To the best of Grantor's knowledge, each Patent is valid, subsisting, unexpired, enforceable and has not been abandoned, except to the extent that the failure to be valid, subsisting, unexpired or enforceable or the abandonment thereof would not be reasonably likely to have a material adverse effect on the business of Borrower and/or Grantor. No holding, decision or judgment has been rendered by any governmental authority which would limit, cancel or question the validity of any Patent except for such holdings, decisions or judgments that would not be reasonably likely to have a material adverse effect on the business of Borrower and/or Grantor. No action or proceeding is pending seeking to limit, cancel or question the validity of any Patent, which, if adversely determined, would be reasonably likely to have a material adverse effect on the business of Borrower and/or Grantor.

(b) Trademarks. Schedule 2 hereto includes all registered U.S. Trademarks and applications therefor, owned by Grantor on the date hereof and all other Trademarks and Trademark Licenses owned by Grantor in its own name as of the date hereof. To the best of Grantor's knowledge, each Trademark is valid, subsisting, unexpired, enforceable and has not been abandoned, except to the extent that the failure to be valid, subsisting, unexpired or enforceable or the abandonment thereof would not be reasonably likely to have a material adverse effect on the business of Borrower and/or Grantor. No holding, decision or judgment has been rendered by any governmental authority which would limit, cancel or question the validity of any Trademark except for such holdings, decisions or judgments that would not be reasonably likely to have a material adverse effect on the business of Borrower and/or Grantor. No action or proceeding is pending seeking to limit, cancel or question the validity of any Trademark, which, if adversely determined, would be reasonably likely to have a material adverse effect on the business of Borrower and/or Grantor.

(c) Copyrights. Schedule 3 hereto includes all registered U.S. Copyrights and applications therefor, owned by Grantor on the date hereof and all other Copyrights and Copyright Licenses owned by Grantor in its own name as of the date hereof. To the best of Grantor's knowledge, each Copyright is valid, subsisting, unexpired, enforceable and has not been abandoned, except to the extent that the failure to be valid, subsisting, unexpired or enforceable or the abandonment thereof would not be reasonably likely to have a material adverse effect on the business of Borrower and/or Grantor. No holding, decision or judgment has been rendered by any governmental authority which would limit, cancel or question the validity of any Copyright except for such holdings, decisions or judgments that would not be reasonably likely to have a material adverse effect on the business of Borrower and/or Grantor. No action or proceeding is pending seeking to limit, cancel or question the validity of any Copyright, which, if adversely determined, would be reasonably likely to have a material adverse effect on the business of Borrower and/or Grantor.

(d) Chief Executive Office. Grantor's chief executive office is located 1230 Hamilton Street, Somerset, New Jersey 08873.

Grantor agrees that the foregoing representations and warranties shall be deemed to have been made by Grantor on and as of the date hereof and on and as of each date on which an extension of credit is made by Lender to Borrower, in each case as though made hereunder on and as of each such date.

4. Covenants. Grantor covenants and agrees with Lender that, from and after the date of this Intellectual Property Security Agreement until the Obligations are paid and performed in full:

(a) Further Documentation. At any time and from time to time, upon the written request of Lender, and at the sole expense of Grantor, Grantor will promptly and duly execute and deliver such further instruments and documents and take such further action as Lender may reasonably request for the purpose of obtaining or preserving the full benefits of this Intellectual Property Security Agreement and of the rights and powers herein granted.

(b) Indemnification. Grantor agrees to pay, and to save Lender harmless from, any and all liabilities, costs and expenses (including, without limitation, reasonable legal fees and expense), other than solely as a result of the gross negligence or willful misconduct of Lender (i) with respect to, or resulting from, any delay by Grantor in paying, any and all excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral, (ii) with respect to, or resulting from, any delay in complying with any requirement of law applicable to any of the Collateral or (iii) in connection with any of the transactions contemplated by this Intellectual Property Security Agreement.

(c) Intellectual Property.

(i) Grantor will not (either itself or through licensees), except with respect to any Intellectual Property that Grantor shall reasonably determine is not material to the business of Borrower and/or Grantor and each of their subsidiaries taken as a whole, do any act, or omit to do any act, whereby the registration of any Intellectual Property may become abandoned or dedicated.

(ii) Grantor will notify Lender of any (A) abandonment or dedication of Intellectual Property (other than foreign patents and applications with respect thereto) ("USIP"); or (B) determination by a court or tribunal in the country where (1) the Intellectual Property is registered, or (2) the Intellectual Property application is pending, that Grantor does not own all right, title and interest to the USIP, or of any other adverse determination of such court or tribunal relating to any Intellectual Property; provided that (x) Grantor has actual notice of such event and (y) such Intellectual Property or application is material to the business of Borrower and/or Grantor and each of their subsidiaries, taken as a whole.

(iii) Whenever Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of Intellectual Property with the United States Patent and Trademark Office (the "PTO") or the United States Copyright Office of the Library of Congress (the "Copyright Office"), Grantor shall report such filing to Lender within five (5) Banking Days after the last day of the calendar year in which such filing occurs. Upon request of Lender, Grantor shall execute and deliver any and all agreements, instruments, documents, and papers as Lender may reasonably request to evidence Lender's security interest in the Intellectual Property and the goodwill and General Intangibles, if any, of Grantor relating thereto or represented thereby, and Grantor hereby constitutes Lender its attorney-in-fact to execute and file all such writings for the purposes of so evidencing Lender's security interest (and Lender agrees to notify Grantor that any such filing has been made, provided that any failure to so notify shall not invalidate any such actions by Lender), all lawful acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest is irrevocable until the Obligations are paid in full.

