ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS ("Assignment") is dated as of May 2, 2005, by and among Deluxe Pattern Corporation, a Michigan corporation ("Deluxe Pattern"), and its undersigned Affiliates listed in Exhibit A to that certain Asset Purchase Agreement dated as of April 8, 2005, as amended ("Purchase Agreement"), Venture Holdings Company, LLC, a Michigan limited liability company ("Venture Holdings"), and its undersigned Affiliates listed in Exhibit B to the Purchase Agreement (collectively, "ASSIGNORS"), and New Venture Holdings, LLC, a Delaware limited liability company ("ASSIGNEE").

ASSIGNORS and ASSIGNEE are herein collectively referred to as "the Parties." Capitalized terms not otherwise defined herein, shall have the meaning set forth in the Purchase Agreement.

WHEREAS, ASSIGNORS own the entire right, title and interest in and to the Intellectual Property purchased by ASSIGNEE pursuant to the Purchase Agreement (hereinafter, "Purchased Intellectual Property") including, without limitation, the United States and foreign trademark and service mark registrations and applications, and common law rights pertaining thereto, which may include applications filed on the basis of applicant's bona fide intent to use such marks, listed on the attached Schedule A (collectively, the "Trademarks"), and the goodwill of the business symbolized by the Trademarks and attaching thereto;

WHEREAS, ASSIGNORS further possess, and have the power and authority to hereby assign and transfer, pursuant to license, contract or agreement certain rights and interests in and to all Purchased Intellectual Property listed on Schedule B attached hereto (the "License Rights"); and

WHEREAS, in furtherance of the purchase by ASSIGNEE of substantially all of the assets of the Business, and the goodwill associated therewith, pursuant to the Purchase Agreement, ASSIGNORS desire to assign all rights, title and interest in and to all Purchased Intellectual Property, and ASSIGNEE desires to acquire all rights, title and interest in and to the Purchased Intellectual Property, including, without limitation, the entire rights, title and interest in, to and under the Trademarks, and the entirety of ASSIGNORS' right, title and interest in, to and under the License Rights.

NOW, THEREFORE, in consideration of the covenants and obligations contained herein, and in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNORS do hereby sell, assign, transfer, set over and convey, unto the ASSIGNEE, its successors, legal representatives and assigns, all rights, title and interest in the United States and throughout the world, in and to the Purchased Intellectual Property including, without limitation, the Trademarks, together with the goodwill of the business, or portion thereof to which the Trademarks pertain, symbolized thereby, and the License Rights, including without limitation all rights to petition, sue or otherwise seek and recover damages, profits and any other remedy (monetary, injunctive, declaratory or other), in the United States and anywhere throughout the world, for any past, present or future infringement, conversion or misappropriation of, or other injury, offense, violation, breach of duty or wrong relating to, any of the Trademarks or License Rights, or any license, agreement, contract or other matter relating thereto. Such rights, title and interest in and to the Purchased Intellectual Property, Trademarks and License Rights shall be held and enjoyed by ASSIGNEE,

its successors, legal representatives and assigns, as fully, entirely and exclusively as the same would have been held and enjoyed by ASSIGNORS had this Assignment not been made;

ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America and the appropriate officers of all other jurisdictions in which the Trademarks or License Rights are or may be registered or in which applications included among the Trademarks are pending, to record the title of ASSIGNEE, its successors, legal representatives and assigns, as owner of all right, title and interest in and to the Trademarks, together with the goodwill of the business, or portion thereof to which the Trademarks pertain, symbolized thereby, and as owner of the rights and interests encompassed by the License Rights, and to issue to ASSIGNEE, its successors, legal representatives and assigns, the Certificate of Registration resulting from any application included among the Trademarks, or renewal of any existing registration of any of the Trademarks, in accordance with the terms of this instrument;

AND ASSIGNORS HEREBY covenant that ASSIGNORS have the full right to convey the entire interest herein assigned, and that ASSIGNORS have not executed, and will not execute, any agreement, assignment, sale or encumbrance in conflict herewith.

This Assignment is effective as of the date hereof. ASSIGNORS agree to execute and deliver, or cause to be executed and delivered, to ASSIGNEE or ASSIGNEE's legal representatives, any other or additional assignments, powers and other appropriate documentation, and to take such actions as are reasonable and necessary, to enable ASSIGNEE to effectuate, validate and record this Assignment with the United States Patent and Trademark Office and the appropriate agencies and offices of all jurisdictions in which any of the Trademarks or License Rights are or may be registered or in which applications for registration of any of the Trademarks are pending, pursuant to the terms, conditions and time periods prescribed by the relevant laws and regulations of the United States and other jurisdictions identified in Schedules A and B.

ASSIGNORS hereby appoint ASSIGNEE as their attorney-in-fact, with full authority in the place and stead of ASSIGNORS, and in the name of ASSIGNORS, solely to take any action and to create any instrument that may be necessary or desirable to register, effectuate, validate, record, maintain, perfect, enforce or defend this Assignment and ASSIGNEE's rights in the Purchased Intellectual Property, including the Trademarks and License Rights.

This Assignment may be executed in counterparts, each of which, when so executed, shall be deemed an original, and all of said counterparts taken together shall be deemed to constitute but one and the same instrument.

This Assignment shall be construed, performed and enforced in accordance with, and governed by, the laws of the State of Michigan, without giving effect to the principles of conflicts of laws thereof. For so long as the ASSIGNORS are subject to the jurisdiction of the Bankruptcy Court, the Parties irrevocably select the Bankruptcy Court as the sole judicial forum for the adjudication of any dispute between ASSIGNORS and ASSIGNEE arising under or in connection with this Agreement, and consent to the jurisdiction of, the Bankruptcy Court. After ASSIGNORS are no longer subject to the jurisdiction of the Bankruptcy Court, the Parties hereto irrevocably select as the sole judicial forum for the adjudication of any matters arising under or in connection with this Agreement, and consent to the jurisdiction of, the Eastern District of Michigan of Detroit, Michigan.

IN WITNESS WHEREOF, the undersigned have executed this Assignment as of this
2nd day of May, 2005.
