Banks at any reasonable time or times. Borrower will reimburse Agent and each of the Banks upon demand for all costs and expenses incurred by Agent and each of the Banks in connection with any such inspection conducted by any of them while any Default or Event of Default under the Loan Agreement has occurred and is continuing. Borrower agrees (i) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable practices and (ii) to provide Agent and each of the Banks, upon Agent's request from time to time, with a certificate of any officer of Borrower certifying Borrower's compliance with the foregoing.

4. Further Assurances. Borrower covenants and agrees that, until (i) all of the Secured Obligations have been paid in full, (ii) no Letters of Credit shall be outstanding, (iii) the Banks have no further commitment or obligation to make any additional loans or advances or other extensions of credit to Borrower under the Loan Agreement or otherwise, and (iv) the Loan Agreement has been terminated, it will not enter into any agreement (for example, a license or sublicense agreement) which is inconsistent with Borrower's obligations under this Agreement or the Loan Agreement, without the prior written consent of the Banks and Borrower covenants and agrees that it will not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which could affect the validity or enforcement of the rights transferred to Agent under this Agreement. Borrower further covenants and agrees that at any time and from time to time, at the expense of Borrower, Borrower will promptly execute and deliver to Agent for the ratable benefit of the Banks any and all further instruments and documents and take any and all further action that may be necessary, or that Agent or the Banks may reasonably request, in order to perfect and protect the security interest granted hereby with respect to the Patents and Trademarks or to enable Agent or any of the Banks to exercise its rights and remedies hereunder with respect to the same.

5. Additional Patents and Trademarks. If Borrower shall (i) become aware of any existing Patents or Trademarks of which Borrower has not previously informed Agent, (ii) obtain rights to any new patentable inventions, Patents or Trademarks or (iii) become entitled to the benefit of any Patents or Trademarks which benefit is not in existence on the date hereof, the provisions of this Agreement shall automatically apply thereto and Borrower shall give Agent prompt written notice thereof.

6. Modification by Agent. Borrower authorizes Agent to modify this Agreement by amending Schedules A, B, C and D to include any future patents and patent applications, and any future trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service applications covered by Paragraphs 1 and 5 hereof, without the signature of Borrower if permitted by applicable law.

7. Use of Patents and Trademarks. So long as no Event of Default has occurred and is continuing, Borrower may use the Patents and Trademarks in any lawful manner not inconsistent with this Agreement on and in connection with products sold by Borrower, for Borrower's own benefit and account and for none other.

8. Default. If any Event of Default shall have occurred and be continuing, Agent shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents and Trademarks may be located and, without limiting the generality of the foregoing, Agent may (and at the request of the Required Banks will) immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to Borrower, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, all or from time to time any of the Patents and Trademarks and the goodwill relating thereto, or any interest which Borrower may have therein, and after deducting from the proceeds of sale or other disposition of the Patents or Trademarks all expenses (including, without limitation, all expenses for brokers' fees and legal services), shall apply the residue of such proceeds toward the payment of the Secured Obligations in such order and manner as Agent may in its discretion elect. Notice of any sale or other disposition of any of the Patents or Trademarks shall be given to Borrower at least five (5) business days before the time of any intended public or private sale or other disposition of such Patents and/or Trademarks is to be made, which Borrower hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, order of any of the Secured Obligations may, to the extent permissible under applicable law, purchase the whole or any part of the Patents or Trademarks sold, free from any right of redemption on the part of Borrower, which right is hereby waived and released. Borrower agrees that upon the occurrence and continuance of any Event of Default, the use by Agent or any of the Banks of the Patents and Trademarks shall be worldwide and without any liability for royalties or other related charges from Agent to Borrower. If an Event of Default shall occur and be continuing, Agent shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce any and all of the Patents and Trademarks and, if Agent shall commence any such suit, Borrower shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents required by Agent in aid of such enforcement and the Borrower shall promptly, upon demand, reimburse and indemnify Agent for all costs and expenses incurred by Agent in the exercise of its rights under this Agreement. All of Agent's rights and remedies with respect to the Patents and Trademarks, whether established hereby or by the Security Agreement, or by any other agreement or by law shall be cumulative and may be exercised singularly or concurrently.

9. Termination of Agreement. At such time as (i) Borrower shall pay all of the Secured Obligations in full, (ii) no Letters of Credit shall be outstanding, (iii) the Banks shall have no further commitment or obligation to make any additional loans or advances or other extensions of credit to Borrower under the Loan Agreement or otherwise and (iv) the Loan Agreement shall be terminated, this Agreement shall terminate and Agent shall, at Borrower's expense, execute and deliver to Borrower all instruments as may be necessary or proper to extinguish Agent's security interest in the Patents and Trademarks, subject to any disposition thereof which may have been made by Agent pursuant hereto.

10. Expenses. Any and all fees, costs and expenses of whatever kind or nature, including, without limitation, the reasonable attorneys' fees and expenses incurred by Agent in connection with the preparation of this Agreement and all other documents relating hereto and

the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or other amounts in connection with protecting, maintaining or preserving the Patents and/or Trademarks, or in defending or prosecuting any actions or proceedings arising out of or related to the Patents and/or Trademarks, shall be borne and paid by Borrower on demand by Agent and until so paid shall be added to the principal amount of the Secured Obligations and shall bear interest at a rate per annum equal to the lesser of the highest default rate of interest payable under the Loan or the highest rate of interest allowed by law from the date incurred until reimbursed by Borrower.

11. Preservation of Patents and Trademarks. Borrower shall have the duty (i) to file and prosecute, through counsel acceptable to Agent, diligently any patent, trademark or service mark applications pending as of the date hereof or hereafter, (ii) to make application on unpatented but patentable inventions and on trademarks and service marks, as commercially reasonable and (iii) to preserve and maintain all rights in the Patents and Trademarks, as commercially reasonable. Any expenses incurred in connection with Borrower's obligations under this Section 11 shall be borne by Borrower. Borrower shall not abandon any Patents or Trademarks without the consent of Agent which consent shall not be unreasonably withheld.

12. Agent Appointed Attorney-In-Fact If any Event of Default shall have occurred and be continuing, Borrower hereby authorizes and empowers Agent to make, constitute and appoint any officer or agent of Agent as Agent may select, in its sole discretion, as Borrower's true and lawful attorney-in-fact, with the power to endorse Borrower's name on all applications, documents, papers and instruments necessary for Agent to use the Patents and Trademarks, or to grant or issue any exclusive or non-exclusive license under the Patents and Trademarks to anyone else, or necessary for Agent to assign, pledge, convey or otherwise transfer title to or dispose of the Patents and Trademarks to anyone else. Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Agreement.

13. No Waiver. No course of dealing between Borrower, Agent and any of the Banks, nor any failure to exercise, nor any delay in exercising, on the part of Agent or any of the Banks, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. If Borrower fails to comply with any of its obligations hereunder, Agent may perform such obligation in Borrower's name or in Agent's name, but at Borrower's expense and Borrower agrees to reimburse Agent in full for all expenses, including reasonable attorneys' fees, incurred by Agent for the maintenance and preservation of any of the Patents and Trademarks or its or the Banks' interest therein.

14. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in

such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Amendments. This Agreement is subject to amendment or modification only by a writing signed by Borrower and Agent, except as provided in Paragraph 6 above.

16. Successors and Assigns. This Agreement shall be binding upon Borrower and shall inure to the benefit of the Agent and its successors. Borrower may not assign or delegate any of its rights or obligations under this Agreement.

17. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the substantive laws of the State of Missouri (without reference to conflict of law principles).
