TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of July 1, 2005, made by National Electronics Warranty Corporation (the "Grantor"), in favor of Canadian Imperial Bank of Commerce, acting through its New York Agency, in its capacity as Collateral Agent (in such capacity, the "Collateral Agent") pursuant to the Credit Agreement.

WITNESSETH:

WHEREAS, Grantor is a party to a First Lien Pledge and Security Agreement of even date herewith (the "Pledge and Security Agreement") in favor of the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

SECTION 2. Pledge of Security Interest in Trademark Collateral. Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a first priority lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral of such Grantor:

- (a) Trademarks of such Grantor listed on Schedule I attached hereto;
- (b) all Goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing (other than Excluded Assets).

SECTION 3. Pledge and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Pledge and Security Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the full performance of the Obligations, the Collateral Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing

in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall evidence but one instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed original counterpart of each such instrument.

[signature page follows]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

NATIONAL ELECTRONICS
WARRANTY CORPORATION

By: 

Name: David N. Bosserman
Title: Senior Vice President and
Chief Financial Officer

Accepted and Agreed:

CANADIAN IMPERIAL BANK OF COMMERCE,
