TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT ("Agreement"), dated as of June 30, 2005, is by and between WALCO INTERNATIONAL, INC., a California corporation ("Debtor"), whose address is 7 Village Circle, Suite 200, Westlake, Texas 76262, Attention: William F. Lacey, with a copy to Charlesbank Capital Partners, 600 Atlantic Avenue, 26th Floor, Boston, Massachusetts 02210-2203, Attention: Mark Rosen and Brandon White, and JPMORGAN CHASE BANK, N.A., a national banking association ("Secured Party"), whose address is 2200 Ross Avenue, Third Floor, Dallas, Texas 75201, Attention: Kevin Padgett, in its capacity as agent (in such capacity, the "Agent"), under the Credit Agreement (as amended, restated and supplemented from time to time, (the "Credit Agreement") of even date herewith, by and among Debtor, each of the Credit Parties which is now or hereafter a Guarantor thereunder, each of the financial institutions which are signatories thereto or which may become a party thereto from time to time (individually, a "Lender" and, collectively, the "Lenders"), and Agent.

WHEREAS, Debtor, Agent and Lenders have entered into the Credit Agreement;

WHEREAS, Debtor and Agent on behalf of Lenders have entered into a Security Agreement (Personal Property) of even date hereof (as said Security Agreement may be amended, restated, modified, supplemented and in effect from time to time, the "Security Agreement"), which sets forth in more detail certain terms and conditions relating to the matters agreed to herein;

WHEREAS, the Credit Agreement contemplates the execution of this Agreement by the parties hereto and the recordation of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Grant of Security Interest. Debtor does hereby grant to Agent for the ratable benefit of Lenders a continuing security interest in all of the following (all of the following being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired, to secure the payment of the Debt (as defined in the Security Agreement):

(a) all of Debtor's right, title, and interest in and to the following: (i) all trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof and the goodwill of the business symbolized by the foregoing; (ii) all licenses of the foregoing, whether as licensee or licensor; (iii) all renewals of the foregoing; (iv) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (v) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (vi) all rights corresponding to any of the foregoing throughout the world (each of the foregoing items listed in this paragraph being herein called a "Trademark," and collectively called the "Trademarks"), including without limitation, (1) any such registrations, recordings and applications, if any, in the United States

Patent and Trademark Office, any State thereof, or any other country (each such office or agency being referred to herein as a "Trademark Office"), including each Trademark described in Schedule 1 attached hereto, and (2) each agreement granting any right to use any Trademark (each a "Trademark License" and collectively, the "Trademark Licenses"), including each Trademark License listed in Schedule 1 attached hereto; and

(b) all substitutions for and improvements, products and proceeds of, and all renewals and replacements of, any of the foregoing, and all general intangibles relating to or arising in connection with any of the foregoing, including, without limitation, any claim with respect to same, including for past, present or future infringement or dilution of any Trademark, or for injury to the goodwill associated with any Trademark, or for unfair competition of any type or nature whatsoever, and all insurance and claims for insurance with respect to same.

2. Purpose. This Agreement has been executed and delivered by the Debtor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Agent for the benefit of the Secured Party in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

3. Miscellaneous. This security interest is one of the Liens granted to Agent on behalf of Lenders pursuant to the Security Agreement. Debtor does hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement and the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. The terms and provisions hereof are in addition to, and not in limitation of or limited by, those of the Security Agreement, the Credit Agreement and the other Loan Documents. The attached Schedule 1 is incorporated herein by reference for all purposes. Capitalized terms used herein and not otherwise defined shall have the meaning given to them in the Credit Agreement. **THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK (OTHER THAN THE CONFLICTS OF LAWS PRINCIPLES THEREOF) AND THE UNITED STATES OF AMERICA, INCLUDING WITHOUT LIMITATION, THE UNITED STATES TRADEMARK LAWS.** This Agreement shall be binding upon Debtor, and the trustees, receivers, successors and assigns of Debtor, including all successors in interest of Debtor in and to all or any part of the Trademark Collateral, and shall benefit Agent and its successors and assigns. If any provision of this Agreement is held to be illegal, invalid or unenforceable under present or future laws, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected thereby, and this Agreement shall be liberally construed so as to carry out the intent of the parties to it. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same agreement, and any of the parties hereto may execute this Agreement by signing any such counterpart. The section headings appearing in this Agreement have been inserted for convenience only and shall be given no substantive meaning or significance whatever in construing the terms and provisions of this Agreement.

IN WITNESS WHEREOF, Debtor and Agent have caused this Agreement to be duly executed by their respective officers thereunto duly authorized as of June 30, 2005.
