Registrant: Kent State University

CORRECTION OF ASSIGNMENT

Kent State University filed trademark application no. 73/584,921 on February 27, 1986, which matured into Registration No. 1,417,788 on November 18, 1986.

On January 31, 1996, Reel 1428, Frame 762, an erroneous assignment document was filed with the Patent and Trademark Office transferring ownership of Registration No. 1,147,788 to The Boatman's National Bank of St. Louis. A correction of this assignment was filed on August 6, 2002, Reel 2557, Frame 149, to correct the nature of the conveyance but not the ownership of the mark. The assignor was listed as Fixtures Manufacturing Corporation.

Kent State University has never assigned their rights in Registration No. 1,147,788 to Fixtures Manufacturing Corporation or The Boatman's National Bank of St. Louis.

The Boatman's National Bank of St. Louis is responsible for the error but has undergone many mergers and will not take responsibility to correct this erroneous assignment.

Fixtures Manufacturing Corporation hereby declares that they never owned or held any interest in Registration No. 1,417,788 and confirm that the registration was erroneously assigned to The Boatman's National Bank of St. Louis.

TRADEMARK COLLATERAL ASSIGNMENT

THIS TRADEMARK COLLATERAL ASSIGNMENT (the "Agreement") is made and entered into on the 16th day of January, 1996, between FIXTURES MANUFACTURING CORPORATION, a Missouri corporation, having its chief executive office at 1641 Crystal Avenue, Kansas City, Missouri 64126 (the "Assignor"), and THE BOATMEN'S NATIONAL BANK OF ST. LOUIS, having a place of business at One Boatmen's Plaza, 800 Market Street, St. Louis, Missouri 63101 (the "Lender").

Assignor has executed and delivered to Lender that certain Amended and Restated Loan and Security Agreement of even date herewith among Assignor, Jami, Inc. ("Jami") and Lender (as amended from time to time the "Loan Agreement"). In order to induce Lender to execute and deliver the Loan Agreement and to extend credit to Assignor and Jami, Assignor has agreed to assign to Lender and grant to Lender a security interest in and lien on all of Assignor's right, title and interest in and to the Trademarks (as defined below) as security for payment of the Obligations (as defined in the Loan Agreement).

NOW, THEREFORE, in consideration of the premises, Assignor hereby agrees with Lender as follows:

1. To secure the complete and timely satisfaction of the Obligations, Assignor hereby grants, assigns and conveys to Lender, and grants to Lender a lien on and security interest in, the entire right, title and interest of Assignor in and to the trademarks and trademark rights described in Schedule A hereto (as the same may be amended pursuant hereto from time to time), including, without limitation, all renewals thereof, all proceeds of infringement suits, the right to sue for past, present and future infringements and all rights corresponding thereto throughout the world (the "Trademarks"), and the goodwill of the business to which the Trademarks relate.

2. Assignor covenants and warrants that:

(a) Assignor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to the Trademarks free and clear of any liens, charges and encumbrances, including, without limitation, pledges, assignments, licenses, registered user agreements and covenants by Assignor not to sue third persons;

(b) Assignor has the unqualified right to enter into this Agreement and perform its terms;

(c) Assignor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Trademarks; and

(d) Assignor has used, and will continue to use for the duration of this Agreement, consistent standards of quality in the goods manufactured and sold under the Trademarks.

3. Assignor agrees that until all of the Obligations shall have been satisfied in full and Lender has no further obligation to advance funds or extend credit to Assignor, Assignor will not enter into any agreement which is inconsistent with Assignor's obligations under this Agreement, including, without limitation, a licensing agreement, without Lender's prior written consent.

4. If, before the Obligations shall have been satisfied in full and Lender has no further obligation to advance funds or extend credit to Assignor or Jami, Assignor shall obtain rights to any new trademark or trademark rights, the provisions of paragraph 1 shall automatically apply thereto and Assignor shall give Lender prompt written notice thereof.

