3. **Representations and Warranties Concerning the Intellectual Property.** Grantor represents and warrants that:

(b) Grantor is the sole legal and beneficial owner of the entire right, title and interest in and to the Intellectual Property and the Other Proprietary Property, and/or has the right to use all such Intellectual Property and Other Proprietary Property pursuant to a valid license or other agreement.

(c) To the best knowledge of Grantor, Grantor's rights in and to the Intellectual Property are valid, subsisting, unexpired, enforceable and have not been abandoned.

(d) All licenses, franchise agreements and other agreements conveying rights in and to the Intellectual Property and Other Proprietary Property are identified on Schedule A hereto and are in full force and effect. To the best knowledge of Grantor, Grantor is not in default under any such agreement, and no event has occurred which might constitute a default by Grantor under any such agreement.

(e) Except as set forth in Schedule A, all of the Intellectual Property is free and clear of any and all liens, security interests, options, licenses, pledges, assignments, encumbrances and/or agreements of any kind other than Permitted Liens, and Grantor has not granted any release, covenant not to sue, or non-assertion assurance to any third party with respect to any of the Intellectual Property.

(f) All prior transfers and assignments of the interests of any and all predecessors in the Intellectual Property of Grantor were duly and validly authorized, executed, delivered, recorded and filed as required to vest Grantor with complete, unrestricted ownership rights therein subject to certain rights to use certain Patents as disclosed in the Patent Assignment from Openwave Systems, Inc. to Highwinds Software, L.L.C. .

No holding, decision or judgment has been rendered by any governmental authority which would limit, cancel or question the validity of any of the Intellectual Property owned by Grantor. No action or proceeding to which Grantor is a party, and to the knowledge of Grantor no action or proceeding, is pending (i) seeking to limit, cancel or question the validity of any of the Intellectual Property or Grantor's ownership thereof or (ii) which, if adversely determined, would reasonably be likely to have a material adverse effect on the value of any of the Intellectual Property.

(i) To the best of Grantor's knowledge, Grantor's rights in and to all of the Intellectual Property and Other Proprietary Property and its use thereof do not conflict with or infringe any proprietary right of any third party in any way which adversely affects the business, financial condition or business prospects of Grantor. Further, except as set forth in Schedule A, Grantor is not aware of any claim by any third party that such use or such rights conflict with or infringe any valid proprietary right of any third party in any way which affects the business, financial condition or business prospects of Grantor. To the best knowledge of Grantor, Grantor

is not making and has not made use of any confidential information of any third party except pursuant to express agreement of such third party.

(j) Grantor is not aware of any infringement by any other party upon its Intellectual Property rights. Grantor has heretofore exerted, continues and affirmatively covenants that it will hereafter continue to exert its commercially reasonable judgment regarding whether to exert efforts to prevent infringement by third parties of Grantor's Intellectual Property rights or theft of Grantor's Other Proprietary Property at Grantor's sole cost.

(k) All past and present employees of Grantor and/or parties with whom Grantor (including any predecessor-in-interest of Grantor) had any contractual relationship ("contractors"), whose employment (or contractual) functions included or affected research and development or other material aspects of Intellectual Property have executed agreements requiring them to disclose to Grantor any and all inventions created or developed during and within the scope of their employment by or contractual relationship with Grantor and obligating them to assign all of their respective right, title and interest in and to all such inventions to Grantor; provided, that with respect to employees or contractors of Seller (as defined in the Loan Agreement) the representations and warranties of this Section 3(k) shall be given based on, and qualified by, the knowledge of the Grantor.

4. Covenants. Grantor covenants and agrees with Agent that, from and after the date of this Agreement until the Obligations are paid in full:

(a) From time to time, upon the written request of Agent, and at the sole expense of Grantor, Grantor will promptly and duly execute and deliver such further instruments and documents and take such further action as Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, the filing of any financing or continuation statements under the UCC in effect in any jurisdiction with respect to the liens created hereby. Grantor also hereby authorizes Agent to file any such financing or continuation statement without the signature of Grantor to the extent permitted by applicable law. A carbon, photographic or other reproduction of this Agreement shall be sufficient as a financing statement for filing in any jurisdiction.

