TRADEMARK

REEL: 003155 FRAME: 0737

THIS DEED is made on the 20TH day of MAY 2005

BETWEEN

GCC MANAGEMENT LIMITED, a Hong Kong Limited company of Room 1801 Nan Fung Commercial Centre, 19 Lam Lok Street, Kowloon Bay, Kowloon, Hong Kong
("IP Owner")

AND

GCC IP PTY LTD (ABN 95 108 112 474) of Unit 8, Upper Floor Boardwalk, 273 Foreshore Drive, Geraldton WA 6530.
("Assignee")

RECITALS:

- A. The IP Owner was the owner of certain Intellectual Property.
- B. The Assignee offered to purchase the Intellectual Property and the IP Owner agreed to assign the Intellectual Property to the Assignee on 31 March 2004.
- C. The Assignee and the IP Owner hereby execute this Agreement to allow the Assignee to be registered as the owner of the Intellectual Property assigned to it on 31 March 2004.
- D. In the preparation of this Agreement it has been noted that the IP Owner has been incorrectly recorded in respect of certain Intellectual Property as GCC Man Ltd. The IP Owner confirms that there has never been a company called GCC Man Ltd and that the legal entity that owns the certain Intellectual Property is the IP Owner.

THIS DEED WITNESSES as follows:

1. DEFINITIONS AND INTERPRETATION

1.1 Definitions

"Additional Consideration" means a exclusive license(s) to the whole or part of the Intellectual Property given by the Assignee to a nominated member of the GCC Group of Companies, as directed by the Assignee, and a flat hourly charge by the Assignee to the IP Owner and all other companies that form part of the GCC Group of Companies for all legal and intellectual property related matters, the flat hourly charge being an economical rate no less than \$100 below the total hourly charge of a registerer patent attorney performing routine functions as provided for in the Signature Fee Schedule.

“Assigned Patents” means the patents and patent applications listed in Schedule 1 and any other invention recorded therein that is to be the subject of a patent application.

“Assigned Trade Marks” means the trade and service mark registrations and trade and service mark applications listed in Schedule 2 and any other sign recorded therein, whether to be the subject of a trade or service mark application or not.

“Confidential Information” includes, without limitation, trade secrets, know-how, proprietary information rights and any other rights in proprietary information that is, by virtue of its nature, confidential and whether presented in documentary, verbal or other form.

“Designs” means all designs, whether registered, unregistered or the subject of a design application, which includes, without limitation, divisionals.

“Intellectual Property” includes, without limitation:

- (a) the Assigned Patents;
- (b) the Assigned Trade Marks, without their associated goodwill;
- (c) all current and future Intellectual Property Rights in the Assigned Trade Marks and the Technology; and
- (d) all rights to claim priority from all applications or registrations of current and future Intellectual Property Rights referred to in paragraph (a), paragraph (b) or paragraph (c);

within the Territory as exists at the date of execution of this Deed.

“Intellectual Property Rights” includes, without limitation, rights relating to or known as:

- copyright;
- Patents;
- utility models;
- Confidential Information;
- Designs;
- Trade Marks;
- circuit layout rights and other rights afforded integrated circuits;
- database rights;
- rights in domain names; and
- all other similar proprietary rights and applications for such rights,

and includes the right to sue for, and receive damages or an account of profits for, all past and future infringement of any of the foregoing.

“Moral Rights” includes, without limitation:

- the right of attribution;
- the right to prevent false attribution of authorship;
- the right of integrity; and
- other like rights granted to an author or other person,

in respect of a work or other subject matter in which moral rights are deemed to exist.

“Patents” means all patents and patent applications, which terms include, without limitation, any innovation patents, additions, divisionals, continuations, continuations-in-part, supplemental disclosures, renewals, re-issues, and registrations or extensions or special protection certificates issued in connection with any patent or patent application.

“Regulating Agency” includes any entity created by law or authorised to act under, or administer, any law or regulations, eg. a stock exchanges, government agency, government department (including departments not within the direct control of an elected government but operating pursuant to powers conferred by a government), a judicial person and holder of an administrative office (whether autonomous or not) who has been duly appointed to apply or administer a law or an enactment.

“Technology” includes:

- a) the inventions the subject of the Assigned Patents; and
- b) any and all technical data, information, materials and know-how that is needed in the practice, development or commercialisation of any and all inventions the subject of the Assigned Patents,

as existed at 31 March 2004.

