B. WHEREAS, the licensees of England with respect to the Marks, which licensees are listed on the attached **Schedule B** (each a "Licensee" and collectively the "Licensees"), under those certain license agreements between each Licensee and England or England's predecessors-in-interest, (each, individually, a "License Agreement" and, collectively, the "License Agreements"), have formed Purchaser for the purpose in part of purchasing certain intellectual property from Seller, including the Marks; and

C. WHEREAS, Seller desires to sell to Purchaser, and Purchaser desires to purchase from Seller, Seller's rights to certain intellectual property, including the Marks, all on the terms and subject to the conditions set forth herein;

WITNESSETH:

WHEREAS, pursuant to an Asset Purchase Agreement dated as of October 20, 2005 (the "Asset Purchase Agreement") by and between Seller and Purchaser, and in consideration of the Purchase Price paid thereunder and the mutual promises and covenants contained therein, Seller agreed to sell, convey, transfer, assign and deliver to Purchaser at the Closing the "Assets" as that term is defined in the asset Purchase Agreement; and

2. Purchaser hereby agrees to assume and pay or perform in the ordinary course of business all of the Assumed Liabilities.

3. As provided in the Asset Purchase Agreement, Purchaser hereby agrees to indemnify, defend, and hold Seller harmless from any cost, claim, liability, damage, or expense (including attorneys' fees and costs) arising from any cause of action whatsoever relating to the Assumed Liabilities.

4. At any time and from time to time after the date hereof, the Parties shall execute and deliver, or shall cause to be executed and delivered, to the other Party such other instruments and take such other action as may be reasonably requested to carry out the intent and purposes of this Bill of Sale and Assignment.

5. Purchaser shall not assume nor be responsible for, and Seller shall retain and remain responsible for, any and all of Seller's obligations and liabilities of any nature whatsoever, whether absolute, accrued, disclosed, undisclosed, contingent or otherwise, relating to the Excluded Assets.

6. This Bill of Sale and Assignment and the covenants and agreements herein contained shall survive the date hereof and shall inure to the benefit of the Parties and their respective successors and assigns, and shall be binding upon the Parties and their respective successors and assigns.

7. Nothing in this instrument shall be deemed to modify, limit, or amend any of the rights or obligations of either Party under the Asset Purchase Agreement.