(b) Grantor will not create, incur or permit to exist, will take all commercially reasonable actions to defend the Collateral against, and will take such other commercially reasonable action as is necessary to remove, any lien or claim on or to the Collateral, other than the Permitted Liens and the liens created hereby, and other than as permitted pursuant to the Loan Agreement.

(c) Grantor will not sell, transfer (other than liens created hereby or permitted under the Loan Agreement), license or sub-license or otherwise dispose of any of the Collateral, or attempt, offer or contract to so do, except for licenses and sublicenses granted in Grantor's normal course of business.

(d) Grantor will advise Agent promptly, in reasonable detail, at its address set forth in the Loan Agreement, (i) of any lien (other than liens created hereby or permitted under the Loan Agreement) on, or claim asserted against, Collateral and (ii) of the occurrence of any

other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the liens created hereunder.

(e) (i) Grantor (either itself or through licensees) will, except with respect to any Trademark that Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determines not to so do, (1) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (2) maintain as in the past the quality of products and services offered under such Trademark, (3) use reasonable efforts to employ such Trademark with the appropriate notice of registration, (4) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless within 30 days after such use or adoption Agent, for the benefit of the Lenders, shall obtain a perfected security interest in such mark pursuant to this Agreement, and (5) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(ii) Grantor will not knowingly, except with respect to any Patent that Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determine so to do, do any act, or omit to do any act, whereby any Patent may become abandoned or dedicated. Without the prior written consent of Majority Lender (as defined in the Loan Agreement), Grantor shall not knowingly abandon any right to file a patent application, or abandon any pending patent application or patent if such abandonment would have a material adverse effect on the business of Grantor.

(iii) Grantor will promptly notify Agent if it knows, or has reason to know, that any application relating to any Patent, Trademark or Copyright may become abandoned or dedicated, or of any adverse determination or material development (excluding office actions, advisory actions and notices of allowance received during prosecution of such applications but otherwise including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark office or any court or tribunal in any country) regarding Grantor's ownership of any Patent, Trademark or Copyright, or its right to register the same or to keep and maintain the same.

(iv) Whenever Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for any Patent or for the registration of any Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office, or any similar office or agency in any other country or any political subdivision thereof, Grantor shall report such filing to Agent within five business days after the last day of the fiscal quarter in which such filing occurs. Upon request of Agent, Grantor shall execute and deliver any and all reasonably necessary agreements, instruments, documents, and papers as Agent may request to evidence Agent's security interest in any newly filed Patent, Copyright or Trademark and the goodwill and general intangibles of Grantor relating to such Trademark or represented thereby, and Grantor hereby constitutes Agent its attorney-in-fact to execute and file all such writings for the foregoing purposes, such power being coupled with an interest is irrevocable until the Obligations are paid in full.

(v) Grantor, except with respect to any Patent, Trademark or Copyright Grantor shall reasonably determine is of immaterial economic value to it or it otherwise reasonably determines not to so do, will take all reasonable and necessary steps, including, without limitation, in any proceedings before any tribunal, office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration or Patent) and to maintain each Patent and each registration of Trademarks and Copyrights, including, without limitation, filing of applications, applications for reissue, renewal or extensions, the payment of maintenance fees, participation in reexamination, opposition and infringement proceedings, and the filing of renewal applications, affidavits of use and affidavits of incontestability, when appropriate. Any expenses incurred in connection with such activities shall be paid by Grantor.

