### TRADEMARK COLLATERAL AGREEMENT

This 10th day of June, 2005, NATIONAL COMPUTER PRINT, INC., an Alabama corporation ("*Debtor*"), with its principal place of business and mailing address at 5200 East Lake Boulevard, Birmingham, Alabama 35217, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, grants to BMO GLOBAL CAPITAL SOLUTIONS, INC. ("*BMO*") with its mailing address at 111 West Monroe Street, Chicago, Illinois 60603, acting as administrative agent for the Secured Creditors defined in that certain Security Agreement hereinafter defined (BMO acting as such administrative agent and any successor or successors to BMO acting in such capacity being hereinafter referred to as "*Agent*"), a lien on, and a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A-1 hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) Each trademark license listed on Schedule A-2 hereto and all royalties and other sums due or to become due under or in respect of each such trademark license, together with the right to sue for and collect all such royalties and other sums; and

(iii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A-1 hereto or of any trademark licensed under a trademark license listed on Schedule A-2 or by reason of injury to the goodwill associated with any such trademark, trademark registration or trademark license, in each case together with the right to sue for and collect said damages;

to secure performance of all Secured Obligations of Debtor as set out in that certain Security Agreement bearing even date herewith between Debtor, the other debtors party thereto and the Agent, as the same may be amended, modified, supplemented or restated from time to time (the "*Security Agreement*").

Notwithstanding the foregoing, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Agent of any applications by the Debtor for any Trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "*Intent-To-Use Applications*"), but rather, if and so long as any Intent-To-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of the Agent, for the ratable benefit of the Secured Creditors, on such Intent-To-Use Applications as collateral for the Secured Obligations.

Debtor does hereby further acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the trademarks, trademark registrations, trademark applications and trademark licenses made and granted hereby are more fully set forth in the Security Agreement and in the event of any conflict or ambiguity between this Trademark Collateral Agreement and the Security Agreement, the Security Agreement shall control.

IN WITNESS WHEREOF, Debtor has caused this Trademark Collateral Agreement to be duly executed as of the date and year last above written.

NATIONAL COMPUTER PRINT, INC.

By Russell M. Ewan
