In connection with the distribution of products, Borrower has been given rights to use manufacturers' (including Sega and Sony) trademarks in connection with the sale of the manufacturers' products.

**AMENDMENT AND ASSIGNMENT  
OF INTELLECTUAL PROPERTY SECURITY AGREEMENT**

**THIS AMENDMENT AND ASSIGNMENT OF INTELLECTUAL PROPERTY SECURITY AGREEMENT** (this "Amendment") dated as of May 27, 2005, is made by and among **ORCHARD FIRST SOURCE CAPITAL, INC.** (f/k/a First Source Financial, Inc.), as resigning Agent under the Seconded Amended Loan Agreement described below ("First Source"), **PATRIARCH PARTNERS AGENCY SERVICES, LLC**, as successor Agent under the Second Amended Loan Agreement described below ("PPAS"), and **ELECTRO SOURCE, LLC**, a California limited liability company ("Borrower").

**BACKGROUND:**

A. Borrower and Sanwa Business Credit Corporation, as predecessor-in-interest to Fleet Business Credit Corporation ("Fleet"), entered into that certain Intellectual Property Security Agreement dated as of July 23, 1997 (as the same may be amended, restated or modified from time to time, the "IP Security Agreement"), which IP Security Agreement was recorded in the United States Patent and Trademark Office on August 19, 1997 on Reel 1623, Frame 0678;

B. Pursuant to the IP Security Agreement, Borrower granted to Sanwa, as predecessor-in-interest to Fleet and as Agent on behalf of the Lenders party to the Loan and Security Agreement dated as of July 23, 1997 (as amended, the "Loan Agreement") a continuing security interest in, among other things, all of Borrower's right, title and interest in and to the Patents, Trademarks and Copyrights, including those referred to in Attachment 1 hereto;

C. Borrower, Fleet, as Agent, and the Lenders party thereto entered into that certain Amended and Restated Loan and Security Agreement dated as of July 18, 2000 (as amended, the "Amended Loan Agreement"), which, without constituting a novation, amended and restated the Loan Agreement, and, in connection therewith, Borrower reaffirmed its agreements and obligations under the IP Security Agreement and its prior grants of security interests in favor of Fleet, as Agent, on behalf of the lenders thereunder.

D. Pursuant to a letter dated January 10, 2001, Fleet resigned as Agent under the Amended Loan Agreement, and, pursuant to an Appointment of Agent dated as of June 29, 2001, the Requisite Lenders (as defined in the Amended Loan Agreement) appointed First Source as the successor Agent.

E. Borrower, First Source, as Agent, and the Lenders party thereto entered into that certain Second Amended and Restated Loan and Security Agreement dated as of April 4, 2002 (as the same has been amended, supplemented or otherwise modified from time to time, the "Second Amended Loan Agreement"), which, without constituting a novation, amended and restated the Amended Loan Agreement, and, in connection therewith, Borrower reaffirmed its

agreements and obligations under the IP Security Agreement and its prior grants of security interests in favor of the Agent thereunder.

F. Pursuant to a Consent to Appointment of Successor Agent dated as of the date hereof, the Required Lenders (as defined in the Second Amended Loan Agreement) appointed PPAS as the successor Agent to First Source.

G. The parties hereto desire to execute this Amendment for the purpose of evidencing the transfer of First Source's interests as Agent to PPAS.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower, PPAS and First Source hereby agree as follows:

1. Definitions. All capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the IP Security Agreement.
2. Assignment. First Source, in its capacity as the resigning Agent under the Second Amended Loan Agreement, hereby assigns, without representation or warranty, to PPAS, in its capacity as successor Agent under the Second Amended Loan Agreement, all of its right, title and interest in and to the IP Security Agreement.
3. Amendment of IP Security Agreement. The IP Security Agreement shall be amended such that PPAS, the successor Agent, shall replace First Source, the resigned Agent, as "Agent" under the IP Security Agreement. All references to "Agent" in the IP Security Agreement shall hereinafter refer to Patriarch Partners Agency Services, LLC, as Agent for the Lenders.
4. IP Security Agreement in Full Force. The execution and delivery of this Amendment shall not in any way affect or modify the liability of Borrower under the IP Security Agreement hereby assigned, it being understood and agreed that notwithstanding this Amendment, all of the obligations of Borrower under the IP Security Agreement shall be and remain enforceable by PPAS, or by its successors and assigns, against Borrower.
5. Severability. Whenever possible, each provision of this Amendment shall be interpreted in such manner as to be effective and valid under applicable law, but, if any provision of this Amendment shall be held to be prohibited or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Amendment.
6. Section Headings. Section headings herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.
7. Successors and Assigns. This Amendment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

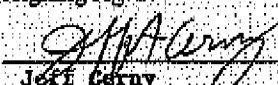

8. GOVERNING LAW. THIS AMENDMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF ILLINOIS TO CONTRACTS MADE AND PERFORMED IN THAT STATE.

9. Execution in Counterparts. This Amendment may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same agreement. Any such counterpart which may be delivered by facsimile transmission shall be deemed the equivalent of an originally signed counterpart and shall be fully admissible in any enforcement proceedings regarding this Agreement.
