1. **Incorporation of Loan Agreement.** The Loan Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. Terms used herein which are not defined herein but are defined in the Loan Agreement shall have the meanings ascribed to them therein.

2. **Grant of Security Interest, Etc.** To secure the complete and timely satisfaction of all of each Obligor's Secured Liabilities:

(A) each Obligor hereby grants to Agent, for the benefit of itself, the Lenders and the L/C Issuer, a security interest in and to all of such Obligor's right, title and interest in, to and under all of the following, whether now existing or hereafter arising:

(i) patents and patent applications, including, without limitation, the inventions and improvements described and claimed therein, and those patents and patent applications listed on Schedule A attached hereto and made a part hereof, and (a) the reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (c) the right to sue for past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world (all of the foregoing patents and applications, together with the items described in clauses (a) through (d), inclusive, in which such Obligor now or hereafter has any right, title or interest are sometimes hereinafter individually and/or collectively referred to as the "Patents");

in clauses (a) through (d), inclusive, with respect thereto in which such Obligor now or hereafter has any right, title or interest are sometimes hereinafter and/or collectively referred to as the "Marks";

(v) all such Obligor's rights and obligations pursuant to its license agreements with any other Person or Persons with respect to any Marks, whether such Obligor is a licensor or licensee under any such license agreements, including, without limitation, the licenses listed on Schedule E attached hereto and made a part hereof, and, subject to the terms of such licenses, the right to prepare for sale, sell and advertise for sale, all Inventory now or hereafter owned by such Obligor and now or hereafter covered by such licenses (all of the foregoing is hereinafter referred to as "Trademark Licenses"; Patent and Copyright Licenses and Trademark Licenses are hereinafter referred to collectively as "Licenses";) and

(vi) the goodwill of such Obligor's business connected with and symbolized by the Marks;

provided, however, that there shall be excluded from the foregoing grant of security interest any of the existing Licenses to which any Obligor is a licensee (and any Patents, Marks and Copyrights currently licensed by others to any Obligor pursuant to such Licenses) in each case to the extent (but only to the extent) that the applicable License lawfully prohibits such grant; provided further, however, that, upon Agent's reasonable request, each Obligor will use its good faith reasonable efforts to obtain any consent needed to subject any such property to this grant of security interest.

**3. Restrictions on Future Agreements.** Each Obligor agrees and covenants that until the Secured Liabilities shall have been satisfied in full and the Loan Agreement shall have been terminated, such Obligor will not, without Agent's prior written consent (such consent not to be unreasonably withheld), take any action or enter into any agreement, including, without limitation entering into any license agreement, which is inconsistent with such Obligor's obligations under this Agreement, and each Obligor further agrees and covenants that without Agent's prior written consent it will not take any action, or permit any action to be taken by others subject to its control, including its licensees, or fail to take any action which would affect the validity or enforcement or nature of the rights transferred to Agent under this Agreement unless and to the extent that such Obligor has concluded in the exercise of reasonable commercial judgment that any such rights are no longer of material importance to the business of such Obligor. Each Obligor agrees and covenants not to sell or assign its interest in, or grant any license under, the Patents, Marks, Copyrights or Licenses, without receiving the prior written consent (such consent not to be unreasonably withheld) of Agent thereto.

**4. Certain Covenants, Representations and Warranties of each Obligor.** Each Obligor covenants, represents and warrants (to the best of such Obligor's knowledge with respect to any Patents, Marks and Copyrights which are licensed by third parties to such Obligor) that: (i) the Patents, Marks, Copyrights and Licenses are subsisting, have not been adjudged invalid or unenforceable in whole or in part, and are not currently being challenged in any way; (ii) none of the Patents, Marks, Copyrights and Licenses have lapsed or expired or have been abandoned, whether due to any failure to pay any maintenance or other fees or make any filing or otherwise;

