**ASSIGNMENT OF TRADEMARKS, TRADEMARK
APPLICATIONS AND TRADEMARK REGISTRATIONS**

THIS ASSIGNMENT OF TRADEMARKS, TRADEMARK APPLICATIONS AND TRADEMARK REGISTRATIONS (this "**Assignment**") is made this 16th day of August, 2005, by Applied Therapeutics Inc, a Florida corporation ("**Seller**").

WITNESSETH:

WHEREAS, Seller is the sole owner of the entire worldwide right, title and interest in, to and under the trademarks and any registrations and applications therefor as listed in Schedule A (whether or not registered) in the United States and all other nations throughout the world, including all variations, derivations, combinations, registrations and applications for registration of the foregoing and all goodwill associated therewith; all rights in all of the foregoing provided by treaties, conventions and common law and all rights to sue or recover and retain damages and costs and attorneys' fees for past, present and future infringement or misappropriation of any of the foregoing (collectively the "**Trademarks**");

WHEREAS, ArthroCare Corporation, a Delaware corporation ("**Buyer**") is desirous of acquiring the entire worldwide right, title and interest in, to and under the Trademarks.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and pursuant to the Asset Purchase Agreement of even date herewith (the "**Agreement**") between Seller, Buyer and the other parties thereto, Seller and Buyer, intending to be legally bound, agree as follows:

1. Seller hereby transfers, conveys and assigns to Buyer, the entire right, title and interest in and to the Trademarks and any common law or copyright rights relating to the Trademarks, together with the goodwill of the business in which each Trademark is used, or with that part of the goodwill of the business connected with the use of and symbolized by each Trademark, and the right to sue and recover for, and the right to the profits or damages due or accrued arising out of or in connection with any and all past, present or future infringements or passing off or dilution of or damage or injury to the Trademarks or such represented goodwill.

2. Seller will neither use nor attempt to register any Trademark or any confusingly similar mark thereto. Seller shall not oppose, attempt to cancel or in any way challenge any applications or registrations for or Buyer's rights in and to the Trademarks or any substantially similar trademarks and service marks.

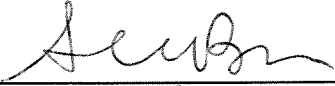

3. Seller agrees that, upon request it will, at any time without charging a fee to Buyer but at Buyer's expense for any reasonable costs incurred, furnish all necessary documentation relating to or supporting chain of title and to confirm Buyer's ownership of all right, title, and interest in and to the Trademarks, provide testimony at any time in connection with any proceedings affecting the right, title, interest or benefit of Buyer in, to or under the Trademarks and sign and deliver all papers, take all rightful oaths, and do all acts which may be reasonably necessary for vesting title to the Trademarks in Buyer, its successors, assigns and legal

representatives or nominees. In the event Seller fails to execute such documentation after a reasonable amount of time, Seller hereby appoints Buyer with full and complete authority and power of attorney to act in the stead of Seller and to execute and record as its attorney-in-fact such transfer documentation.

4. Nothing herein shall effect, or be deemed to affect, the representations, warranties, covenants, and indemnities contained in the Agreement.

IN WITNESS WHEREOF, Seller has caused this Assignment to be executed as of the date first set forth above.
