## ASSET PURCHASE AGREEMENT

This Agreement is made and entered into on January 11, 2001, by and between Aventis CropScience U.K. Ltd., an English company having its registered office at Hauxton, Cambridge, England ("Seller") duly represented for the purposes hereof by Mr. Esmail Zirakparvar, Head of Crop Protection Portfolio Management, by virtue of a power of attorney attached herewith, and Irvita Plant Protection N.V. a corporation having its registered office in Curacao, The Netherland Antilles ("Buyer"), duly represented for the purposes hereof by Messrs. Dan Peer, Chairman of the Board of Supervisory Directors, and Wil P. Kleinveld, Managing Director, pursuant to a resolution of the Board of Supervisory Directors dated December 18, 2000.

Seller and Buyer are hereafter referred to collectively as the "Parties," and separately as a "Party".

### WHEREAS:

Seller, itself and through certain of its Affiliates (as such term is defined hereafter) owns and operates a business in several countries (hereinafter referred to as the "Business") consisting in the manufacture and sale of the active ingredient "Clofentezine" and of formulations and mixtures containing the said active ingredient.

Buyer operates a business in several countries involving the manufacture and sale of agrochemical products.

Seller desires to sell and transfer to Buyer all of its assets relating to the Business, except as expressly provided herein (the "Business Assets", as further described hereafter), as well as its Business-related inventory (the "Inventory", as further described hereafter), and Buyer desires to acquire the Business Assets and the Inventory from Seller, in accordance with the terms and conditions contained in this Agreement.

NOW THEREFORE, in consideration of the premises and the mutual terms and conditions contained herein, the Parties agree as follows:

### 1. Definitions

"Affiliate" when used with reference to a specified person, shall mean any person that directly or indirectly through one or more intermediaries controls, is controlled by or is under common control with the specified person. For the purposes of this definition, "control" shall mean the possession, direct or indirect, of the power to direct or decisively influence the management and policies of a person, whether through the ownership of voting securities, by contract or otherwise.

"Agreement" shall mean this Asset Purchase Agreement, including all of its Schedules. For the avoidance of doubt, the ancillary agreements whose execution is contemplated hereunder shall not fall under the definition of "Agreement".

"Third-Party Registrations" shall mean all registrations in respect of products containing Clofentezine that are maintained with any regulatory authority and which are currently held neither by Seller or its Affiliates, but which are controlled or supported by Seller's Registrations or letters of access. Schedule 1-B contains a list of such Third-Party Registrations. Notwithstanding anything to the contrary contained herein, it is hereby understood and agreed that (i) Schedule 1-B does not purport to include those Third-Party Registrations which are held by Third-Parties in connection with their performance of any Third-Party Contracts, and that (ii) Schedule 1-B was prepared by Seller on a good-faith-effort-basis after reasonable examination of Seller and Seller's Affiliates' relevant records, and, subject to the following, Seller does not make any representations or warranties as to the completeness of Schedule 1-B.

"Trademarks" shall mean all registered trademarks owned by Seller or its Affiliates and pertaining to, or used in, the Business, together with the goodwill associated with said trademarks throughout the world. A list of the Trademarks is set forth in Schedule 2.1.1. In the event that a Trademark is discovered to have been omitted from Schedule 2.1.1, it shall automatically be deemed included in Schedule 2.1.1, and the Parties shall amend Schedule 2.1.1 accordingly. For the sake of avoiding any doubt, the trademark "Ovation", which is not owned by Seller or its Affiliates, is not included in the "Trademarks".

"Transitional Clofentezine Supply Agreement" shall have the meaning ascribed to it in Article 5.1 hereof.

## 2. Sale and Purchase of Business Assets and Inventory

Seller hereby agrees to sell and transfer or otherwise assign (on its own behalf and/or, as the case may be, on behalf of its relevant Affiliates) to Buyer on the Closing Date, and Buyer hereby accepts to acquire from Seller (and/or, as the case may be, from Seller's relevant Affiliates) on the Closing Date, the Business, the Business Assets and the Inventory free and clear of any liens, charges or encumbrances, subject to and in accordance with the provisions herein.

