RECITAL

WHEREAS, Assignee and Assignor are parties to an Asset Purchase Agreement dated as of July 11, 2005 (the "Agreement"), pursuant to which Assignor has agreed to sell to Assignee and Assignee has agreed to buy from Assignor the Purchased Assets (as defined in the Agreement), including without limitation the servicemarks, trademarks and trade names of Assignor;

WHEREAS, Assignor has adopted and is using and has continuously used the trademarks and service marks listed in Schedule A for which it is the owner at common law and for which it owns certain federal registrations or state registrations as indicated (the "Marks");

NOW, THEREFORE, in consideration of the sale of the Assets and in accordance with the terms of the Purchase Agreement, the parties hereby agree as follows:

1. Assignor does hereby assign, sell and transfer to Assignee, its successors and assigns, all of its worldwide right, title, and interest in, to and under said Marks, together with the goodwill of the business symbolized by and associated with said Marks, and the state and federal trademark registrations for the Marks, all rights to sue for infringement of any Mark, whether arising prior to or subsequent to the date of this Assignment of Servicemarks and Trademarks, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States and in any other jurisdiction, the same to be held and enjoyed by the said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Assignment of Servicemarks and Trademarks not been made.
