ASSIGNMENT OF SERVICE MARKS AND TRADEMARKS (the "Assignment") made as of April 8, 2005 by and between PRESS ASSOCIATION, INC., a New York corporation ("Assignor"), and GOVNETPA, INC., a New Jersey corporation ("Assignee").

RECITALS:

A. Assignee and Assignor are parties to an Asset Purchase Agreement, dated as of March 31, 2005 (the "Agreement"), pursuant to which Assignor has agreed to transfer, assign and deliver to Assignee all of Assignor's right, title and interest, legal and equitable, in and to the Marks (as defined below).

B. In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's registered and unregistered domestic and foreign service marks and trademarks, and applications and registrations therefore and the goodwill associated therewith, including without limitation the service marks, trademarks and service mark and trademark applications and registrations listed on Schedule A annexed hereto and incorporated herein by reference (all of the foregoing being referred to herein as the "Marks").

AGREEMENTS:

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged:

1. Schedule A sets forth a complete and accurate list of the registrant, registration number and serial number for each of the Marks.

2. Assignor does hereby sell, transfer, convey and assign unto Assignee Assignor's entire right, title and interest in and to the Marks together with the goodwill of the business associated therewith and which is symbolized thereby, including the right to apply for trademark registration based in whole or in part upon said Marks, and the right to renew the trademark registrations and any trademark registrations which may issue from any applications included in the Marks, and all convention and treaty rights based on the Marks, to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors and assigns, to be used as fully and entirely as said rights would have been held and enjoyed by Assignor if this assignment had not been made, together with all claims for damages by reason of past infringement of said Marks with the right to sue and collect the same for its own use or for the use of its successors, assigns or other legal representatives.

3. Assignor hereby authorizes the Director of the United States Patent and Trademark Office and other empowered officials of the United States Patent and Trademark Office and/or the appropriate empowered officials in relevant jurisdictions to transfer all of said Marks to Assignee as assignee of Assignor's entire right, title and

interest therein or otherwise as Assignee may direct, in accordance with this Assignment.

4. Assignor covenants and agrees that it will, upon the reasonable request of Assignee, execute and deliver, or cause to be executed or delivered, any and all documents provided by Assignee that may be necessary or desirable to transfer to Assignee, its successors or other legal representative, Assignor's right, title and interest in and to the Marks.

5. Any notice or other communication required or permitted to be given under this Agreement shall be given as provided for in the Purchase Agreement.

6. No waiver, amendment, or modification of any provision of this Agreement shall be effective unless in writing and signed by the party against whom the waiver, amendment, or modification is sought to be enforced. No failure or delay by either party in exercising any right, power, or remedy under this Agreement shall operate as a waiver of the right, power, or remedy. No waiver of any provision, condition or default of this Agreement shall be construed as a waiver of any other provision, condition or default.

7. Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment shall be governed by and construed in accordance with the laws of the State of New York without giving effect to the principles of conflicts of laws thereof.

8. This Assignment shall (i) be freely assignable in whole or in part by Assignee, (ii) not otherwise be assignable by a party without the other party's prior written consent, which consent may not be unreasonably withheld and (iii) be binding upon and inure to the benefit of the successors and permitted assigns of the parties.