(iii) each of the Patents, Marks, Copyrights and Licenses is valid and enforceable and such Obligor is unaware of any invalidating prior art (including public uses and sales) relative to the Patents, and is unaware of any impairments to the Patents, Marks, Copyrights or Licenses which would have a material adverse effect on the validity and/or enforceability of the Patents, Marks, Copyrights or Licenses; (iv) to the best of such Obligor's knowledge, no claim has been made that the use of any of the Patents, Marks, Copyrights or Licenses constitutes an infringement; (v) such Obligor owns the entire right, title and interest in and to each of the Patents, Marks and Copyrights (other than those being licensed to such Obligor pursuant to the Licenses) free and clear of any Liens and encumbrances of every kind and nature, and the Licenses are valid and subsisting licenses with respect to the Patents, Marks, Copyrights described therein, free and clear of any Liens and encumbrances of every kind and nature arising by, through or under such Obligor, in each case except for (A) rights granted by such Obligor pursuant to the applicable licenses listed on Schedules C and E, and (B) Liens and encumbrances in favor of Agent pursuant to this Agreement or the other Financing Agreements and other Permitted Liens; (vi) the Patents, Marks and Copyrights and Licenses listed on Schedules A, B, C, D and E constitute all such items in which such Obligor has any right, title or interest; (vii) such Obligor has the unqualified right to enter into this Agreement and perform its terms; (viii) such Obligor will continue to use proper statutory notice in connection with its use of the Patents, Marks and Copyrights (except as to any thereof which is no longer material to such Obligor's business); and (ix) such Obligor will use standards of quality in its manufacture of products sold under the Marks consistent with those currently employed by it.

**5. New Patents, Marks, Copyrights and Licenses.** If, before the Secured Liabilities shall have been satisfied in full and the Loan Agreement shall have been terminated, any Obligor shall (i) obtain rights to any new patentable inventions, trademarks, service marks, trademark or service mark registrations, copyrights, copyright registrations, trade names or licenses, or (ii) become entitled to the benefit of any patent, trademark or service mark application, trademark, service mark, trademark or service mark registration, copyrights, copyright registrations, license or license renewal, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of Section 2 above shall automatically apply thereto and such Obligor shall give to Agent prompt written notice thereof. Each Obligor hereby authorizes Agent to modify this Agreement by noting any future acquired Patents, Marks, Copyrights on Schedule A, B or D and any Licenses and licensed Patents, Marks or Copyrights on Schedules C or E, as applicable; provided, however, that the failure of Agent to make any such notation shall not limit or affect the obligations of any Obligor or rights of Agent hereunder.

**6. Royalties; Terms.** Each Obligor hereby agrees that the security interest of Agent in all Patents, Marks, Copyrights and Licenses as described above shall be worldwide (or in the case of the Patents, Marks and Copyrights licensed to an Obligor such smaller geographic location if any is specified for such Obligor's use in the applicable License) and, without any liability for royalties or other related charges from Agent to such Obligor. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Marks, Copyrights and Licenses assigned hereunder, or (ii) satisfaction in full of the Secured Liabilities and termination of the Loan Agreement.

7. **Inspection.** From and after the occurrence and during the continuance of a Default and notice by Agent to each Obligor of Agent's intention to enforce its rights and claims against any of the Patents, Marks, Copyrights and Licenses, each Obligor agrees that Agent, or a conservator appointed by Agent, shall have the right to establish such additional product quality controls as Agent or said conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by such Obligor under the Marks consistent with the quality of products now manufactured by such Obligor.

8. **Termination of Each Obligor's Interest.** This Agreement is made for collateral purposes only. Upon satisfaction in full of the Secured Liabilities and termination of the Loan Agreement, subject to any disposition thereof which may have been made by Agent pursuant hereto or pursuant to any of the other Financing Agreements, the security interest granted hereunder shall automatically be extinguished. Agent shall, at each Obligor's reasonable expense, execute and deliver to such Obligor, all termination statements and other instruments as may be necessary or proper to evidence the termination of Agent's security interest granted to Agent pursuant to this Agreement, subject to any disposition thereof which may have been made by Agent pursuant hereto or pursuant to any of the other Financing Agreements. Any such termination statements and instruments shall be without recourse upon or warranty by Agent.