“Territory” means, collectively, the territory referred to in 3 and, separately, each of the jurisdictions that form the territory referred to in Schedule 3.

“Third Party” means any person other than the IP Owner or the Assignee.

“Trade Marks” means all trade and service marks, whether registered, unregistered or the subject of a trade or service mark application, which includes, without limitation, divisionals, certification marks, collective marks and defensive marks.

1.2 Interpretation

Unless the intention appears to the contrary,

- (i) a reference to a recital, clause, schedule, annexure or exhibit is to a recital, clause, schedule or exhibit of or to this Deed.
- (ii) a reference to this Deed or another instrument includes any variation or replacement of any of them.
- (iii) the singular includes the plural and vice versa.
- (iv) a reference to any gender includes all genders.
- (v) a reference to a person includes a reference to the person's executors, administrators, substitutes, successors and permitted assigns.
- (vi) a covenant, representation or warranty in favour of two or more persons is for the benefit of them jointly and severally.
- (vii) A covenant, representation or warranty on the part of two or more persons binds them jointly and severally.
- (viii) Headings in this Deed are for convenience only and do not affect the construction or interpretation of this Deed.

2. ASSIGNMENT OF INTELLECTUAL PROPERTY

2.1 Confirmation of Assignment

By reason of the agreement made on 31 March 2004, and the Additional Consideration, the IP Owner hereby confirms, acknowledges and agrees that:

- (a) the Assignee is, and has been since 31 March 2004, the sole owner of, the Intellectual Property and has the exclusive right to use, or licence others to use, the Intellectual Property;
- (b) the Assignee has, and always has had, since 31 March 2004, the sole right to apply for any Intellectual Property Rights in respect of the Technology in any jurisdiction in the Territory as the Assignee desires; and
- (c) the IP Owner, nor any Third Party claiming through the IP Owner, has any right, title or interest in any or all of the Intellectual Property, save as may have been agreed to the contrary between the Parties since 31 March 2004.

2.2 No Contest or Harm

- (a) The IP Owner and its assigns and successors each agree not to contest in any manner the Assignee's ownership of and exclusive right to use the Intellectual Property.
- (b) The IP Owner and its assigns and successors each must not do anything, or aid or assist any Third Party to do anything, that would infringe upon, harm or contest the Assignee's rights in respect of the Intellectual Property.
- (c) Clauses (a) and (b) equally apply in respect of the rights of the Assignee's assigns and successors.

2.3 Acknowledgment of Right to License etc.

The IP Owner acknowledges that the Assignee may transfer, assign, license or otherwise deal with any or all of the Intellectual Property in its absolute discretion and that the Assignee is solely entitled to all proceeds derived from or received in connection with any commercialisation of the Intellectual Property accruing after 31 March 2004 unless an agreement has been made to the contrary.

3. DEFINITION OF "IP OWNER"

For the purposes of Clauses 4 and 5, the term "IP Owner" includes any Third Party acting for, on behalf of, or in conjunction with the IP Owner.

4. MORAL RIGHTS

4.1 Assignment Where Capable by Law

To the extent permissible by law in each jurisdiction in the Territory, the IP Owner hereby assigns all its Moral Rights incorporated in or relating to the Intellectual Property to the Assignee.

4.2 Use of Works and Other Subject Matter by Assignee

To the extent that Moral Rights incorporated in or relating to the Intellectual Property have not been assigned to the Assignee pursuant to Clause 4.1, then to the extent permissible by law, the IP Owner hereby:

- (a) consents to the Assignee using any work or other subject matter capable of attracting Moral Rights incorporated in or relating to the Intellectual Property in any manner the Assignee sees fit, including in any manner as would constitute a breach of the IP Owner's Moral Rights; and/or
- (b) will obtain from any person having Moral Rights in any work or other subject matter incorporated in or related to the Intellectual Property consent for the Assignee to use the work or other subject matter on terms acceptable to the Assignee, including in any manner as would constitute a breach of their Moral Rights..

