TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (the "Trademark Assignment") is made and entered into as of the 15th day of August, 2005, by and between **Owens Corning**, a Delaware corporation, ("Buyer") and **HomeReady, Inc.**, a Delaware corporation, (the "Seller").

WITNESSETH:

WHEREAS, Buyer and Seller entered into an Asset Purchase Agreement (the "Agreement"), dated as of July 13, 2005 whereby Buyer agreed to purchase certain of the assets of Seller and to assume certain of Seller's liabilities, all as more fully provided for in the Agreement;

WHEREAS, the execution of this Trademark Assignment is a condition precedent to the obligations of the Buyer to effect the Agreement and to complete the transactions contemplated therein;

WHEREAS, Buyer desires to enter into this Trademark Assignment with the Seller; and

WHEREAS, the Seller desires to enter into this Trademark Assignment with Buyer.

NOW, THEREFORE, in consideration of the mutual covenants of the parties as set forth in the Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

Section 1: The Seller has delivered this instrument signed by the Seller to enable the Purchaser to file it with any appropriate governmental agency to indicate ownership of the Marks described below and for the other purposes set forth in this instrument. This instrument supplements and is in addition to all other rights of the Buyer under the Agreement and other instruments of transfer delivered in connection with the Agreement.

Section 2: For good and valuable consideration, receipt of which the Seller acknowledges, and by signing and delivering this instrument, the Seller sells, assigns, transfers, conveys, and delivers to the Purchaser all of the Seller's right, title, and interest in and to:

(a) the registered trademarks and applications for registration of trademarks specifically listed in Exhibit A to this Trademark Assignment; and

(b) the following properties and rights with respect to all trademarks and applications so listed in Exhibit A:

(1) all goodwill associated with the business related to the trademarks together with all rights to use, license and otherwise exploit the trademarks;

(2) any and all registered trademarks and trademark applications of the United States that have been or may be granted or filed, respectively, with respect to such trademarks;

(3) all foreign trademarks that may claim priority based on and correspond to the trademarks listed in Exhibit A;

(4) all income, royalties, damages, and payments hereafter due or payable to the Seller with respect to the trademarks, including without limitation unpaid damages and payments for past, present, and future infringements of any trademark;

(5) all rights in and under the trademarks to the fullest extent allowed by law as fully as the Seller would have held the same in the absence of this assignment; and

(6) all rights to sue and recover damages and payments for past, present, and future infringements or dilution of any of the trademarks, including the right to fully and entirely replace the Seller in all related matters.

Section 3: As of the date set forth below, the Purchaser has succeeded to all right, title, and standing of the Seller to: (a) receive all rights and benefits pertaining to the trademarks and related rights described above, and (b) commence, prosecute, defend and settle all claims and take all actions that the Purchaser, in its sole discretion, may elect in relation to the trademarks described above. This Trademark Assignment (a) is irrevocable and effective upon the Seller's signature to and delivery of a manually signed copy of this instrument or facsimile or email transmission of the signature to this instrument in connection with the Closing, if and only if the Closing is completed, (b) benefits and binds the parties to the Agreement and their respective successors and assignees, (c) does not modify or affect, and is subject to, the provisions of the Agreement, and (d) may be signed in counterparts.
