COLLATERAL ASSIGNMENT; SECURITY INTEREST; LICENSE

SECTION 2.01. *Collateral Assignment; Security Interest.* To further secure the full and timely payment, performance and satisfaction of the Obligations, and without limiting the legal operation and effect of any other Credit Document, Debtor hereby collaterally assigns to Secured Party, and grants to Secured Party a security interest in, all of Debtor's now owned and hereafter acquired, created or arising Property described below (referred to herein as "**Trademark Collateral**"):

(a) All of Debtor's Trademarks, including but not limited to the Scheduled Trademarks, and all renewals thereof, and any filings, registrations and recordings of, and applications for, any thereof, and all (i) income, royalties, license fees, damages and payments now and hereafter due or payable with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past or future infringements thereof, (ii) the right to sue for past, present and future infringements thereof, and (iii) all rights corresponding thereto throughout the world (the Property described in this clause (a) being referred to herein as the "**Core Trademark Collateral**"); and

(b) All of Debtor's goodwill of Debtor's business connected with or associated with and symbolized by the Core Trademark Collateral (the Property described in this clause (b) being referred to herein as "**Goodwill**"); and

(c) All of Debtor's right, title and interest (but not Debtor's obligations) as a licensee of any Trademarks of and from any other Person for use in the business that Debtor is engaged in on the date of this Agreement (including any license granted to Debtor under this Agreement) (the Property described in this clause (c) being referred to herein as "**Licensed Rights**"); and

(d) All of Debtor's cash and non-cash proceeds (as "proceeds" is defined in Article 9) and all other amounts and royalties received or to be received in respect of any sale, exchange, lease, license or other disposition of any Core Trademark Collateral, Goodwill, or Licensed Rights, and including insurance proceeds (the Property described in this clause (d) being referred to herein as "**Proceeds**"); and

(e) All of Debtor's Records relating to the Core Trademark Collateral, Goodwill, Licensed Rights, or Proceeds, together with any containers or media in which the foregoing are stored (including any rights of Debtor with respect to the foregoing maintained with or by any other Person), and if any of the foregoing are stored with any other Person, all of Debtor's rights relating to the storage and retrieval thereof and access thereto (the Property described in this clause (e) being referred to herein as "**Trademark Records**").

SECTION 2.02. *License to Debtor.* Secured Party hereby grants to Debtor, for so long as no Event of Default shall have occurred and be continuing, an exclusive, revocable, nontransferable license under the Scheduled Trademarks to use and display the Scheduled Trademarks in connection with the Debtor's business for Debtor's own benefit and account and for none other (referred to herein as the "**License**"). The License is granted to Debtor without any representation or warranty of any kind by, or any other obligation or duty of any kind on, Secured Party, all of which are expressly disclaimed. Debtor shall indemnify and hold harmless Secured Party from and against any and all claims, penalties, damages, costs, fees and expenses (including attorney's fees and litigation expenses) arising out of or relating to the License, and Debtor's obligations to indemnify and hold harmless Secured Party shall survive the termination of this Agreement. Without limiting the generality or legal effect of any provision of this Agreement, it is a requirement of the License that Debtor shall comply fully with the terms of this Agreement and the other Credit Documents, and the License is conditioned upon such full compliance by Debtor. Debtor shall not sell or assign Debtor's interest in the License without the prior written consent of Secured Party, which consent may be withheld in Secured Party's sole discretion. Debtor shall not grant any license or sublicense in the Scheduled Trademarks unless such license or sublicense is expressly permitted by the terms of the Security Agreement.

SECTION 2.03. *Supplement to Security Agreement.* This Agreement has been entered into in conjunction with the security interests granted to Secured Party under the Security Agreement. The rights and remedies of Secured Party with respect to the security interests granted herein are without prejudice to, and are in addition to, those set forth in the Security Agreement and the other Credit Documents, all terms of which are incorporated herein by reference. Debtor shall fulfill all of Debtor's covenants and other obligations under the Security Agreement.