9. **Duties of the Obligors.** Except to the extent the same is no longer material to such Obligor's business, each Obligor shall have the duty (i) to prosecute diligently any patent application of the Patents, any application respecting the Marks, and any copyright application of the Copyrights pending as of the date hereof or thereafter, (ii) to make application on unpatented but patentable inventions and on registrable but unregistered trademarks, service marks and copyrights, and (iii) to preserve, maintain and enforce against infringement all rights in patent applications and patents constituting the Patents, in trademark or service mark applications, trademarks, service marks, and trademark or service mark registrations constituting the Marks, and in copyright applications, copyrights and copyright registrations constituting the Copyrights. Any expenses incurred in connection with the foregoing (including, but not limited to, maintenance or renewal fees) shall be borne by the Obligors. Except to the extent the same is no longer material to such Obligor's business, each Obligor shall not abandon any pending patent application, trademark application, copyright application, service mark application, patent, trademark, service mark or copyright without the written consent of Agent (such consent not to be unreasonably withheld).

10. **Agent's Right to Sue.** From and after the occurrence and during the continuance of a Default, Agent shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, the Marks, the Copyrights and the Licenses, and any licenses thereunder, and, if Agent shall commence any such suit, each Obligor shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents reasonably required by Agent in aid of such enforcement, and each Obligor shall promptly, upon demand, reimburse and indemnify Agent for all reasonable costs and expenses incurred by Agent in the exercise of its rights under this Section 10.

11. **Waivers.** No course of dealing between any Obligor and Agent, nor any failure to exercise, nor any delay in exercising, on the part of Agent, any right, power or privilege

hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

14. **Further Assurances.** Each Obligor shall execute and deliver to Agent, at any time or times hereafter at the request of Agent, all papers (including, without limitation, any as may be deemed desirable by Agent for filing or recording with any Patent and Trademark Office, and any successor thereto) and take all such actions (including, without limitation, paying the cost of filing or recording any of the foregoing in all public offices reasonably deemed desirable by Agent), as Agent may reasonably request, to evidence Agent's interest in the Patents, Marks, Copyrights and Licenses and the goodwill associated therewith and enforce Agent's rights under this Agreement.

15. **Cumulative Remedies; Power of Attorney; Effect on Loan Documents.** All of Agent's rights and remedies with respect to the Patents, Marks, Copyrights and Licenses, whether established hereby, by any of the Financing Agreements or otherwise, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Obligor hereby constitutes and appoints Agent as such Obligor's true and lawful attorney-in-fact, with full power of substitution in the premises, with power at any time after the occurrence and during the continuance of a Default, to (i) endorse such Obligor's name on all applications, documents, papers and instruments determined by Agent as necessary or desirable for Agent in the use of the Patents, Marks, Copyrights and Licenses, (ii) take any other actions with respect to the Patents, Marks, Copyrights and Licenses as Agent deems in good faith to be in the best interest of Agent, (iii) grant or issue any exclusive or non-exclusive license under the Patents, Marks or Copyrights to any Person, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Marks, Copyrights or Licenses to any Person. Each Obligor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Secured Liabilities shall have been satisfied in full and the Loan Agreement shall have been terminated. Each Obligor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Agent under the Loan Agreement or any of the Loan Documents but rather is intended to facilitate the exercise of such rights and remedies. Agent shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Marks, Copyrights or Licenses may be enforced. Each Obligor hereby releases Agent from any and all claims, causes of action and demands at any time arising

out of or with respect to any actions taken or omitted to be taken by Agent under the powers of attorney granted herein.

16. **Binding Effect; Benefits.** This Agreement shall be binding upon each Obligor and its respective successors and assigns and shall inure to the benefit of Agent and its respective successors, assigns and nominees.

17. **Governing Law.** This Agreement shall be deemed to have been executed and delivered in Chicago, Illinois, and shall be governed by and construed in accordance with the internal laws (as opposed to conflicts of law provisions) of Illinois.