Subject to the provisions of this Agreement and, in particular, subject to the provisions of Article 2.6 hereof, as and from the Closing Date, Seller and its Affiliates shall discontinue carrying on the Business, and Buyer shall be entitled to carry-on and continue the Business and hold itself out as doing so in succession to the Seller.

Schedule 2 sets forth the procedures and acts which shall be carried out by the Parties in order to facilitate the transfer of the Business, the Business Assets and the Inventory.

### 2.1 Trademarks

2.1.1 Seller hereby agrees to sell, transfer and assign - or, as the case may be, to cause its relevant Affiliates to sell, transfer and assign - the Trademarks to Buyer, which is accepted by Buyer.

2.1.2 Buyer shall carry out all formalities to give full legal effect to such transfer and assignment, provided, however, that Seller shall reasonably assist and cooperate with - or cause its relevant Affiliates to reasonably assist and cooperate with - Buyer to have all relevant registers and records amended so that Buyer becomes, as early as possible, the registered owner of the Trademarks.

2.1.3 Any costs, out-of-pocket expenses, charges and/or fees arising in connection with the foregoing shall be borne by Buyer (and, as the case may be, reimbursed to Seller).

2.1.4 Buyer hereby acknowledges that certain of the Trademarks are legally in the name of certain of Seller's Affiliates, and Seller hereby represents and warrants that it has all the required authority to cause such Trademarks to be validly transferred by its Affiliates to Buyer.

2.1.5 Buyer further acknowledges that certain of the Trademarks have remained in the former name of Seller or that of its Affiliates (e.g., in the name of AgrEvo UK Ltd. or Hoechst Schering AgrEvo GmbH). In the event that Buyer shall wish to record the above changes of name before recording the transfer of the Trademarks to its name, such procedure shall be carried out with the assistance of Seller and the related costs, out-of-pocket expenses, charges and/or fees shall be borne by Buyer.

2.1.6 Seller hereby represents and warrants (i) that it (or, as the case may be, its relevant Affiliates) holds all the rights in the Trademarks as sole legal owner, (ii) that no licenses or rights to use the Trademarks have been granted to any Third Party, except under the Third-Party Contracts, (iii) that it has no knowledge that any Trademark is subject to any claim for infringement or other violation of Third Parties' rights, and that (iv) to the best of its knowledge, all the trademarks which are currently used by it or its Affiliates in the conduct of the Business (except "Ovation"), and which are material to the Business, are owned by it or its Affiliates. In respect of the use of Trademark(s) by a Third Party other than under a Third-Party Contract assigned or novated to Buyer under Article 6, Seller shall, as soon as legally and contractually possible, take action to terminate such Third Party's right to use said Trademark(s).

2.1.7 As from the date hereof, Buyer shall assume all of Seller's (or Seller's relevant Affiliates') rights and obligations in respect of the Trademarks, provided, however, that until Buyer becomes the registered owner of the Trademarks, Seller shall take all actions and carry out all formalities as may be required to allow Buyer to defend its rights under the Trademarks. For the sake of avoiding any doubt, Buyer shall not be liable for, and Seller shall, in accordance with Article 9 hereof, indemnify and hold Buyer harmless against any claims arising prior to the Closing Date that the Trademarks infringe or violate any Third-Parties' rights.

## 2.2 Labels

2.2.1 Seller hereby agrees to sell, transfer and assign - or, as the case may be, to cause its relevant Affiliates to sell, transfer and assign - and Buyer agrees to purchase and accept the Labels. The transfer of the Labels to Buyer shall be completed in hardcopy - and, whenever this is possible, in electronic form - as soon as possible following the Closing Date, but in no event later than sixty (60) days after the Closing Date. Seller shall take all actions, including

The Parties hereby expressly understand and agree that the terms and conditions of the transfer to Buyer of any local components of the Business Assets (including payment terms) shall be as provided in this Agreement, and that the provisions of this Agreement shall supersede any contrary provision contained in the afore-mentioned instruments or documents. Moreover, there can be no double recovery for Buyer under both this Agreement and the afore-mentioned instruments or documents.

Executed in two (2) counterparts, on January 11, 2001.
