ATTACHMENT B - TRADEMARK ASSIGNMENT

TRADEMARK ASSIGNMENT

WHEREAS, Goldfinger, LLC, a Delaware limited liability company ("**Goldfinger**"), owns, by assignment or otherwise, all right, title, and interest in the trademarks and service marks, including, but not limited to, those specifically set forth in Schedule 1, and all goodwill associated therewith ("**Trademarks**");

WHEREAS, Akrion Technologies, Inc., a Delaware corporation having a registered office at 1105 N. Market Street, Suite 1300, Wilmington, DE 19899 ("**AkrionTech**"), desires to own **Goldfinger's** entire right, title, and interest in and to the Trademarks, in all countries throughout the world, and in and to all goodwill associated therewith; and

WHEREAS, pursuant to the Master Assignment Agreement, dated January 25, 2006, between **Goldfinger** and **AkrionTech**, whereby **Goldfinger** agreed to assign all of its right, title, and interest in any intellectual property it acquires and **AkrionTech** agreed to acquire such intellectual property and the rights therein, the parties wish to further carry out the intent of the Master Assignment Agreement as set forth herein;

NOW THEREFORE, be it known that, in exchange for payment of One Dollar (\$1.00) and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Goldfinger** hereby irrevocably assigns, transfers, conveys, grants and sets over to **AkrionTech**, its lawful successors and assigns, **Goldfinger's** entire right, title, and interest in and to the Trademarks (whether registered or unregistered), as well as all goodwill associated therewith, including, but not limited to, any and all renewals, reversions and extensions thereof and the right to register the Trademarks that may here after be secured under the laws now or hereafter in effect in the United States and in any other jurisdiction, the same to be held and enjoyed by **AkrionTech**, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by **Goldfinger** had this Assignment not been made.

AND, **Goldfinger** **HEREBY** authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue, assign, and/or record as assignee for all trademarks to **AkrionTech**, its successors and assigns, in accordance with the terms of this Assignment;

AND, **Goldfinger** **HEREBY** further agrees that, from and after the date of this Assignment, **AkrionTech** has succeeded to all of **Goldfinger's** right, title, interest and standing to receive all rights and benefits pertaining to the Trademarks, institute and prosecute all suits and proceedings, take all actions that **AkrionTech**, in its sole discretion, may deem necessary or proper to collect, assert, or enforce any claim, right, title or interest of any kind under any and all of the Trademarks, including, without limitation, the right to sue for all past, present and future infringements or other violations of any rights relating thereto, to settle, defend, compromise and retain proceeds from any

actions, suits, or proceedings relating to the transferred and assigned rights, title, interest, and benefits, and do all other such acts and things in relation thereto as **AkrionTech**, in its sole discretion, deems advisable;

AND, Goldfinger HEREBY hereby relinquishes exclusivity to **AkrionTech** all of **Goldfinger's** right, title and interest in and to all accrued and future causes of action for injunctive relief, damages, lost profits and litigation costs (including, without limitation, attorneys' fees) resulting from infringements or alleged infringements of the Trademarks and this Assignment expressly includes the right to sue for pre-assignment infringements and any injunctive relief, damages, lost profits and litigation costs (including, without limitation, attorneys' fees) in connection with the same;

AND, Goldfinger HEREBY further covenants that **Goldfinger** has the full right to convey the interest assigned by this Assignment, **Goldfinger** will take all action and execute all documents necessary to perfect the interest assigned hereby, and **Goldfinger** has not executed and will not execute any agreement in conflict with this Assignment;

AND, Goldfinger HEREBY further covenants and agrees that **Goldfinger**, through its officers and employees, will, without further consideration, communicate with **AkrionTech**, its successors and assigns, any facts known to **Goldfinger** and its officers and employees respecting the Trademarks and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to the Trademarks in said **AkrionTech**, its successors and assigns, make all rightful oaths, and generally do everything possible to aid **AkrionTech**, its successors and assigns, to obtain and enforce proper trademark protection for the Trademarks in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by **AkrionTech**, its successors and assigns.

IN TESTIMONY WHEREOF, each party has caused its authorized representative to execute this Assignment.