4.3 Specific Consents

In respect of any Moral Rights incorporated in or related to the Intellectual Property owned by the IP Owner and not assigned to the Assignee pursuant to Clause 4.1, the IP Owner hereby consents, and will obtain a consent from any person having Moral Rights incorporated in or related to the Intellectual Property, to the Assignee using any work or subject matter in which the IP Owner has Moral Rights incorporated in or related to the Intellectual Property:

- (a) without acknowledging the IP Owner or such other party as may have Moral Rights in the work or subject matter, as the person who has such Moral Rights; and

- (b) in any manner they see fit, including those that may breach the IP Owner's or such other party's right of integrity, in particular:
- relating to use of the Intellectual Property, in whole or in part as trade marks;
 - relating to the marketing and sale of the Technology, in whole or in part;
 - relating to the manufacture of the Technology, in whole or in part; and
 - otherwise relating to the exploitation of the Technology and Intellectual Property, whether in whole or in part.

5. ASSISTANCE BY IP OWNER

5.1 Execution of Documents, etc.

The IP Owner agrees that it will take all action, including, without limitation, the delivery and execution of any documents or instruments, as may be required by the Assignee from time to time in order to give effect to the provisions of Clauses 2.1 and 4.1.

5.2 Court or Other Proceedings

The IP Owner agrees that it will provide all such assistance as is deemed necessary by the Assignee in any legal proceedings involving the Intellectual Property, including, without limitation:

- (a) Prosecution of any registrable Intellectual Property Rights;
- (b) Opposition proceedings;
- (c) Revocation proceedings;
- (d) Re-examination proceedings; and
- (e) Infringement proceedings,

whether before any intellectual property office, tribunal or court.

5.3 Failure by IP Owner to Provide Assistance

If the IP Owner fails to comply with the provisions of Clause 5.1 within thirty (30) days of a written request by the Assignee pursuant to that clause, the IP Owner irrevocably appoints the Assignee (or its authorised representative) as its attorney to execute all documents and instruments and perform all acts as are necessary to complete the action the subject of the written request.

6. RIGHT OF REVIEW

6.1 On written request of the IP Owner to the Assignee to provide the document, the Assignee must provide a copy of the most current version of the Signature Fee Schedule.

6.2 On written request of the IP owner for a fee review, the Assignee will provide an audit record showing the correlation between charges made to the IP Owner and other members of the GCC Group of Companies

as against the then applicable Signature Fee Schedule since the last fee review. If the charges made to the IP Owner or any other member of the GCC Group of Companies is greater than \$100 below the total hourly charge of a registerer patent attorney performing routine functions as provided for in the Signature Fee Schedule during any period, the IP Owner will be entitled to 110% of the overpayment to be paid by the Assignee.

- 6.3 The IP Owner may not issue a written request for a copy of the Signature Fee Schedule more than twice (2) in any twelve (12) month period and may call for a fee review no more than once (1) in any twelve (12) month period.

7. AUTHORITY TO EXECUTE

Each of the Parties warrants to each of the other Parties that they have the authority to execute this Deed and that upon execution by that Party, the provisions of this Deed are binding upon that Party.

8. COUNTERPARTS

This Deed may be signed in any number of counterparts which, when taken together, will constitute one instrument.

9. FAILURE TO EXECUTE

Each of the Parties agrees that the failure by one Party to execute this Deed does not affect the ability of one signatory Party to enforce the provisions of this Deed against those other Parties who have executed this Deed.

10. FURTHER ASSURANCES

Each Party must promptly do all things (including executing all documents) necessary or desirable to give full effect to this Deed.

11. VARIATION

An amendment or variation to this Deed is not effective unless it is in writing and signed by the Parties.

12. SEVERABILITY

If any provision of this Deed should be held to be invalid in any way or unenforceable it shall be severed and the remaining provisions shall not in any way be affected or impaired and this Deed shall be construed so as to most nearly give effect to the intent of the Parties as it was originally executed.

13. SURVIVAL

Clauses 2.1, 2.2, 4, 5 and 6 survive termination of this Deed.

14. GOVERNING LAW AND JURISDICTION

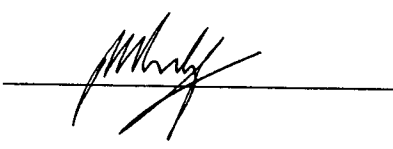

- (a) The law of the Hong Kong S.A.R. governs this Deed.
- (b) The Parties submit to the exclusive jurisdiction of the courts of the Hong Kong S.A.R.

15. COSTS

The Assignee must pay any stamp duty and registration fees payable on or in connection with this Deed and all incidental and collateral documents.
