INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (as the same may from time to time be amended, restated or otherwise modified, this "Agreement") is made by PRISMA FIBERS, INC., a Virginia corporation ("Grantor"), in favor of NATIONAL CITY BANK, as agent (in that capacity, "Agent") for the lending institutions named in Schedule 1 to the Credit Agreement, as hereinafter defined (collectively, the "Lenders" and individually, a "Lender").

INTRODUCTION:

WHEREAS, A. Grantor and PREMIERE FIBERS, INC., a Delaware corporation (together with their respective successors and assigns, collectively, the "Borrowers", and individually, a "Borrower"), Agent and the Lenders are parties to a Credit and Security Agreement dated as of even date herewith (as the same may be amended or amended and restated from time to time, the "Credit Agreement"); and

B. It is a condition precedent to each extension of credit pursuant to the Credit Agreement by Lenders or any of them to or for the account of Borrowers that, among other things, Grantor shall have executed and delivered this Agreement to Agent.

THEREFORE, in consideration of the premises, to induce Lenders to extend credit pursuant to the Credit Agreement, to induce each Lender to extend to or for the account of Borrowers such other credit as that Lender may from time to time deem advisable (all upon such terms and conditions as that Lender may from time to time deem advisable), in order to induce Agent to accept its appointment as "Agent" pursuant to the Credit Agreement, and in consideration of the foregoing and for other valuable considerations, Grantor hereby agrees, grants, represents, and warrants as follows:

1. Incorporation of Credit Agreement. The Credit Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All capitalized terms used herein have the meanings given to them in the Credit Agreement unless otherwise defined herein.

patents and applications, together with the items described in clauses (a)-(d), are sometimes hereinafter individually and/or collectively referred to as the "Patents"); and (e) proceeds of any of the foregoing Patents; and

(ii) license agreements with any other party, whether Grantor is a licensor or licensee under any such license agreement, including, without limitation, the licenses listed on Schedule C attached hereto and made a part hereof, and the right to prepare for sale, sell and advertise for sale, all Inventory now or hereafter owned by Grantor and now or hereafter covered by such licenses (all of the foregoing is hereinafter referred to collectively as the "Licenses"); and proceeds of any of the foregoing Licenses.

3. Security Interest in Trademarks and Goodwill. To secure the complete and timely satisfaction of all of the Secured Debt, Grantor hereby grants and conveys to Agent a security interest in all of the Grantor's right, title and interest in and to all of its now owned or existing and filed and hereafter acquired or arising and filed:

(i) trademarks, trademark registrations, trade names and trademark applications, service marks, service mark registrations, service names and service mark applications, including, without limitation, the trademarks, trademark registrations, trade names and trademark applications, service marks, service mark registrations, service names and service mark applications listed on Schedule B, attached hereto and made a part hereof, and (a) renewals thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, damages and payment for past or future infringements thereof, (c) the right to sue for past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world (all of the foregoing trademarks, service marks, trademark and service mark registrations, trade names, service names and applications, together with the items described in clauses (a)-(d), are sometimes hereinafter individually and/or collectively referred to as the "Trademarks"); and (e) proceeds of any of the foregoing Trademarks; and

(ii) the goodwill of Grantor's business including but not by way of limitation such goodwill connected with and symbolized by the Trademarks.

4. Restrictions on Future Assignments. Grantor agrees that until the Secured Debt shall have been satisfied in full and all commitments under the Credit Agreement shall have been terminated, except in each case as otherwise permitted under the Credit Agreement, Grantor will not, without Agent's prior written consent, enter into any agreement relating to the Patents, Trademarks or Licenses and Grantor further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights transferred to Agent under this Agreement.

5. New Patents, Trademarks, and Licenses. Grantor represents and warrants that the Patents, Trademarks and Licenses listed on Schedules A, B and C, respectively, constitute all of the issued patents, registered trademarks, registered service marks, applications for trademark registration and written licenses pertaining to Patents or Trademarks, material to the business of

Grantor or Borrowers and owned by Grantor on the Closing Date. If, before the Secured Debt shall have been satisfied in full, Grantor shall (i) obtain rights to any new Patents, Trademarks or Licenses, or (ii) become entitled to the benefit of any Patent, Trademark or license renewal, or Patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of this Agreement shall automatically apply thereto and Grantor shall give to Agent prompt written notice thereof. Grantor hereby authorizes Agent as attorney in fact to modify this Agreement by amending Schedules A, B and/or C, as applicable, to include any Patents, Trademarks or Licenses, provided that Agent shall provide Grantor with notice of any such modification, and to file or refile this Agreement with the United States Patent and Trademark Office.

