3. Appointment of Blue Chip IV Limited Partnership as Agent. Each Secured Party hereby irrevocably appoints Blue Chip IV Limited Partnership as its agent (the "Agent"), and irrevocably authorizes the Agent to take such actions on its behalf under this Agreement and to exercise such powers and perform such duties as are expressly delegated to the Agent by the terms of this Agreement, together with such other powers and duties as are reasonably incidental thereto, and to take, hold, and make any filings and recordings as it deems advisable to perfect, protect, and preserve the Collateral or to liquidate the Collateral, and to exercise any right of a Secured Party as a Secured Party either granted hereunder or by law, all in the Agent's sole name, as agent for each Secured Party hereunder; provided, however, that the Agent shall not be required to take any action that it, in the exercise of its judgment in a commercially reasonable manner and acting on the advice of counsel, believes will expose it to liability or that is contrary to this Agreement or applicable law. Each Secured Party hereby authorizes and directs Borrower to deal with the Agent to the extent set forth in this Agreement. The Agent shall not have any duties or responsibilities except as set forth herein, or any fiduciary relationship with the Secured Parties, and no implied responsibilities, duties, obligations, or liabilities shall be read into this Agreement or otherwise exist against the Agent by virtue of this Agreement. The Secured Parties, jointly and severally, shall indemnify to the fullest extent permitted by law the Agent and its employees, agents, and representatives against any losses, claims, damages, or liabilities (including legal or other expenses reasonably incurred in investigating or defending against any such loss, claim, damage, or liability), joint or several, arising out of the Agent's good faith activities or involvement with this Security Agreement and the Agent's rights and responsibilities hereunder, except for acts that constitute willful misconduct of the Agent. This right of indemnification shall be in addition to any rights to which the Agent may otherwise be entitled and shall inure to the benefit of the Agent's successors, assigns, executors, or administrators. The Secured Parties authorize the Agent to withhold for its own account any

{W0482773.7}

such cost or expense from any liquidation proceeds of the Collateral otherwise payable to the Secured Parties hereunder. The Secured Parties may remove Blue Chip IV Limited Partnership as Agent and appoint a successor Agent when Borrower has paid in full those Secured Obligations owed to Blue Chip IV Limited Partnership, but the aforesaid indemnity shall survive such removal.

4. Representations and Warranties. Borrower represents and warrants to the Secured Parties that:

(a) Borrower is the owner of the Collateral, free and clear of all liens, security interests, and other encumbrances of any kind whatsoever, except for Permitted Liens and the pledge, lien, and security interest granted herein, and no security agreement, assignment, financing statement, or similar document or instrument covering the Collateral is on file or of record in any federal, state, or local governmental office or records.

(b) Borrower has full power and authority to enter into this Agreement and to grant the Secured Parties the pledge, lien, and security interest in the Collateral in accordance herewith.

(c) The pledge of, and grant of the lien against and security interest in, the Collateral by Borrower in the manner and for the purposes contemplated by this Agreement (i) have been authorized by all requisite corporate action, and this Agreement has been duly executed and delivered, (ii) do not and will not violate or conflict with any provision of law, any order of any court, or governmental agency, any provision of Borrower's Amended and Restated Certificate of Incorporation or Bylaws, or cause a material breach of or default under any provision of any agreement, order, or decree to which Borrower is a party or by which it or its assets or properties are bound, and (iii) do not and will not result in the creation or imposition of any material lien, charge, or encumbrance of any nature whatsoever upon any properties or assets of Borrower (other than in favor of the Secured Parties hereunder). No registration with or approval of any governmental agency of any kind is required for the due execution and delivery, or the enforceability, of this Agreement.

(d) Borrower hereby authorizes the filing of Uniform Commercial Code Financing Statements ("Financing Statements") containing sufficient legal descriptions of the Collateral and otherwise in form and substance sufficient for filing in every governmental, municipal, or other office in every jurisdiction necessary to perfect the Secured Parties' lien against and security interest in the Collateral and Borrower hereby irrevocably authorizes the Secured Parties or the Agent to file the same. With respect to all Intellectual Property as part of the Collateral, Borrower will execute and deliver to the Secured Parties or the Agent such recordation forms and other documents, each containing sufficient information and in form and substance otherwise sufficient, as may be required for filing with the U.S. Patent and Trademark Office or the U.S. Copyright Office, as the case may be, or other governmental office as necessary to perfect the Secured Parties' lien against and security interest in the Intellectual Property, and Borrower hereby irrevocably authorizes the Secured Parties or the Agent to file the same.