ARTICLE III
REPRESENTATIONS AND WARRANTIES

Debtor makes the following representations and warranties to Secured Party:

SECTION 3.01. *Ownership.* Debtor is the sole and exclusive owner of the entire and unencumbered right, title and interest in the Scheduled Trademarks, free from any Lien other than Permitted Liens. Debtor has made no previous assignment, transfer or agreement in conflict with this Agreement or constituting a present or future assignment or transfer of, or encumbrance on, any of the Scheduled Trademarks. Debtor represents and warrants that Debtor is not a party to, or otherwise bound by, any assignment, license, covenant or other agreement relating to the Scheduled Trademarks, other than any assignment, license, covenant or other agreement in favor of Secured Party or specifically disclosed to Secured Party in the Security Agreement.

SECTION 3.02. *Trademarks.* The Scheduled Trademarks constitute all of the unexpired Trademarks, and filings, registrations and recordings of, and applications for, Trademarks, that are as of the date hereof owned by Debtor or are pending on behalf of Debtor in the United States or in any other country or jurisdiction (as set forth on **Schedule 1** to this Agreement).

ARTICLE IV
COVENANTS

Debtor covenants and agrees to the following:

SECTION 4.01. *Special Power of Attorney.* On the date hereof, and to supplement Debtor's rights under this Agreement and the other Credit Documents, Debtor shall execute and deliver to Secured Party the Special Power of Attorney in the form of **Exhibit A**.

SECTION 4.02. *Liens; Lien Notices; Dispositions.* Debtor shall not (a) create, incur, assume, or suffer to exist any Liens, other than Permitted Liens, upon any Trademark Collateral, (b) execute or authorize, or file or permit to be on file in any public office, any Lien Notice regarding any Trademark Collateral, other than Lien Notices for Permitted Liens, or (c) sell, assign, lease, license, transfer, surrender, or otherwise dispose of any Trademark Collateral, unless (with respect to each of clauses (a), (b) and (c)) Debtor shall be expressly permitted to do so by the terms of the Security Agreement.

ARTICLE V
REMEDIES

SECTION 5.01. *Remedies.* Secured Party shall have all of the rights and remedies available under this Agreement, the Security Agreement and any other Credit Document, the UCC, at law, and in equity. The commencement of any action, legal or equitable, or the rendering of any judgment or decree for deficiency, shall not affect Secured Party's interest in the Trademark Collateral until the Obligations have been fully paid and satisfied and the Security Agreement has been terminated.

SECTION 5.02. *Separate Assignment; Attorney-in-Fact.* (a) Upon the occurrence of any Event of Default, and in addition to such other rights and remedies as Secured Party may have under

other provisions of this Agreement or any other Credit Document, or under common or statutory law, Secured Party may require Debtor forthwith to (i) execute and deliver an assignment, substantially in the form of **Exhibit B**, of all right, title and interest in and to the Scheduled Trademarks and (ii) take such other action as Secured Party may request to evidence the outright assignment of such Scheduled Trademarks or to exercise, register or further perfect and protect Secured Party's rights and remedies with respect to such assigned Scheduled Trademarks, in which event Debtor immediately shall execute and deliver such assignment and take such other action as Secured Party so requests.

(b) Debtor hereby authorizes Secured Party to make, constitute and appoint any officer or agent of Secured Party as Secured Party may select, in Secured Party's sole discretion, as Debtor's true and lawful attorney-in-fact, with power of substitution, from and after the occurrence of an Event of Default to (i) sign and endorse Debtor's name on all applications, documents, papers and instruments necessary or desirable for Secured Party in the use of the Scheduled Trademarks, including, if Debtor fails to execute and deliver to Secured Party a separate assignment apart from this Agreement substantially in the form of **Exhibit B** within two (2) days after Secured Party's written request to Debtor therefor, a separate assignment apart from this Agreement substantially in the form of **Exhibit B**, (ii) take any other actions with respect to the Scheduled Trademarks as Secured Party deems in the best interest of Secured Party, (iii) grant or issue any exclusive or non-exclusive license under the Scheduled Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Scheduled Trademarks to anyone. Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable until all Obligations shall have been fully paid and satisfied and the Security Agreement has been terminated. Debtor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Secured Party under the Security Agreement, but rather is intended to facilitate the exercise of such rights and remedies.