6. Representations and Warranties. Grantor represents and warrants to and agrees with Agent that:

(i) The Patents and Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part as of the Closing Date;

(ii) Each of the issued patents and registered trademarks is valid and enforceable as of the Closing Date;

(iii) Grantor is the owner of the Patents and Trademarks and has the power and authority to make, and will continue to have authority to perform, this Agreement according to its terms;

(iv) This Agreement does not violate and is not in contravention of any other agreement to which Grantor is a party or any judgment or decree by which Grantor is bound and does not require any consent under any other agreement to which Grantor is a party or by which Grantor is bound;

(v) The Patents, Trademarks or Licenses are free from all Liens, other than the Permitted Liens; and

(vi) The Licenses are valid and binding agreements enforceable according to their terms. Each of the Licenses is in full force and effect and has not been amended or abrogated and there is no default under any of the Licenses.

7. Royalties; Terms. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Trademarks and Licenses with respect to which a security interest has been granted hereunder, or (ii) the Secured Debt has been paid in full and all commitments under the Credit Agreement have been terminated.

8. Remedies.

(a) Grantor expressly acknowledges that Agent shall record this Agreement with the United States Patent and Trademark Office in Washington, D.C. Contemporaneously herewith, Grantor shall also execute and deliver to Agent an assignment in the form of Exhibit A hereto (the "Assignment"), which Assignment shall have no force and effect and shall be held by Agent, in escrow, until the occurrence and

during the continuance of an Event of Default; provided that, anything herein to the contrary notwithstanding, the security interest granted herein shall be effective as of the date of this Agreement. After the occurrence of an Event of Default (unless such Event of Default has been cured or waived prior to Agent providing the notice provided for this paragraph), the Assignment shall take effect immediately upon certification of such fact by an authorized officer of Agent in the form attached as Exhibit A hereto and upon written notice to Grantor and thereafter Agent may, in its sole discretion, record the Assignment with the United States Patent and Trademark Office.

(b) If an Event of Default shall occur and be continuing, Grantor irrevocably authorizes and empowers Agent, on behalf of the Lenders, to terminate Grantor's use of the Patents, Trademarks and Licenses and to exercise such rights and remedies as allowed by law. In addition, Grantor hereby authorizes and empowers Agent, on behalf of the Lenders, to make, constitute and appoint any officer or agent of Agent as Agent may select, in its exclusive discretion, as Grantor's true and lawful attorney-in-fact, with the power to endorse, after the occurrence and during the continuance of an Event of Default, Grantor's name on all applications, documents, papers and instruments necessary for Agent to use the Patents, Trademarks or Licenses, or to grant or issue any exclusive or nonexclusive license under the Patents, Trademarks or Licenses to any third party, or necessary for Agent to assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Trademarks or Licenses, together with associated goodwill to a third party or parties. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable for the life of this Agreement.

9. Reassignment to Grantor. Upon payment in full of the Secured Debt and termination of all commitments under the Credit Agreement, Agent shall promptly execute and deliver to Grantor all assignments, releases or other instruments as may be necessary or proper to release the security interest granted hereby, and, if necessary, re-vest in Grantor full title to the Patents, Trademarks and Licenses, subject to any disposition thereof which may have been made by Agent pursuant hereto or pursuant to the Credit Agreement.

10. Duties of Grantor. Grantor shall have the duty to (i) prosecute diligently any patent application of the Patents made by it and any trademark or service mark application of the Trademarks made by it pending as of the date hereof or thereafter until the Secured Debt shall have been paid in full (other than, in each case, applications deemed by Grantor to be no longer prudent to pursue), (ii) file and prosecute opposition and cancellation proceedings, other than to the extent that the Grantor determines in its reasonable business judgment that such intellectual property is no longer desirable in the conduct of its business, (iii) make application on unpatented but patentable material inventions and on material trademarks and material service marks, as appropriate, to the extent Grantor determines in its reasonable business judgment that such intellectual property is desirable in the conduct of its business, and (iv) preserve and maintain all of its rights in patent applications and patents of the Patents and in trademark applications, trademarks, trademark registrations, service mark applications, service marks, and service mark registrations of the Trademarks, other than to the extent that the Grantor determines in its reasonable business judgment that the preservation and maintenance of such intellectual property is no longer desirable in the conduct of its business. Any expenses incurred in

connection with such duties shall be borne by Grantor. Grantor shall not abandon any right to file a Patent application or Trademark application, or any pending Patent application, Trademark application, Patent, or Trademark without the consent of Agent, which consent shall not be unreasonably withheld, except where such abandonment could not reasonably be expected to have a Material Adverse Effect.

