Re: BURNOUT, trademark registration number 2731128
BURNOUT, trademark registration number 2343019

To Whom It May Concern:

The registrant of the above two marks mistakenly misidentified its corporate nature in applying for the first-listed mark and in assigning the registration for the second-listed mark. In both cases, the applicant/registrant mistakenly identified itself as "St. Gabriel Laboratories, a Virginia Corporation." Yet, in both cases, the applicant/registrant's real corporate name and nature was "St. Gabriel Laboratories, a Virginia limited liability corporation." The applicant/registrant always was a limited liability corporation, so this is not a transfer from one corporate entity to another.

Sincerely,

/John B. Farmer/
