TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of November 22, 2005, by and among Polymer Group, Inc. (the "Borrower"), and the Guarantors listed on Schedule II, attached hereto (collectively, the "Guarantors," and together with the Borrower, the "Pledgors"), in favor of Citicorp North America, Inc., in its capacity as Collateral Agent (in such capacity, the "Collateral Agent") pursuant to the Credit Agreement dated November 22, 2005 (the "Credit Agreement").

WITNESSETH:

WHEREAS, Pledgors are party to a Security Agreement dated November 22, 2005, as amended (the "Security Agreement") in favor of the Collateral Agent pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into Credit Agreement, the Pledgors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. It being expressly understood and agreed that the security interest granted herein for the benefit of the Collateral Agent on behalf of the applicable Secured Parties shall be subject to the terms of the Credit Agreement, the following liens on the Collateral are hereby granted:

Each Pledgor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a security interest in and to all of its right, title and interest in, to and under all the following Collateral of such Pledgor:

- (a) Trademarks of such Pledgor listed on Schedule I attached hereto;
- (b) all goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing (in each case, other than Excluded Property).

SECTION 3. Security Agreement. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Collateral Agent pursuant to the Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the

Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise reasonably determine.

SECTION 4. Termination. Upon the full performance of the Obligations (other than contingent indemnification obligations), the Collateral Agent shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall evidence but one instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed original counterpart of each such instrument.

[signature page follows]

IN WITNESS WHEREOF, each Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

POLYMER GROUP, INC.