11. Financing Statements; Documents. Grantor authorizes Agent (as Grantor's irrevocable attorney-in-fact) to file one or more financing statements pursuant to the applicable version of the Uniform Commercial Code in form satisfactory to Agent and will pay the costs of filing and/or recording this Agreement and all financing, continuation and termination statements in all public offices where filing or recording is deemed necessary or desirable by Agent. Grantor will execute and deliver to Agent from time to time such supplemental grants (and after the filing of the Assignment in accordance with Section 8(a), assignments) or other instruments, including, but not by way of limitation, additional grants (and after the filing of the Assignment in accordance with Section 8(a), assignments) to be filed with the United States Patent and Trademark Office, as Agent may require for the purpose of confirming Agent's interest in the Patents, Trademarks and Licenses.

12. Agent's Right to Sue. Upon the occurrence and during the continuance of an Event of Default, Agent may, but shall in no way be obligated, to bring suit in its own name to enforce the Licenses and the Patents and Trademarks, and any licenses thereunder, and, if Agent shall commence any such suit, Grantor shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents required by Agent in aid of such enforcement and Grantor shall promptly, upon demand and as a part of the Secured Debt, reimburse and indemnify Agent for all costs and expenses incurred by Agent in the exercise of its rights under this Paragraph 12.

13. Waivers. No course of dealing between Grantor and Agent nor any failure to exercise nor any delay in exercising, on the part of Agent, any right, power or privilege hereunder or under the Credit Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 5 hereof or by a writing signed by the parties hereto.

16. Cumulative Remedies; Effect on Credit Agreement. All of Agent's rights and remedies with respect to the Patents, Trademarks and Licenses, whether established hereby or by the Credit Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Grantor acknowledges and agrees that this Agreement is

not intended to limit or restrict in any way the rights and remedies of Agent under the Credit Agreement but rather is intended to facilitate the exercise of such rights and remedies.

17. Binding Effect; Benefits. This Agreement shall be binding upon the Grantor and its respective successors and assigns, and shall inure to the benefit of Agent, its successors and assigns, except that Grantor may not assign any of its rights or duties hereunder without the prior written consent of Agent, other than any assignment, license, or other disposition of intellectual property permitted under the Credit Agreement. Any such attempted assignment or transfer without the prior written consent of Agent shall be null and void.

18. Notice. All notices, requests, demands and other communications provided for hereunder shall be in writing and mailed or delivered to Grantor, addressed to Grantor at the address specified on the signature page of this Agreement, if to Agent or Lenders, mailed or delivered to them, addressed to the respective addresses of Agent and Lenders specified on the signature page of the Credit Agreement. All notices, statements, requests, demands and other communications provided for hereunder shall be deemed to be given or made when delivered or forty-eight (48) hours after being deposited in the mails with postage prepaid by registered or certified mail, addressed as aforesaid, or sent by facsimile with telephonic confirmation of receipt.

19. Governing Law. This Agreement has been delivered and accepted in Cleveland, Ohio, and shall be governed by and construed in accordance with the local laws of the State of Ohio, without regard to principles of conflicts of laws.

20. Termination. At such time as the Debt has been irrevocably paid in full, and the Commitment, as defined in the Credit Agreement, terminated, this Agreement and the security interest granted hereby shall terminate and, upon written request of Pledgor, Agent shall promptly execute and deliver to Pledgor any Collateral then in its possession, appropriate termination statements and any other release documentation that Pledgor shall reasonably request.

[The remainder of this page is intentionally blank.]

21. WAIVER. GRANTOR, TO THE EXTENT PERMITTED BY LAW, WAIVES ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, AMONG LENDERS, AGENT AND GRANTOR ARISING OUT OF, IN CONNECTION WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED AMONG THEM IN CONNECTION WITH THIS AGREEMENT OR ANY NOTE OR OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION THEREWITH OR THE TRANSACTIONS RELATED THERETO. THIS WAIVER SHALL NOT IN ANY WAY AFFECT, WAIVE, LIMIT, AMEND OR MODIFY AGENT'S OR ANY LENDER'S ABILITY TO PURSUE REMEDIES PURSUANT TO ANY CONFESSION OF JUDGMENT OR COGNOVIT PROVISION CONTAINED IN ANY NOTE OR OTHER INSTRUMENT, DOCUMENT OR AGREEMENT AMONG GRANTOR, AGENT OR LENDERS, OR ANY THEREOF.

IN WITNESS WHEREOF, the undersigned, being a duly authorized officer of Grantor, has executed this Agreement as of the 29th day of March, 2004.
