WHEREAS, BHC and the Borrowers entered into a Loan and Security Agreement dated as of October 19, 2004 (the "Loan and Security Agreement" and together with any other intellectual property security agreements between BHC and the Borrowers in respect of the Marks referred to below, the "Security Agreements"), under which the Borrowers granted to BHC a security interest in the trademarks listed on the attached Schedule A, any applications for federal registration or federal registrations therefor, and the goodwill associated therewith (the "Marks").
