SECTION 2 Grant of Security Interest in Intellectual Property Collateral

(A) As security for the prompt and complete payment and performance in full when due (whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code) of all First Lien Secured Obligations, each Grantor hereby pledges, assigns, transfers and grants to the Security Agent, for its benefit and for the benefit of the First Lien Secured Parties, a continuing security interest in and Lien on all of its right, title and interest in, to and under all Intellectual Property Collateral, whether now owned or existing or hereafter acquired or arising and wherever located.
