained in the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

“Intent-To-Use” Trademark Applications

The trademark application for the “D-FOAM” mark (Application No. 76/492468) is an “intent-to-use” application.

SCHEDULE B

LICENSE AGREEMENTS

Waterbury Companies, Inc., Air Guard Control (Canada) Limited and Air Guard Control Corporation utilize a bundle of PRMS modules pursuant to a Software License Agreement between Waterbury Companies, Inc. and SSA Global Technologies, Inc. dated September 18, 2003, together with two supplements (addenda) to the agreement with SSA Global Technologies, Inc. This agreement superseded the License Agreement between Waterbury Companies, Inc. and Computer Associates International, Inc. dated September 18, 1998, with Addenda dated September 18, 1998 and September 25, 2003.