(iv) Grantor will, except with respect to any Intellectual Property application or registration that is not material to the business of Grantor and its subsidiaries,

taken as a whole, take all reasonable and necessary steps, as it shall deem appropriate under the circumstances, in accordance with its reasonable business judgment, including, without limitation, in any proceeding before the PTO, Copyright Office, or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each Intellectual Property application (and to obtain the relevant registration and to maintain such registration), including, without limitation, where appropriate, filing of applications for renewal, affidavits of use and affidavits of incontestability.

(v) In the event that any Intellectual Property included in the Collateral is materially infringed or misappropriated, Grantor shall promptly notify Lender after it learns thereof and shall, unless Grantor shall reasonably determine that such Intellectual Property is not of material economic value to Borrower and/or Grantor, take such actions as Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property.

5. Limitation on Duties Regarding Preservation of Collateral. Lender's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Code or otherwise, shall be to deal with it in the same manner as Lender deals with similar property for its own account. Neither Lender nor any of its respective directors, officers, employees or Lenders shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Grantor or any other person.

6. Remedies.

(a) If an Event of Default shall occur and be continuing or demand is made, Lender may exercise, in addition to all other rights and remedies granted to it in this Intellectual Property Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Code. Without limiting the generality of the foregoing, Lender, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon Grantor or any person or entity (all and each of which demands, defenses, advertisements and notices are hereby waived), may forthwith collect, receive, appropriate or realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, license, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, exchange, broker's board or office of Lender or elsewhere upon such terms and conditions as it may deem advisable and at such prices it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Lender shall have the right upon any such public sale or sales, and to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Grantor, which right or equity is hereby waived or released. Grantor further agrees, at Lender's request upon the occurrence and during the continuance of an Event of Default, to assemble and make the Collateral available to Lender at places which Lender shall reasonably select, whether at Grantor's premises or elsewhere. To the extent permitted by applicable law, Grantor waives all claims, damages and demands it may acquire against Lender arising out of the exercise by it of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least fifteen (15) days before such sale or other disposition. Grantor shall remain liable for any deficiency if the

proceeds of any sale or other disposition of the Collateral are insufficient to pay the Obligations, including the reasonable fees and disbursements of any attorneys employed by Lender to collect such deficiency.

(b) In addition to and as part of the rights set forth above, Grantor hereby agrees that if an Event of Default shall occur and be continuing, Grantor shall take all actions necessary, appropriate or proper to transfer ownership of the Collateral or any part thereof to Lender or its assigns, including without limitation, filing any and all assignments with the PTO and/or the Copyright Office whether in the forms attached hereto as Exhibit A, Exhibit B and/or Exhibit C or such other form as is deemed necessary, appropriate or proper under the circumstances. Grantor hereby constitutes and appoints Lender (and any officer, employee or Lender of Lender, with a full power of substitution) its true and lawful attorney and Lender in fact to take, upon or after the occurrence of an Event of Default, any and all actions described in this subsection (b), in Lender's, Grantor's or Borrower's names, and at Grantor's sole cost and expense, Grantor covenants and agrees that any action described in this subsection (b) may be taken at Lender's sole and absolute discretion, at any time and from time to time, and that Grantor hereby ratifies and confirms all actions taken. Grantor further covenants and agrees that the powers-of-attorney granted by this Section (b) are coupled with an interest and shall be irrevocable until full and final payment and performance of the Obligations; that said powers are granted solely for the protection of Lender's interest and Lender shall have no duty to exercise any thereof; that the decision whether to exercise any such power, and the manner of exercise, shall be solely within Lender's discretion; and that neither Lender nor any of its directors, officers, employees or agents shall be liable for any act of omission or commission (except for acts or omissions which constitute the gross negligence or willful misconduct of Lender), or for any mistake or error of judgment, in connection with any such powers.

(c) No remedy referred to in this Intellectual Property Security Agreement is intended to be exclusive, but each shall be cumulative and in addition to any other remedy referred to in this Intellectual Property Security Agreement or otherwise available to Lender by agreement or at law or in equity. No express or implied waiver by Lender of any default or Event of Default shall in any way be, or be construed to be, a waiver of any future or subsequent default or Event of Default. The failure or delay of Lender in exercising any rights granted it hereunder upon any occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or reoccurrence of any such contingency or similar contingencies, and any single or partial exercise of any particular right by Lender shall not exhaust the same or constitute a waiver of any such right.

(d) Notwithstanding anything to the contrary contained herein, or the Loan Agreement, Lender agrees that upon the exercise of any of its rights or remedies in respect of the Collateral whether arising hereunder, in the Loan Agreement or at law and the receipt by Lender of proceeds as a result of such exercise shall result in Lender retaining the proceeds otherwise due to Grantor, Lender shall apply such proceeds to the Obligations.

7. Severability. Any provision of this Intellectual Property Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8. Section Headings. The Section headings used in this Intellectual Property Security Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

9. Waivers and Amendments; Successors and Assigns; Governing Law. None of the terms or provisions of this Intellectual Property Security Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by Grantor and Lender, provided that any provision of this Intellectual Property Security Agreement for the benefit of Lender may be waived by Lender in a written letter or agreement executed by Lender or by telex or facsimile transmission from and bearing the facsimile signature of Lender. This Intellectual Property Security Agreement shall be binding upon the successors and assigns of Grantor and shall inure to the benefit of Lender and its respective successors and assigns, except that Grantor may not assign, transfer or delegate any of its rights or obligations under this Intellectual Property Security Agreement without the prior written consent of Lender. This Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

Upon request of Grantor following any such termination, Lender shall deliver (at the sole cost and expense of Grantor) to Grantor any Collateral held by Lender hereunder, and execute and deliver (at the sole cost and expense of Grantor) to Grantor such documents as Grantor shall reasonably request to evidence such termination.
