NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantors and the Secured Parties hereby agree as follows:

SECTION 1. DEFINED TERMS.

1.1 Capitalized terms not otherwise defined herein have the meanings set forth in the ABL Credit Agreement or the ABL Guarantee and Collateral Agreement, as applicable.

1.2 "Trademarks" shall mean all United States and foreign trademarks, service marks, trade names, trade dress or other indicia of trade origin or business identifiers, trademark and service mark registrations, and applications for trademark or service mark registrations (except for "intent to use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of said Act has been filed, it being understood and agreed that the carve out in this parenthetical shall be applicable only if and for so long as a grant of a security interest in such intent to use application would invalidate or otherwise jeopardize Grantor's rights therein), and any renewals thereof, including, without limitation, (i) the right to sue or otherwise recover for any and all past, present and future infringements or dilutions thereof, (ii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past or future infringements thereof), and (iii) all other rights corresponding thereto and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto in the United States, together in each case with the

In the event of any conflict between the terms of this Agreement and the terms of the ABL Guarantee and Collateral Agreement, the terms of the ABL Guarantee and Collateral Agreement shall control.

SECTION 4. RECORDATION. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement.
