TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is made as of the 31st day of October, 2005 between DSM Copolymer, Inc., a Delaware corporation ("Seller") and Lion Copolymer, LLC, a Delaware limited liability company ("Purchaser").

RECITALS

A. Seller and Purchaser are parties to that certain Asset Purchase Agreement dated September 27, 2005 (the "Agreement") covering, among other things, Purchaser's purchase of certain assets, including certain trademarks and attendant trademark registrations and applications, and the goodwill associated therewith.

B. Seller is the owner of all right, title and interest in and to the trademarks and attendant trademark registrations and applications (collectively the "Marks") identified in the schedule attached to this Assignment as Schedule A.

C. Seller and Purchaser wish to confirm and ratify the Agreement as it relates to the assignment of the Marks by entering into this Assignment.

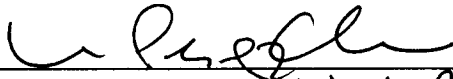

D. Purchaser is desirous of acquiring the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Seller hereby conveys and assigns unto Purchaser all of its right, title and interest throughout the world in and to said Marks, together with the goodwill of the business symbolized by said Marks, any future registrations of said Marks, and all common law rights associated with said Marks, and any and all causes of action and other rights assertable under said Marks, the right to sue third parties for infringements of or improper activities regarding said Marks, in each case, arising or occurring after the Closing Time, and the right to enjoy all of the benefits obtained as a result of any such litigation, the same to be held and enjoyed by Purchaser, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Seller had this Assignment not been made. With respect to those Marks that are the subject of pending intent-to-use applications, the Agreement referenced above is in the nature of an asset purchase agreement and Purchaser will operate the business to which the Marks pertain, thereby making the assignment of the Marks prior to the filing of declarations of use permissible under 15 U.S.C. §1060.
2. This Assignment is entered into pursuant to the Agreement and is subject to the terms and conditions thereof, including without limitation, the disclaimers and limitations of liability set forth therein.

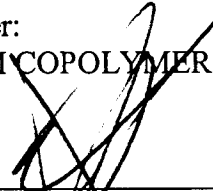

IN WITNESS WHEREOF, the parties have hereunder set their hands and seals as of the day, month and year first above written.
