OF
RELEASE OF SECURITY INTEREST
IN

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that the undersigned entered into a Subordinated Security Agreement dated as of October 1, 2002 (as amended, restated, modified, renewed, supplemented or extended from time to time, the "Security Agreement") by and among Flow International Corporation, a Washington corporation whose address is 23500 64th Avenue South, Kent Washington 98032 (the "Debtor"), and John Hancock Life Insurance Company, as Agent (the "Agent") for the lenders referenced therein (the "Lenders"), in which the Agent was granted a security interest in and continuing lien upon the trademarks and trademark applications listed in Schedule I attached hereto and incorporated by reference (collectively, the "Trademark Collateral"). The Security Agreement was recorded in the United States Patent and Trademarks Office on November 8, 2002.

On December 8, 2004, Agent and the Lenders assigned all their right, title and interest in the indebtedness secured by the Security Agreement to Bank of America Securities LLC and in all collateral securing that indebtedness, including the Trademark Collateral. Agent hereby acknowledges that as of the date of this notice, Agent has no security interest in or continuing lien upon the Trademark Collateral and hereby releases any such security interest or lien. Debtor acknowledges that Agent's release of all security interests in and all continuing liens upon the Trademark Collateral shall have no effect on any third party security interests in or continuing liens upon the Trademark Collateral.

This Notice of Release of Security Interests in Trademarks is executed on the date set forth below by a duly authorized officer or agent of Agent and is submitted for recording in the U.S. Patent and Trademark Office.
