2. To the extent that any rights in the Intellectual Property beyond a security interest were assigned to the Secured Party pursuant to the Security Agreement, the Secured Party does hereby transfer and assign to the Owner and its successors and assigns, without recourse, all of the Secured Party's rights in and to the Intellectual Property and any good will associated therewith.

3. If any term or provision of this Termination and Release is or shall be held illegal, invalid or unenforceable in any jurisdiction, all other terms and provisions of this Termination and Release shall remain legal, valid and enforceable in such jurisdiction and such illegal, invalid or unenforceable provision shall be legal, valid and enforceable in any other jurisdiction.

4. The Commissioner of Patents and Trademarks is hereby requested to record and index this Termination and Release in favor of the Owner and its successors and assigns against the Intellectual Property.
