III

MANNER OF CONVERSION OF STOCK

3.1 California Common. Upon the Effective Date of the Merger, each share of California Common issued and outstanding immediately prior thereto shall, by virtue of the Merger and without any action by the Constituent Corporations, the holder of such shares or any other person, be converted into and exchanged for one (1) fully paid and nonassessable share of Delaware Common.

3.2 California Preferred. Upon the Effective Date of the Merger, each share of California Preferred issued and outstanding immediately prior thereto shall, by virtue of the Merger and without any action by the Constituent Corporations, the holder of such shares or any other person, be converted into and exchanged for one (1) fully paid and nonassessable share of the same series of Delaware Preferred.

3.3 Alien California Options. Upon the Effective Date of the Merger, the Surviving Corporation shall assume and continue the 1997 Stock Plan and the 2001 Stock Plan of Alien California and all options issued thereunder. Each option so assumed shall continue to have, and be subject to, the same terms and conditions set forth in the applicable option plan and/or as provided in the respective option agreements (including, without limitation, any vesting schedule or repurchase rights), except as follows:

(i) each outstanding and unexercised option convertible into California Common shall become an option exercisable (subject to such option's vesting schedule) for that number of whole shares of Delaware Common equal to the number of shares of California Common that were subject to such option immediately prior to the Effective Date of the Merger, and

(ii) the per share exercise price for the shares of Delaware Common issuable upon exercise of such assumed option will be equal to the exercise price per share of California Common at which such option was exercisable immediately prior to the Effective Date of the Merger.

A number of shares of Delaware Common shall be reserved for issuance upon the exercise of options equal to the number of shares of California Common so reserved immediately prior to the Effective Date of the Merger.

3.4 Alien California Warrants. Upon the Effective Date of the Merger, the Surviving Corporation shall assume all warrants to purchase Alien California capital stock. Each warrant so assumed shall continue to have, and be subject to, the same terms and conditions set forth in the applicable warrant agreement, except as follows:

(i) each outstanding warrant convertible or exercisable for California Common or California Preferred shall become a warrant convertible or exercisable for that number of whole shares of Delaware Common or Delaware Preferred, respectively, equal to the number of shares of California Common

or California Preferred that were subject to such warrant immediately prior to the Effective Date of the Merger, and

(ii) the per share exercise price for the shares of the Delaware Common or Delaware Preferred issuable upon exercise of such assumed warrant will be equal to the exercise price per share of California Common or California Preferred, respectively, at which such warrant was exercisable immediately prior to the Effective Date of the Merger.

A number of shares of Delaware Common and Delaware Preferred shall be reserved for issuance upon the exercise of warrants equal to the number of shares of California Common and California Preferred so reserved immediately prior to the Effective Date of the Merger.

3.5 Delaware Common. Upon the Effective Date of the Merger, each share of Delaware Common issued and outstanding immediately prior thereto shall, by virtue of the Merger and without any action by Alien Delaware, the holder of such shares or any other person, be canceled and returned to the status of authorized but unissued shares.

3.6 Exchange of Certificates. After the Effective Date of the Merger, each holder of an outstanding certificate representing shares of Alien California capital stock may, at such shareholder's option, surrender the same for cancellation to the exchange agent designated by the Surviving Corporation (the "Exchange Agent"), and each such holder shall be entitled to receive in exchange therefor a certificate or certificates representing the number of shares of the appropriate class and series of the Surviving Corporation's capital stock into which the surrendered shares were converted as herein provided. Until so surrendered, each outstanding certificate theretofore representing shares of Alien California capital stock shall be deemed for all purposes to represent the number of whole shares of the appropriate class and series of the Surviving Corporation's capital stock into which such shares of Alien California capital stock were converted in the Merger.

The registered owner on the books and records of the Surviving Corporation or the Exchange Agent of any such outstanding certificate shall, until such certificate shall have been surrendered for transfer or conversion or otherwise accounted for to the Surviving Corporation or the Exchange Agent, have and be entitled to exercise any voting and other rights with respect to and to receive dividends and other distributions upon the shares of capital stock of the Surviving Corporation represented by such outstanding certificate as provided above.

Each certificate representing capital stock of the Surviving Corporation so issued in the Merger shall bear the same legends, if any, with respect to the restrictions on transferability as the certificates of Alien California so converted and given in exchange therefor, unless otherwise determined by the Board of Directors of the Surviving Corporation in compliance with applicable laws.

If any certificate for shares of Alien Delaware stock is to be issued in a name other than that in which the certificate surrendered in exchange therefor is registered, it shall be a condition of issuance thereof that the certificate so surrendered shall be properly endorsed and otherwise in proper form for transfer, that such transfer otherwise be proper and that the person requesting such transfer pay to the Exchange Agent any transfer or other taxes payable by reason of the issuance of such new certificate in a name other than that of the registered holder of the certificate surrendered or establish to the satisfaction of Alien Delaware that such tax has been paid or is not payable.