(vi) In the event Grantor knows or has reason to know that any Patent, Trademark or Copyright included in the Collateral is infringed, misappropriated or diluted by a third party, Grantor shall promptly notify Agent after it learns thereof and shall, unless Grantor shall reasonably determine that such Patent, Trademark or Copyright is of immaterial economic value to Grantor or shall reasonably determine that suit is not commercially justified which determination Grantor shall promptly report to Agent, promptly sue for infringement, misappropriation or dilution, or take such other actions as Grantor shall reasonably deem appropriate under the circumstances to protect such Patent, Trademark or Copyright.

(vii) Upon the request of Agent, Grantor will furnish to Agent statements, schedules and an inventory identifying and describing the Collateral, including without limitation, all Intellectual Property acquired subsequent to the date of this agreement and not identified on Schedule A, all transfers, assignments, licenses or sub-licenses of the Collateral by Grantor, and such other information in connection with the Collateral as Agent may reasonably request, all in reasonable detail. Any such Intellectual Property shall automatically become part of the Collateral.

5. Agent's Appointment as Attorney-in-Fact.

(a) Grantor hereby irrevocably constitutes and appoints Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Grantor and in the name of Grantor or in its own name, from time to time after the occurrence, and only during the continuation of, an Event of Default in Agent's discretion, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, Grantor hereby grants Agent the power and right, on behalf of Grantor without notice to or assent by Grantor, to do the following:

(i) at any time when any Event of Default shall have occurred and is continuing, to take possession of and endorse, in the name of Grantor or its own name, or otherwise and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under, or with respect to, any Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed

appropriate by Agent for the purpose of collecting any and all such moneys due with respect to such Collateral whenever payable;

(ii) to pay or discharge taxes and liens levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Agreement and to pay all or part of the premiums therefor and the costs thereof; and

(iii) (1) to direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to Agent or as Agent shall direct, (2) to ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral, (3) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral, (4) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral, (5) to defend any suit, action or proceeding brought against Grantor with respect to any Collateral, (6) to settle, compromise or adjust any suit, action or proceeding described in the preceding clause and, in connection therewith, to give such discharges or releases as Agent may reasonably deem appropriate, (7) to assign any Trademark or Copyright (along with goodwill of the business to which such Trademark or Copyright pertains), throughout the world for such term or terms, on such conditions, and in such manner, as Agent shall in its sole discretion determine, and (8) generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Agent were the absolute owner thereof for all purposes, and to do, at Agent's option and Grantor's expense, at any time, or from time to time, all acts and things which Agent deems necessary to protect, preserve or realize upon the Collateral and the liens of Agent thereon and to effect the intent of this Agreement, all as fully and effectively as Grantor might do. Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable (although it shall only be effective during the period described above).

(b) Each Grantor also authorizes Agent, at any time and from time to time, to execute, in connection with the sale provided for in Section 8 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(c) The powers conferred on Agent hereunder are solely to protect the interests of Agent in the Collateral and shall not impose any duty upon Agent to exercise any such powers. Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its partners, officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or failure to comply with mandatory provisions of applicable law.

6. **Performance by Agent of Grantor's Obligations.** If Grantor fails to perform or comply with any of its agreements contained herein and Agent, as provided for by the terms of this Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, then the expenses of Agent incurred in connection with such performance or compliance, together with interest thereon at the highest default rate provided in the Note, shall be payable by Grantor to Agent on demand and shall constitute Obligations secured hereby.

7. **Proceeds.** It is agreed that if an Event of Default shall occur and be continuing, then (a) all Proceeds received by Grantor consisting of cash, checks and other cash equivalents shall be held by Grantor in trust for Agent, segregated from other funds of Grantor, and shall, forthwith upon receipt by Grantor, be turned over to Agent in the exact form received by Grantor (duly endorsed by Grantor to Agent, if required), and (b) any and all such Proceeds received by Agent (whether from Grantor or otherwise) shall promptly be applied by Agent against, the Obligations (whether matured or unmatured), such application to be in such order as set forth in the Loan Agreement.

