ASSIGNMENT OF INTELLECTUAL PROPERTY

This ASSIGNMENT OF INTELLECTUAL PROPERTY, dated as of August [23], 2003 (this "Assignment") by Fleming Companies, Inc., an Oklahoma corporation, Fleming Transportation Service, Inc., an Oklahoma corporation, RFS Marketing Services, Inc., an Oklahoma corporation, Fleming International Ltd., an Oklahoma corporation, Fleming Foods of Texas L.P., an Oklahoma limited partnership, Fleming Foods Management Co., L.L.C., an Oklahoma limited liability company (each, an "Assignor" and collectively, the "Assignors"), in favor of Surry Licensing LLC, a New Hampshire limited liability company ("Assignee") with its principal place of business at 7 Corporate Drive, Keene, NH 03431.

WITNESSETH

WHEREAS, Assignors and C&S Acquisition LLC ("C&S") are among the parties to that certain Asset Purchase Agreement, dated as of July 7, 2003 (the "Agreement"), pursuant to which Assignors have agreed to sell, assign, transfer and deliver to C&S (or its designee) and C&S has agreed to (or have its designee) purchase, acquire and take assignment and delivery of the Acquired Assets (as defined in the Agreement).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignors do hereby sell, assign, transfer and deliver to Assignee all of Assignors' and their Affiliates' (as defined in the Agreement) right, title, and interest in and to:

(a) Company Owned Intellectual Property. All intellectual property owned by Assignors and used or held for use in connection with the Acquired Assets, including without limitation:

(i) all copyrights, including without limitation copyrights in all computer programs (whether in source code or object code form), databases, compilations and data, and all documentation related to any of the foregoing and in the content contained on any Web site, and registrations and applications for any of the foregoing, and rights to sue for past Infringement (as defined in the Agreement) thereof ("Copyrights"), including without limitation the applications and registrations set forth on Attachment I hereto;

(ii) all patents and industrial designs, including without limitation any continuations, divisionals, continuations-in-part, renewals, reissues and applications for any of the foregoing, and rights to sue for past Infringement thereof ("Patents");

(iii) all trademarks, tradenames, service marks, designs, logos, emblems, signs or insignia, slogans, other similar designations of source or origin and general intangibles of like nature, together with the registrations and applications for registrations pertaining to any of the foregoing, any derivations of any of the foregoing,

all goodwill associated therewith, and rights to sue for past Infringement thereof ("Trademarks"), including without limitation the applications and registrations set forth on Attachment II hereto, excluding any Trademarks for which the assets of the Business (as defined in the Agreement) related thereto are not being assigned at the Initial Closing (as defined in the Agreement);

(iv) all Domain Names (as defined in the Agreement), including without limitation the Domain Name registrations set forth on Attachment III hereto, excluding any Domain Names for which the assets of the Business (as defined in the Agreement) related thereto are not being assigned at the Initial Closing (as defined in the Agreement);

(v) all trade secrets (as defined under applicable law) including without limitation trade secrets of the following nature: financing and marketing information, technology, know-how, inventions, proprietary processes, formulae, algorithms, models and methodologies, and rights to sue for past Infringement thereof ("Trade Secrets");

(vi) all other similar intangible assets; and

(viii) and all rights corresponding to the foregoing throughout the world.

Notwithstanding the foregoing, (1) no software license agreement or other information technology related agreement, including without limitation those set forth on Schedule 4.19(b) or Schedule 8.11 of the Agreement, (2) no agreement with IGA, Inc., (3) no trademarks or domain names covered by the Assignment of Intellectual Property by Fleming Companies, Inc. and Piggly Wiggly Company in favor of Piggly Wiggly LLC, dated as of August [23] 2003, and (4) no trademarks set forth on Attachment III hereto, will be sold, assigned, transferred or delivered to Assignee under this Assignment.

Assignors further agree, without further consideration, to cause to be performed such lawful acts and to execute such further assignments and other lawful documents as Assignee may reasonably request to effectuate fully this Assignment.