(e) Each Account and General Intangible is genuine and enforceable in accordance with its terms, and at the time any after-acquired Account becomes subject to this Agreement, such Account will be a good and valid account representing a bona fide sale of goods or services by Borrower and the services will have been performed for the respective account debtors.

5. Covenants. Borrower covenants and agrees with the Secured Parties that Borrower:

(a) Shall defend in good faith the Collateral against the claims and demands of all persons.

(b) Shall not change its name or adopt any trade name, assumed name, or fictitious name without notification to the Secured Parties as provided in Section 5(c) below.

(c) Shall advise the Secured Parties in writing at least 30 days prior to any change in Borrower's name or the adoption by Borrower of any trade name, assumed name, or fictitious name, and, in such event, Borrower shall promptly authorize the filing of (and Borrower hereby authorizes the filing of) new Financing Statements describing the Collateral specified herein and otherwise in form and substance sufficient for recordation wherever necessary or appropriate, as determined in the Secured Parties' or the Agent's sole discretion, to perfect or continue perfected the Secured Parties' pledge and security interest in the Collateral based upon such changes in or adoption of names, and Borrower shall pay all filing and recording fees and taxes in connection with the filing or recordation of such Financing Statements and shall immediately reimburse the Secured Parties or the Agent therefor if it pays the same.

(d) Shall not permit any liens, security interests, or other encumbrances of any kind whatsoever (other than in favor of the Secured Parties) to attach to any of the Collateral, except for the Permitted Liens, and shall not sell, assign, or license (other than a license in the ordinary course of business consistent with past practice) any of the Collateral without the prior written approval of the Secured Parties or the Agent.

(e) Shall pay and perform the Secured Obligations strictly in accordance with their terms and shall pay promptly when due all taxes, assessments, and governmental charges upon or affecting the Collateral.

(f) Shall permit the Secured Parties or the Agent to inspect the Collateral and all books and records of Borrower during normal business hours and upon reasonable notice.

(g) Shall immediately notify the Secured Parties and the Agent in writing of any information that Borrower has or may receive with respect to the Collateral that might in any manner materially and adversely affect the value thereof or the rights of the Secured Parties with respect thereto.

6. Remedies Upon an Event of Default. Upon the occurrence of an Event of Default (as defined in the Notes), the Agent (acting on behalf of the Secured Parties) shall have all rights and remedies in and against the Collateral and otherwise of a secured party under the UCC and

{W0482773.7}

all other applicable laws and shall also have all other rights provided herein, in the Notes and in any of the other Loan Documents, all of which rights and remedies shall be cumulative to the fullest extent permitted by law. In addition to, and without limiting the generality of the foregoing:

(a) The Agent may require Borrower, at Borrower's sole expense, to assemble the Collateral, make the Collateral available to the Secured Parties or the Agent at a place reasonably convenient to the Agent, and deliver possession of the Collateral to the Agent at a place reasonably convenient to the Agent.

(b) The Agent shall have the right to sell the Collateral at public or private sale, from time to time, as determined in its sole discretion. Borrower shall pay, as part of the indebtedness and obligations hereby secured, all amounts, including but not limited to the Secured Parties' and the Agent's reasonable attorneys', accountants', and appraisers' fees as permitted by applicable law, with interest thereon at the highest rate specified in the Notes, paid or incurred by the Secured Parties or the Agent for taxes or levies on the Collateral, or any part thereof, and in taking possession of, disposing of, repairing, improving, or preserving the Collateral.

(c) The Agent shall have the right (and Borrower hereby authorizes the Agent) to enter any premises where any part of the Collateral may be located, to assemble and prepare the Collateral for sale, and to conduct an auction sale on the premises or to remove the same from the premises without being deemed guilty of trespass. All expenses incurred by the Agent in exercising its rights under this paragraph shall be chargeable to and borne by Borrower.

(d) The Agent shall not be obligated to make any sale of Collateral if the Agent shall determine not to do so, regardless of the fact that notice of sale of Collateral may have been given. The Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned.

(e) The requirement of reasonable notice of time and place of disposition of Collateral by the Secured Parties or the Agent shall be met conclusively if such notice is mailed to Borrower at its address specified above at least 10 days before the time of the sale or disposition.

(f) Any Secured Party or the Agent may bid upon and purchase any or all of the Collateral at any sale thereof free from all rights of redemption of Borrower.