8. **Remedies Upon Default.** Upon an Event of Default under and as defined in the Loan Agreement, Agent may pursue any or all of the following remedies, without any notice to Grantor except as required below:

(a) Agent may give written notice of default to Grantor, following which Grantor shall not dispose of, conceal, transfer, sell or encumber any of the Collateral (including, but not limited to, cash proceeds) without Agent's prior written consent, even if such disposition is otherwise permitted hereunder in the ordinary course of business. Any such disposition, concealment, transfer or sale after the giving of such notice shall constitute a wrongful conversion of the Collateral. Agent may obtain a temporary restraining order or other equitable relief to enforce Grantor's obligation to refrain from so impairing Agent's Collateral.

(b) Agent may take possession of any or all of the Collateral. Grantor hereby consents to Agent's entry into any of Grantor's premises to repossess Collateral, and specifically consents to Agent's forcible entry thereto as long as Agent causes no significant damage to the premises in the process of entry (drilling of locks, cutting of chains and the like do not in themselves cause "significant" damage for the purposes hereof) and provided that Agent accomplishes such entry without a breach of the peace.

(c) Agent may dispose of the Collateral at private or public sale. Any required notice of sale shall be deemed commercially reasonable if given at least 10 days prior to sale. Agent may adjourn any public or private sale to a different time or place without notice or publication of such adjournment, and may adjourn any sale either before or after offers are received. The Collateral may be sold in such lots as Agent may elect, in its sole discretion. Agent may take such action as it may deem necessary to repair, protect, or maintain the Collateral pending its disposition.

(d) Agent may exercise its lien upon and right of setoff against any monies, items, credits, deposits or instruments that Agent may have in its possession and that belong to Grantor or to any other person or entity liable for the payment of any or all of the Obligations.

(e) Agent may exercise any right that it may have under any other document evidencing or securing the Obligations or otherwise available to Agent at law or equity.

9. **Limitation on Duties Regarding Preservation of Collateral.** Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession shall be to deal with it in the same manner as Agent would deal with similar property for its own account. Neither Agent nor any of its partners, directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Grantor or otherwise.

10. **Powers Coupled with an Interest.** All authorizations and agencies herein contained with respect to the Collateral are irrevocable and powers coupled with an interest.

11. **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12. **Section Headings.** The section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

13. **No Waiver: Cumulative Remedies.** Agent shall not by any act (except by a written instrument pursuant to Section 14 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of Agent, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by Agent of any right or remedy hereunder on any occasion shall not be construed as a bar to any right or remedy which Agent would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.

14. **Waivers and Amendments; Successors and Assigns; Interpretation.** None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by Grantor and Agent, provided that any provision of this Agreement may be waived by Agent in a written letter or agreement executed by Agent or by facsimile transmission from Agent. This Agreement shall be binding upon the successors and assigns of Grantor and shall inure to the benefit of Agent and its successors and assigns. When used herein, the singular shall include the plural, and vice versa, and the use of any gender shall include all other genders, as appropriate. Where consent or approval is required of Lender hereunder such consent or approval shall be deemed to be consent of the Majority Lender as defined in the Loan Agreement.

15. **Notices.** Any and all notices, elections or demands permitted or required to be made under this Agreement shall be made in accordance with the notice provisions of the Loan Agreement.

16. **Governing Law.** This Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of Tennessee applicable to contracts to be wholly performed in such State, or to the extent required, by federal law.

17. **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties to this Agreement in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same Agreement.

18. **Consent to Jurisdiction; Exclusive Venue.** Grantor hereby irrevocably consents to the jurisdiction of the United States District Court for the Middle District of Tennessee and of all Tennessee state courts sitting in Davidson County, Tennessee, for the purpose of any litigation to which Agent may be a party and which concerns this Agreement or the Obligations. It is further agreed that venue for any such action shall lie exclusively with courts sitting in Davidson County, Tennessee, unless Agent agrees to the contrary in writing.
