TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT is entered into and effective this 20 day of December, 2005, by and between Stuart & Sons Limited, a corporation registered in England with company number 117548, with a principal place of business at Barlaston, Stoke on Trent, Staffordshire ST12 9ES, England, United Kingdom ("Grantor"), and Bank of America, N.A., a national association with a principal place of business at 335 Madison Avenue, New York, NY 10017 ("Secured Party"). Grantor and Secured Party are sometimes collectively referred to herein as the "Parties".

RECITALS

A. Grantor is the owner of the trademarks set forth in **Exhibit A** attached hereto, including without limitation all registrations therefor, all applications for the registration thereof, all common law rights therein, and all goodwill associated therewith.

B. Pursuant to that certain Deed of Debenture, dated December 20, 2005 among the Parties hereto and certain additional parties, (the "Security Agreement"), Grantor has granted to Secured Party, as agent and security trustee for the Creditors (as such terms are defined in the Security Agreement), a first priority lien on and security interest in and to certain assets of the Grantor, including without limitation the trademark assets described in Recital Paragraph "A" and more fully defined herein below as the "Trademark Collateral".

C. Pursuant to the Security Agreement, the Parties hereto wish to confirm Grantor's grant to Secured Party of a first priority lien on and security interest in and to the trademark assets described in Recital Paragraph "A" and more fully defined herein below as the "Trademark Collateral".

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

1. Grantor hereby grants to the Secured Party, for the benefit of the Creditors, and the Secured Party hereby accepts from the Grantor, a first priority lien on and security interest in and to all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property collectively referred to herein as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired:

- (i) all of the trademarks referred to in **Exhibit A** hereto, including without limitation all common law rights therein, all registrations therefor, all applications for the registration thereof, all renewals and extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, such trademarks;
- (ii) all licenses associated with the use of any of such trademarks;
- (iii) all products and proceeds of the foregoing, including without limitation any claim by or accruing to Grantor against third parties for the past, present or future

infringement, violation, dilution, misuse or misappropriation of any such trademarks, or for injury to the goodwill associated with any such trademarks.

2. This security interest is granted in conjunction with the security interest granted to the Secured Party for the benefit of the Creditors in assets of the Grantor, as set forth more fully in the Security Agreement.

3. The rights and remedies of the Secured Party with respect to the security interest in the Trademark Collateral made and granted hereby are without prejudice to and without limitation of those rights and remedies of the Secured Party which are set forth in the Security Agreement, the terms and provisions of which are in no way limited, qualified, amended or negated by this Trademark Security Agreement.

4. In the event of any conflict between the terms and provisions of this Trademark Security Agreement and those of the Security Agreement, the terms and provisions of the Security Agreement shall govern and control.

5. Subject to paragraph 4 hereof, this Trademark Security Agreement sets forth the entire agreement and understanding between the Parties hereto with respect to the subject matter hereof, and supersedes all prior agreements, drafts of agreement, understandings and commitments, whether oral or written, related to such subject matter.

6. This Trademark Security Agreement may only be modified or amended by a further agreement in writing executed by both Parties hereto.

7. This Trademark Security Agreement is governed by the trademark laws of the United States of America and the laws of the State of New York, applicable to contracts executed and fully performed within the State of New York, without regard to conflicts or choice of laws principles.

8. This Trademark Security Agreement is effective as of the date and year above first written, regardless of the actual dates of signature of the Parties.
