CO-BRANDED TRADEMARK SECURITY AGREEMENT

This CO-BRANDED TRADEMARK SECURITY AGREEMENT, dated as of February 1, 2006 (as this agreement may be further amended, restated, amended and restated, supplemented or otherwise modified, renewed or replaced from time to time, this “Trademark Security Agreement”), is made by UAL CORPORATION (“UAL”), UAL LOYALTY SERVICES, LLC, formally known as United New Ventures, Inc. (“ULS”), UNITED AIR LINES, INC. (“UA,” and collectively with UAL and ULS, “UNITED”), each a Delaware corporation or limited liability company, as applicable, and all of the direct and indirect domestic subsidiaries of UAL signatory hereto (together with United, the “Grantors”), in favor of Chase Bank USA, N.A. (together with its successors and assigns, “Chase Bank”), as secured party (the “Secured Party”). All capitalized terms used herein shall have the respective meanings ascribed to such terms in the Co-Branded Agreement (as defined below) unless otherwise indicated herein.

R E C I T A L S

WHEREAS, Chase Bank and United have previously entered into that certain Co-Branded Card Marketing Services Agreement effective July 1, 2001, as subsequently amended and restated (as may be further amended, restated, amended and restated, supplemented or otherwise modified, renewed or replaced from time to time, the “Co-Branded Agreement”); and

WHEREAS, pursuant to Section 5.2(e) of the Co-Branded Agreement, United has agreed that the Grantors shall grant, to the extent required by Section 5.2 of the Co-Branded Agreement, a security interest in and lien on the Collateral as security for the prompt payment in full of all obligations of United under the Co-Branded Agreement to repurchase Pre-purchased Miles (whether then existing or arising thereafter) under Section 10.4 of the Co-Branded Agreement (collectively, the “Co-Branded Obligations”); and

WHEREAS, the parties hereto have agreed that (i) notwithstanding anything herein to the contrary, the lien and security interest granted to Chase Bank pursuant to this Agreement and the exercise of any right or remedy by Chase Bank hereunder are subject in all respects to the provisions of that certain Intercreditor Agreement, dated as of February 1, 2006 (as amended, restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), among Chase Bank, JPMorgan Chase Bank, N.A. and Citicorp USA, Inc., as co-administrative agents and as co-collateral agents (with their respective successors and permitted assigns, the “Collateral Agents”) for United’s lenders in connection with the Credit Agreement, and United and the other Grantors signatory thereto from time to time; and (ii) in the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control; and

WHEREAS, pursuant to Section 5.2(e) of the Co-Branded Agreement, the Grantors have agreed to execute (i) a Co-Branded Security Agreement dated as of the date hereof

by and among United, each of Grantors and Chase Bank (as such agreement may be amended, restated, amended and restated, supplemented or otherwise modified, renewed or replaced from time to time, the "Security Agreement") and (ii) this Agreement in order to grant a security interest in favor of Chase Bank to secure the Co-Branded Obligations as more fully set forth herein.

NOW, THEREFORE, to secure the prompt and complete payment and performance when due of the Co-Branded Obligations for the benefit of Chase Bank and for good and valuable consideration, the receipt of which is hereby acknowledged, and subject to Section 2.03 of the Security Agreement, each Grantor does hereby grant to Chase Bank, a security interest in all of the Grantors' right, title and interest in, to and under the following, whether presently existing or hereafter arising or acquired

(i) all Trademarks (as defined in the Security Agreement, but limited for purposes herein to United States Trademarks) owned by any Grantor, including, without limitation, each Trademark referred to in Schedule I hereto (as such Schedule may be amended from time to time by the addition of Trademarks subsequently created or acquired by execution of a Supplement in substantially the form of Exhibit A attached hereto) (provided that no security interest shall be granted in the United States intent-to-use trademark applications until an amendment to allege use or a statement of use is filed with and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subjected to the lien granted herein), and all the goodwill of the business connected with the use of, and symbolized by, the Trademarks;

(ii) all Trademark Licenses (as defined in the Security Agreement, but limited for purposes herein to United States Trademark Licenses), including, without limitation, each Trademark License referred to in Schedule I hereto (as such Schedule may be amended from time to time by the addition of Trademark Licenses subsequently created or acquired by execution of a Supplement in substantially the form of Exhibit A attached hereto) and all the goodwill of the business connected with the use of, and symbolized by, the Trademark Licenses; and

(iii) all products and proceeds of the foregoing, including, without limitation, any claim by a Grantor against third parties for past, present or future infringement or dilution of any Trademark owned by any Grantor, including, without limitation, any Trademark referred to in Schedule I hereto, and of any Trademark licensed under any Trademark License, or for injury to goodwill associated with any Trademark owned by any Grantor or Trademark licensed under any Trademark License.

This security interest is granted in conjunction with the security interest granted to Chase Bank, in the assets of the Grantors upon the terms and conditions as set forth in the Security Agreement and subject in all respects to the terms of the Intercreditor Agreement. The Grantors do hereby acknowledge and affirm that the rights and remedies of Chase Bank, with respect to the security interest in the Trademarks and the Trademark Licenses made and granted hereby are more fully set forth in the Security Agreement and the Intercreditor Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Each Grantor acknowledges that United is required to cause each Person which becomes a direct or indirect domestic subsidiary (other than Immaterial Subsidiaries) of UAL to become a party hereto as an additional Grantor (each such Person, an “Additional Grantor”) by executing an Instrument of Assumption and Joinder (a “Joinder”) substantially in the form attached to the Security Agreement as Exhibit B to the Security Agreement. Upon delivery of any such Joinder to Chase Bank, notice of which is hereby waived by the Grantors, each such Additional Grantor shall be deemed a Grantor hereunder and shall be as fully a party hereto as if such Additional Grantor were an original signatory hereto. Each such Additional Grantor shall execute a Supplement in substantially the form of Exhibit A attached hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be discharged, diminished or otherwise affected (a) by the addition or release of any other Grantor hereunder, (b) any failure by United to cause any Subsidiary of UAL or UA to become an Additional Grantor or a Grantor hereunder or (c) by reason of Chase Bank’s actions in effecting, or failure to effect, any such Joinder, or in releasing any Grantor hereunder, in each case without the necessity of giving notice to or obtaining the consent of any other Grantor. This Trademark Security Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REFERENCE TO CONFLICT OF LAWS PRINCIPLES.

The various parts of the Security Agreement and this Trademark Security Agreement are intended to be complementary; however, any inconsistency, ambiguity or conflict between this Trademark Security Agreement and the Security Agreement shall be resolved in the following order of precedence (with (i) having the highest priority): (i) Security Agreement, and (ii) Trademark Security Agreement.

This Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument. Any signature delivered by a party by facsimile or electronic transmission shall be deemed to be an original signature thereto.

This Trademark Security Agreement is effective notwithstanding any defect in the validity or enforceability of any instrument or document contained in any of the other Collateral Documents.