(g) The Agent may sell all or any part of the Collateral at one or more times and from time to time and upon such terms and conditions, including, without limitation, a credit sale, as it determines in its sole discretion. The Agent shall apply the net proceeds of any such disposition of the Collateral or any part thereof first to the Secured Parties' or the Agent's reasonable costs incurred in connection therewith, or incidental to the holding or preparing for sale, in whole or part, of the Collateral, including, but not limited to, the Secured Parties' or the Agent's reasonable attorneys', accountants', and appraisers' fees as permitted by applicable law,

and then in accordance with the terms of the Purchase Agreement, and any remaining proceeds shall be paid to Borrower or such other parties as may lawfully be entitled thereto.

(h) Borrower shall remain absolutely liable for any deficiency in the Secured Obligations that remains due. To the extent permitted by law, Borrower waives all rights of redemption in or with respect to the Collateral.

(i) The Secured Parties or the Agent shall have the right to notify any account debtors obligated on any of Borrower's Accounts to make payment thereof directly to the Agent, and the Secured Parties or the Agent shall have the right in their own name or in the name of Borrower to demand, collect, receive, receipt for, and sue for any or all amounts due or to become due on the Accounts, and, in their sole discretion, to take any other action that the Secured Parties or the Agent may deem necessary or appropriate to protect, preserve, and realize upon the Secured Parties' security interest in the Accounts.

7. Prosecution of Intellectual Property Applications. Borrower shall use its commercially reasonable efforts to prosecute any application with respect to any Intellectual Property pending as of the date of this Agreement or thereafter, to preserve and maintain all rights in the Intellectual Property, and upon the reasonable request of the Secured Parties, or the Agent, Borrower shall make federal application on registrable but unregistered Intellectual Property. Any reasonable expenses incurred in connection with such applications shall be borne by Borrower. Unless Borrower discontinues the sale of the goods offered in connection with any item of Intellectual Property, Borrower shall not abandon any Intellectual Property without the prior written consent of the Secured Parties. Without limiting the foregoing sentence, Borrower shall give the Secured Parties prior notice of any decision that will result in the abandonment of any Intellectual Property.

8. Miscellaneous.

(a) Notices. All notices to be given by any party to another hereunder shall be in writing and shall be effective when deposited in the United States registered or certified mail, return receipt requested, postage prepaid, addressed to such parties at its address set forth in the Loan Agreement.

(b) Further Assurances. From time to time Borrower shall execute and deliver to the Secured Parties such additional documents and instruments as the Secured Parties may reasonably request to effectuate the purposes of this Agreement and to assure the Secured Parties the benefits of the collateral security provided herein.

(c) Assignment. No party may assign its rights and obligations under this Agreement without obtaining the prior written consent of the other parties (which consent may be withheld by such parties in their sole and absolute discretion); provided, however, the parties agree that the Secured Parties shall have the right at any time and from time to time to assign their rights under this Agreement or any instrument or document executed in connection herewith to any subsequent owner of the Notes in connection with a sale or other transfer of the Notes.

(d) Amendment. This Agreement cannot be changed or amended except by an agreement in writing signed by the Borrower and Secured Parties holding a majority of the outstanding principal amount of the Notes; provided, however, that in the event such amendment adversely affects the rights or obligations of any Secured Party in a different manner than the other Secured Parties, such amendment shall also require the written consent of such Secured Party that is affected differently.

(e) Number and Gender. For purposes of this Agreement, the singular shall be deemed to include the plural and the plural shall be deemed to include the singular, and the neuter shall be deemed to include the masculine and feminine and the masculine and feminine shall be deemed to include the neuter, as the context may require.

(g) Governing Law. The provisions of this Agreement shall be construed in accordance with the laws of the State of Delaware, except to the extent that the laws of other jurisdictions may apply to the creation, perfection, or priority of the pledge, lien, and security interest granted herein.

(h) Designation of Forum and Consent to Jurisdiction. The parties hereby (a) designate the federal and state courts residing in the State of Delaware, as the forum where all matters pertaining to this Agreement may be adjudicated, and (b) by the foregoing designation, consent to the exclusive jurisdiction and venue of such courts for the purpose of adjudicating all matters pertaining to this Agreement, the other Loan Documents, or any of the Contemplated Transactions.

(i) Waiver of Jury Trial. As a specifically bargained inducement for the other parties to enter into this Agreement, each of the parties waives any right it may have to have a jury participate in resolving any dispute arising out of or related to this Agreement. Instead, any such disputes resolved in court shall be resolved in a bench trial without a jury.

(j) Severability. The invalidity or unenforceability, whether in general or in any particular circumstance, of any provision of this Agreement shall not affect its validity or enforceability in any other circumstance or any other provision hereof. The parties hereto agree that this Agreement shall be interpreted so as to give effect and validity to all of the provisions hereof to the fullest extent permitted by law.

(k) Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be considered an original and all of which, when taken together, shall constitute one and the same instrument.