ARTICLE VI **GENERAL PROVISIONS**

SECTION 6.01. *Remedies Cumulative.* Upon the occurrence of any Event of Default, and in addition to such other rights and remedies as Secured Party may have under other provisions of this Agreement or any other Credit Document, Secured Party may exercise any one or more of its rights and remedies under common or statutory law, and Secured Party may exercise such rights and remedies cumulatively and simultaneously. No failure or delay on the part of Secured Party in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between Debtor or any other Person and Secured Party shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. No notice to or demand on Debtor in any case shall entitle Debtor or any other Person to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of Secured Party to any other or further action in any circumstances without notice or demand.

SECTION 6.02. *Notices.* Any notice or other communication required or permitted by or in connection with this Agreement shall be given in accordance with the notice provision in the Security Agreement.

SECTION 6.03. Successors and Assigns. This Agreement shall create a continuing security interest in the Trademark Collateral and shall (i) be binding upon Debtor and its successors and assigns, and (ii) inure, together with the rights and remedies of Secured Party hereunder, to the benefit of Secured Party and Secured Party's successors, transferees and assigns. This Agreement may not be assigned by Debtor without the prior written consent of Secured Party.

SECTION 6.04. Filing, Registering, Recording. Either party hereto may file, record or register this Agreement (or a photocopy of this Agreement) with any Governmental Authority to give notice of, and to further the legal operation and effect of, and perfect the interests of Secured Party under, this Agreement, including any filing, registration or recording with the Trademark Office or any public office for recording UCC financing statements. Debtor shall pay all of Secured Party's costs and expenses (including attorney's fees) of filing, registering or recording this Agreement.

SECTION 6.05. Termination. At such time as Debtor shall have fully paid and satisfied all of the Obligations and the Security Agreement has been terminated, and Secured Party shall have no further commitment or other obligation to extend or advance credit to or for the account of Debtor, this Agreement shall terminate (excepting any provisions which expressly survive the termination of this Agreement) and Secured Party shall, at Debtor's sole cost and expense, execute and deliver to Debtor all deeds, assignments and other instruments as may be reasonably necessary to re-vest in Debtor all remaining right, title and interest in and to the Trademark Collateral, without any representation or warranty of any kind by, or any other obligation or duty of any kind on, Secured Party, and subject to any disposition thereof which may have been made by Secured Party pursuant to this Agreement or the other Credit Documents. Notwithstanding anything to the contrary in this Agreement or any other Credit Document, this Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any amount received by Secured Party in respect of the Obligations is rescinded or must otherwise be restored or returned by Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of Debtor or upon the appointment of any intervenor or conservator of, or trustee or similar official for, Debtor or any substantial part of Debtor's assets, or otherwise, all as though such payments had not been made.

SECTION 6.06. Miscellaneous. A telecopy of this executed Agreement shall be effective as an original. All representations, warranties and covenants of Debtor contained herein shall survive the execution and delivery of this Agreement and shall terminate only upon the full payment and satisfaction by Debtor of the Obligations and the termination of the Security Agreement. This Agreement is a Credit Document within the definition of "Credit Documents" in the Security Agreement.

SECTION 6.07. Governing Law. This Agreement shall, except to the extent that federal law or laws of another state apply to the Trademarks or any part thereof, be governed by and construed in accordance with the internal laws of the State of Maryland, without regard to conflicts of law principles.