5. Assignor authorizes Lender to modify this Agreement by amending Schedule A from time to time to include any future trademarks and trademark rights covered by paragraphs 1 and 4 hereof.

6. If any Event of Default (as defined in the Loan Agreement) shall have occurred and be continuing, Lender shall have, in addition to all other rights and remedies given to it by this Agreement, the other Loan Documents (as defined in the Loan Agreement), those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks may be located, and without limiting the generality of the foregoing, Lender may immediately, without demand for performance and without other notice (except as set forth below) to Assignor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, from time to time, in Kansas City, Missouri, or elsewhere, all or any part of the Trademarks, or any interest that Assignor may have therein, and after deducting from the proceeds of sale or other disposition of the Trademarks all expenses (including all reasonable expenses for brokers' fees and legal services), shall apply the residue of such proceeds toward the payment of the Obligations as provided in the Loan Agreement. Any remainder of the proceeds after payment in full of the Obligations shall be paid over to Assignor. Notice of any sale or other disposition of the Trademarks shall be given to Assignor at least ten (10) days before any intended public or private sale or other disposition of the Trademarks is to be made, which Assignor hereby agrees shall be reasonable notice of such sale or other

disposition. At any such sale or other disposition, Lender or any subsequent holder of any of the Obligations may, to the extent permissible under applicable law, purchase the whole or any part of the Trademarks, free from any right of redemption on the part of Assignor, which right is hereby waived and released.

7. If any Event of Default shall have occurred and be continuing, Assignor hereby appoints Lender as Assignor's true and lawful attorney-in-fact, with the power to endorse Assignor's name on all applications, documents, papers and instruments necessary for Lender to use the Trademarks, or to grant or issue any exclusive or nonexclusive license under the Trademarks to any third person, or to transfer title in or dispose of the Trademarks to any third person. Assignor hereby ratifies all the Lender shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable for the life of this Agreement.

8. At such time as Assignor shall completely satisfy all of the Obligations and Lender shall have no further obligation to advance funds or extend credit to Assignor or Jami, this Agreement shall terminate and Lender shall execute and deliver to Assignor all deeds, assignments and other instruments as may be necessary or proper to re-vest in Assignor full title to the Trademarks and the goodwill of the business to which each relates and all claims for infringement by third parties, subject to any disposition thereof which may have been made by Lender pursuant hereto.

9. Assignor shall have the duty, through counsel acceptable to Lender, to prosecute diligently any trademark applications now existing or arising after the date of this Agreement, to make federal application on registerable but unregistered Trademarks, to file and prosecute opposition and cancellation proceedings and to do any and all acts which are reasonably necessary or desirable to preserve and maintain all rights in any Trademarks. The expenses incurred in connection with the Trademarks shall be borne by Assignor.

10. Assignor shall have the right, with the prior written consent of Lender, to bring any opposition proceedings, cancellation proceedings or lawsuits in its own name to enforce or protect the Trademarks, in which event Lender may, if necessary, be joined as a nominal party to such suit if Lender shall have been satisfied that it is not thereby incurring any risk of liability because of such joinder. Assignor shall promptly, upon demand, reimburse and indemnify Lender for all damages, costs and expenses, including attorneys' fees, incurred by Lender in the fulfillment of the provisions of this paragraph 10.

11. No course of dealing between Assignor and Lender, nor any failure to exercise, nor any delay in exercising, on the part of

Lender, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. All of Lender's rights and remedies with respect to the Trademarks, whether established hereby, under the Loan Documents or by law shall be cumulative and may be exercised singularly or concurrently.

13. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

14. This Agreement is subject to modification only by a writing signed by the parties, except as provided in paragraph 5.

15. The benefit and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

16. The validity and interpretation of this Agreement and the rights and obligations of the parties shall be governed by the laws of the State of Missouri.

17. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same agreement.

WITNESS the execution hereof under the seal of Assignor on the day and year first above written.
