Trademark Security Agreement

NOW THEREFORE, in consideration of good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged by each of the parties), the parties agree as follows:

1. Unless the context otherwise requires, all capitalized terms used but not defined herein shall have the meanings set forth in the Amended Security Agreement. As used herein, the following term shall have the following meaning:

“Trademarks” means all of the registered trademarks and pending trademark applications listed on Schedule A and all of the goodwill of the business connected with the use of, or symbolized by, such trademarks.

2. As security for the prompt and complete payment or performance in full when due, whether at stated maturity, by mandatory prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a) (and any successor provision thereof)), of all of the Secured Obligations with respect to every Obligor, each Obligor hereby bargains, sells, conveys, assigns, sets over, mortgages, pledges, hypothecates and transfers to the Collateral Agent, its successors and assigns, on behalf of the Secured Parties, a security interest in all of such Obligor's right, title and interest in and to all of the Trademarks.

3. This Agreement is made to secure the satisfactory performance and payment of all the Secured Obligations. Upon termination of the Amended Security Agreement or release of an Obligor's obligations thereunder, the Collateral Agent shall, upon such satisfaction, execute, acknowledge, and deliver to the Obligors or an Obligor, as the case may be, an instrument in writing releasing the security interest in the Trademarks acquired under this Agreement. Additionally, upon such satisfaction, at the Obligors' expense, the Collateral Agent shall reasonably cooperate with any efforts made by an Obligor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the subject collateral.

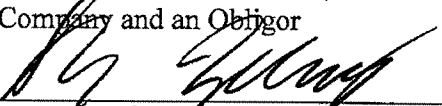

4. The security interest in this Agreement has been granted as a supplement to, and not in limitation of, the security interest granted to the Collateral Agent under the Amended Security Agreement. The Amended Security Agreement (and all rights and remedies of the Collateral Agent) shall remain in full force and effect in accordance with its terms. The rights and remedies of the Collateral Agent with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Amended Security Agreement, all terms and provisions of which are incorporated herein by reference.

5. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same instrument. This Agreement shall be governed by and

enforced in accordance with the laws of the State of New York, without giving effect to any conflicts of law principles.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement
as of the day and year first above written.
