SUPPLEMENTAL TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of _____, 2005 ("Effective Date") BY AND BETWEEN **MURRAY, INC.**, a Tennessee corporation ("Assignor"), on the one hand, AND **BRIGGS & STRATTON POWER PRODUCTS GROUP, LLC**, a Delaware limited liability company, 900 North Parkway, Jefferson, WI 53549, on the other hand ("Assignee").

WHEREAS, Assignor and Assignee are parties to a certain Asset Purchase Agreement dated January 25, 2005 (the "Agreement");

WHEREAS, Assignor and Assignee are parties to a Trademark Assignment Agreement effective February 11, 2005;

WHEREAS, the Trademark Assignment Agreement effective February 11, 2005 had incorrect information or omitted certain assets that should have been properly included pursuant to the Agreement;

WHEREAS, Assignee is a successor to that part of Assignor's business to which the Marks pertain, and that business is ongoing and existing; and

WHEREAS, pursuant to the Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the United States trademark registrations set forth on Schedule A attached hereto, the United States applications for trademark registration set forth on Schedule B attached hereto, the foreign trademark registrations set forth on Schedule C attached hereto, and the domain names set forth on Schedule E hereto, in each case, together with the goodwill of the business associated therewith (collectively, the "Marks").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee the entire right, title and interest in and to the Marks, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefore, any renewal and extensions of the registrations, all rights as an opponent in opposition proceedings, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding registrars, entities or agencies in any applicable foreign countries, to record Assignee as the Assignee and owner of the Marks.

Schedule A
U.S. Registered Trademarks

| Case Number | Country Name | Trademark Status | Reg Number | Reg Date | Trademark Name |
