TRADEMARK SECURITY AGREEMENT

WHEREAS, Electronic Imaging Services, Inc., a Delaware corporation ("Grantor"), owns the Trademark registrations and Trademark applications listed on Schedule 1 annexed hereto; and

WHEREAS, Vector Investment Holdings, Inc. ("Holdings"), Wachovia Bank, National Association, as agent ("Secured Party"), and the lenders party thereto have entered into that certain Credit Agreement dated January 30, 2006 (as the same may be amended and in effect from time to time, the "Credit Agreement"), providing for extensions of credit to be made to Grantor by the Lenders; and

WHEREAS, pursuant to the terms of the Security Agreement dated as of the date hereof (as said Agreement may be amended and in effect from time to time, the "Security Agreement"), among Holdings, certain of its subsidiaries, including Grantor, and Secured Party, Grantor has granted to Secured Party a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement) and Trademark Licenses (as defined in the Security Agreement), together with the goodwill of the business symbolized by Grantor's Trademarks, to secure the payment of all Obligations (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Secured Party a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or hereafter arising or acquired:

- (1) each Trademark, including, without limitation, the Trademark registrations and Trademark applications referred to in Schedule 1 annexed hereto, and all of the goodwill of the business associated with, and symbolized by, each Trademark;
- (2) each Trademark License; and
- (3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future infringement of any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall the security interest granted hereunder attach to (a) any lease, license, Intellectual Property, contract right, property right or agreement to which Grantor is a party or any of its rights or interests thereunder if, and for so long as, the grant of such security interest shall constitute or result in (i) the abandonment, invalidation, unenforceability, cancellation or voiding of any right, title or interest of Grantor therein or (ii) in a breach or termination pursuant to the terms of, or a default under, any such lease, license, Intellectual Property right, contract right, property right or agreement other than to the extent that any such term would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the UCC (or any successor provision or provisions) of any relevant jurisdiction or any other applicable law or principles of equity); provided, however, that such security interest shall attach immediately at such time as the condition that would cause such abandonment, invalidation, unenforceability, cancellation or voiding shall be removed and, to the extent severable, shall attach immediately to any portion of such lease, license, Intellectual Property right, contract right, property right or agreement that does not result in any of the consequences specified in clause (i) or (ii) of this paragraph, including any proceeds of such lease, license, Intellectual Property right, contract right, property right or agreement.

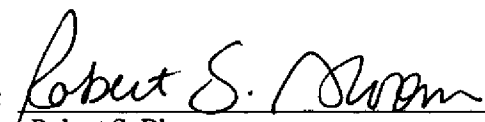

This security interest is granted in conjunction with the security interests granted to Secured Party pursuant to the Security Agreement. Secured Party hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this agreement and the Security Agreement, the terms of the Security Agreement shall govern.

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer thereunto as of the 30 day of January, 2006.
